### Stirling Couple Honoured On Their Fortieth Wedding Anniversary

Home of Mr. and Mrs. Harvey C. Pitcher, Mill St., Scene of Happy Gathering

Congratulations are extended Mr. and Mrs. Harvey Pitcher Mill St., who observed their fortieth wedding anniversary on Thursday last. Members of their immediate families, numbering over forty, gathered at their home on Thursday evening in honour of the occasion and a happy evening was enjoyed. Later the charivari gang, composed of the neighbours, serenaded the popular couple and were entertained.

On June 25th, 1913, Mary, daughter of Mr. and Mrs. William Dufoe, of 4th Concession of Sidney Township, and Harvey, son of Mr. and Mrs. Henry Pitcher, Stockdale, were united in marriage in Rose's Church, Sidney, (now a part of the Rose-Lowery Hall, Frankford) by the Rev. James Batstone. Following the ceremony the reception was held at the home of the bride's parents.

They have two sons, Messrs. William and Harold Pitcher and a daughter, Mrs. Roy (Glady's) Holland, all of Stockdale, and two grandchildren, Linda Holland and Judy Pitcher.

Mr. and Mrs. Pitcher resided in Murray Township until some seven years ago they came to Stirling, where Mr. Pitcher conducts a successful farm machinery and electrical appliance store. They are valued members of St. Paul's United Church and are held in high regard by a wide circle of friends.

#### Programme Presented

The home was tastefully decorated with pink and white streamers, bells, bouquets, of roses, orange blossoms and seasonal flowers. The bride and groom of 40 years were presented with a corsage and boutonniere, respectively, after which they were given seats of honour for a short programme.

Vocal solos were contributed by Mrs. Gerald Ross and Miss Heather Rodgers, and a reading by Mrs. Wm. Pitcher, while a song contest in charge of Mrs. Percy Charlesworth provoked much merriment. Mrs. Clarke Rodgers acted as judge and the winners were treated to candy.

The bride and groom were the recipients of a large number of gifts including a cedar chest, an aluminum lawn chair, a framed picture of their farm and business in Murray Township from their immediate family; an electric clock, china glassware, hall chair and linens.

#### Serenaded By

Charivari Gang  
Following a noisy serenade, the charivari gang, consisting of the neighbours, was given a warm welcome. Mr. and Mrs. Pitcher were dressed in wedding attire, the former as a bride and the latter as a bridegroom, and paraded into the living room to the strains of the wedding march. Mrs. Charles Vance on behalf of the gang, eulogized Mr. and Mrs. Pitcher as grand neighbours and good citizens while Mrs. Frank Harding and Mrs. Norman Ray presented them with a hammered aluminum relish dish and a flower bowl.

Mr. and Mrs. Pitcher voiced their sincerest thanks and appreciation to members of their family as well as to neighbours for their gifts and expressions of good wishes.

A three-tiered wedding cake "inscribed Harvey and Mary 1913-1953" centred the dining room table, while wedding serviettes were similarly embossed. Dainty refreshments were served and a social hour climaxed a very happy evening.

#### Guests

Among the guests were Mrs. Percy Charlesworth, a sister of Mr. Pitcher, her son and his wife, of Smithfield, Ont.; Mrs. Pitcher's father, William Dufoe, who recently celebrated the 87th anniversary of his birth, her brother, Lloyd Dufoe, of Stirling; and three sisters, Mrs. Herman (Vera) Ross and Mrs. Roy (Alice) Ross, of Wooler and Mrs. Thomas (Mabel) Webb, of Trenton, and their families. Mrs. Will (Jane Ann) Eliza, of Lud-

### Playgrounds Open On Monday

The play grounds at the Stirling High School will be open to all children on Monday, July 6th next. Mr. and Mrs. J. Irish will be there to supervise all games. Swings, teeter-totter boards, sandboxes and slides have been provided for the little ones, with table tennis and other games arranged for the older ones, with one session a day on handicraft.

Now mothers, it is up to you to send your children to the grounds and keep them off the streets. This is one of the projects the Stirling Rotary Club is doing for the town so don't let them down. The field will be open 9.30 to 12 noon and 1.30 to 5.30 Monday to Friday inclusive and Saturday from 9.30 to 12 noon.

### Local and Personal

Mr. and Mrs. Mac Holden and son, Donnie, of Sarnia, spent the week-end with the former's parents, Mr. and Mrs. S. Holden. On Sunday evening Mrs. Laura Hagerman and Mr. and Mrs. Wm. Rawson, of Belleville; Mr. and Mrs. H. Holden, of Napanee; and Mr. and Mrs. A. McConkey and son, of Concession, were guests at the same home.

### Smith — Lake Nuptials

A pretty wedding was solemnized at Thomasburg United Church Parsonage at 3 p.m. on Wednesday, June 17th, when Sarah Almira Lake, of Holloway, became the bride of Franklin Ernest Smith, of Stirling. Rev. R. L. Norman, Pastor of Eggleton United Church officiated. The wedding music was played by Mrs. R. L. Norman.

The bride looked lovely in a powder blue crepe and lace dress with a sweetheart neckline and white accessories. She also wore a corsage of deep red baby roses and white "mums".

Mrs. Lawrence Wilson, of Peterborough, was matron of honour and wore a blue suit with navy and white accessories and a corsage of American beauty roses.

Mr. Lawrence Wilson, of Peterborough, acted as groomsmen. Following the ceremony the wedding party returned to the home of the bride where a dainty buffet lunch was served to a few close relatives by Mrs. Ernest Smith, sister of the bride and Mrs. Murney Kirkey.

Following the luncheon the happy couple left for a short honeymoon through the States and Niagara Falls. Mr. and Mrs. Smith will reside at Holloway.

ington, Mich., a sister of Mr. Pitcher, and Claude and Earl Dufoe, of Windsor, brothers of Mrs. Pitcher, were unable to be present, but sent greetings.

### School Board In Monthly Session

Stirling Public School Board met in regular session on Monday night with W. H. Donnan in the chair.

It was decided to purchase a number of new seats to accommodate the expected increase in attendance for the fall term, the matter being left in the hands of the Property Committee.

The secretary was authorized to write a letter of thanks to the Stirling Legion for the gift of flags to the pupils at the time of the Coronation.

It was decided to hold the next meeting of the Board at the call of the chair.

The following accounts were passed for payment:

Jack Hood School Supplies, \$632.84; James Texts, \$4.75; Mrs. C. A. Wells, \$22.50; Cairns Shoe Store, \$3.85; Tanner's Service Station, \$1.10; Corporation of Village of Stirling, \$50.00; Express, \$1.10.

### Taking Course At Toronto Hospital

Miss Grace Carleton left yesterday for Toronto, where she will take a course leading to a certified laboratory technician at Women's College Hospital.

#### PRESENTATION

On Monday evening Grace was presented with a travelling alarm clock by the members of the Stirling Lawn Bowling Club. Mrs. R. Cooke, President of the ladies' section of the Club, voiced the sincere regret of the members at the loss of so valued a member and wished her success in her new field of labor, while Mrs. A. Fraser read the accompanying card and made the presentation.

### Passes Exams

Miss Dorothy Johnston, daughter of Mr. and Mrs. Charles Johnston, of Carmel, received honours in the Grade 2 Theory examinations of the Toronto Conservatory of Music tried recently at the Stirling Centre. She is a pupil of Miss Verna Brown.

### W.A., W.M.S. and Frankford Charge Share In Centennial Services

Mrs. Morley Davidson, of Massasauga, President of the Belleville Presbyterian Women's Association by her presence and trained voice brought centennial greetings to St. Paul's last Sunday morning. Her selection was "In My Father's House Are Many Mansions."

Mrs. Lincoln Elliott, of Tweed, President Belleville Presbytery of the Woman's Missionary Society expressed the interest of women in the observance of the Centennial by her prayer petition. These women were typical of the fine quality of leadership among women in the Belleville Presbytery.

Mrs. W. T. Elliott with grace and charm, welcomed these and all visitors while voicing sincere regret for the illness that prevented His Honour Judge H. S. Mott, of Toronto, from being present. The children's story, "Three Schools," was told by Mrs. C. A. Wells.

Following a generous tribute to the work of women in the church, the Minister outlined the import of Genesis 26: 25, where it is recorded that Isaac built an altar, called up the Lord, pitched his tent and dug a well.

Man's first duty was to his Maker, next to erect his tent (house) close to the altar and afterward share in a ministry sacrificially that serves the world outside his home, the Minister said.

#### Frankford Motorcade

A pre-service heavy downpour did not daunt the rain-proof Christians of Batavia, Frankford, Stockdale and Zion who began to arrive at the church an hour before the service hour.

The service was not only a Centennial fraternal visit but a farewell from the Rev. Roy MacEachern, of Frankford, to his people.

Mr. MacEachern's sermon had a

### Stirling Guides Attend Camp Fire

Guides Sally Fox, Laura Jeffrey, Sandra Stewart, Rose-Anne Vandervoort, Mary-Ellen Long, accompanied by Mrs. E. Kent, journeyed to Trenton to participate in the Campfire, prior to the Drumhead Service the following day.

Guides from Marmora, Trenton and Stirling were at the campfire. Campfire songs were sung and a snack and chocolate milk much enjoyed.

The girls were billeted with Trenton Guides and the leaders had a get-together before going to their billets.

The girls enjoyed the fellowship of the Trenton Guides and were happy to have Betty Scott join the ranks on Sunday for the mammoth parade. The local girls were small in numbers, but were complimented highly on their appearance and behaviour.

All agreed it was worthwhile and that it was worth the effort made to attend.

### Painting Hospital

Maurice Bell, local painter, and his associates, are engaged painting the exterior and interior of the Campbellford Memorial Hospital.

### Pupils of Miss G. Pitman Successful

The following pupils of Miss Grace Pitman, A.T.C.L., were successful in the Toronto Royal Conservatory of Music 1953 Theoretical Examinations: Grade I Theory — Barbara Woodbeck, 1st class honours.

Grade II Theory — Mrs. Lyons, Stirling, Barbara Jane Curry, Frankford, Elizabeth Ann Johnston, Madoc, LaMoine Post, Eldorado, Catherine Marie Robinson, Madoc, all 1st class honours.

Mrs. Ethel Loetta Chase, of Frankford, Marilyn Rose, of Stirling, Beverley Joan Wannamaker, Frankford, Julia Savage, Frankford, Marilyn Catherine Johnston, Madoc, Honours, Ian Finnigan, Frankford, Donna Marie Towes, Frankford, Pass.

prophetic ring. He asserted the Majesty of God and the dignity of man. Quoting a Scotch source he said, "The thought that you have a God is the thought that makes you." Men and nations have been made or unmade according to their thought of God, the preacher declared.

Mr. MacEachern implied that church membership should be stiffened to attract youth who would respond to the challenge of the difficult. Failure on the part of many present members to live up to their obligations made an insipid church. The Bible, the speaker declared, makes excuses for none. The sermon was based on 1 James, 13.

#### Large Choir

The composite choir under the energetic leadership of Mr. H. Wallace, of Batavia, was an inspiration. They taxed the choir area some resting on seat ends only. Preceding the procession hymn, Mr. Wallace led a song service of old time favourite hymns. Special numbers by the choir were "Holy Is The Lord" and "Onward Christian Soldiers" as arranged by Sir Arthur Sullivan. A special solo, "The Silent Voice," was nicely sung by Mrs. Arthur Duncan.

#### Fellowship Hour

Visitors overflowed the Sunday School Hall in an after service Centennial Year Fellowship, when members of St. Paul's W.A. served tasty refreshments.

#### Endowment Fund

The names of Martha Ann Taugher, who entered her rest in 1925 and Sarah Edna Hanna carved in the white oak name plates were dedicated and placed in St. Paul's Endowment Directory through the gift of an anonymous donor.

### Has Operation

Friends of Miss Helen Stapley will regret to learn that she underwent an tonsillectomy in Belleville General Hospital on Monday of this week.

### Passes Grade II Theory Exams

The Royal Conservatory of Music advises that Miss Janet Ann Good has been successful in the Grade II Theory examination, receiving first class honours. She is a pupil of Mrs. A. E. Baker, A.R.C.T.

### Bowling Notes

On Monday night there were forty bowlers on the green. It was an inspiring sight to see so many enjoying the good old game. The club played host to Havelock Bowling Club in an inter-club contest and walked off with all the eight points which is the maximum. After the games the ladies of the Stirling Club served sandwiches, cake and tea and a social hour was enjoyed.

### Successful In Music

Miss Barbara Melkjohn, of Marmora, formerly of Springbrook, obtained 1st class honours in Grade 4 Harmony in recent written music exams held in Stirling Centre. The course was taken by correspondence from Dr. Horwood, Toronto Conservatory of Music.

## Minister of Highways To Meet County Council On Road Question

Ontario Highways Minister Hon. George Doucett will meet in the near future with Hastings County Councilors at a special session to discuss the Madoc-Foxboro County Road which is proposed to be taken over as a provincial highway.

Local members of the provincial legislature, W. E. Sandercock, Hastings West and Roscoe Robson, Hastings East, will also be invited to attend the meeting.

This was decided last Thursday at a special meeting of council called to discuss a "deal" offered by the highways department in which it was promised a million dollars would be spent on rebuilding the Madoc road if the county would assume maintenance of one of the two north and south provincial highways.

### Minister Offers Deal

The "deal" was offered by Highways Minister Doucett to a citizens committee at an interview in Toronto on June 11th, when it was requested the province take over the Madoc road. Later the county roads and bridges committee headed by Reeve Percy Moore of Tyendinaga township recommended that the county assume maintenance of the Foxboro-Marmora section of No. 14 highway in return for the Madoc road being taken over by the province.

Shire Hall was jammed full all day as members of delegations, both for and against the recommendation came to Belleville to hear the discussion.

A strong delegation from Madoc, headed by Cal Kincaid, Rev. H. Good, Dr. R. S. Beatty and Arnold Gaebele, pointed out the dangerous condition of the Madoc road with its many hills and turns and also referred to the "deathtrap" bridge at Moira Lake, which had caused several deaths in accidents.

The delegations stressed that there had been no thought of any "deal" in the minds of the citizens' committee

which waited on Mr. Doucett, but pointed out that the county assuming one of the present provincial highways was the only condition on which the province would take over the Madoc road.

"The Highways Minister told us that Hastings did not rate three provincial highways running between No. 2 and No. 7," one of the delegation said.

Strong delegations from the village of Marmora and Rawdon Township were heard. Both delegations approved of the Madoc road being taken over by the province but were definitely opposed to any "trading" of roads, especially when their own No. 14 highway was the one involved.

Marmora Ex-reeves Vincent Lynch and Ralph Neal spoke for the Marmora delegation.

### Rawdon Delegation

Speaking for the Rawdon delegation were Ex-Warden George Thompson, Wilfred Spencer, William Morrison, Lindsay McKeown and William Barlow. Mr. Thompson said that the offer to "switch" roads had been made by the highways department on previous occasions but had never been taken seriously. Mr. Spencer said that trading of roads would seem like "back-tracking."

Provincial member for Hastings West, W. E. Sandercock, said he would do all in his power to assist in having the Madoc road taken over by the department, but at the same time he did not want a road which had been a highway for 20 years to revert to a county road.

"I have to try to protect the people in my own riding," he said. "They expect it."

Mr. Sandercock pointed to the heavy maintenance costs the county would be called on to pay to keep up the Marmora road. Also the road would be heavier travelled because of the Bethlehem Mines at Marmora.

Roscoe Robson, M.L.A. for Hastings East, said county councillors should have the interest of the county at heart and not be concerned about what road was in what riding.

He quoted Mr. Doucett as having said on several occasions that Hastings could have the Madoc road taken over, but that the county must consume one of the two north and south highways. He said the Madoc road was the logical one to be highways as both No. 14 and No. 37 ran into dead ends at No. 7, while the Madoc road served the north part of the county.

R. G. Walsh, general manager of the Deloro Smelting plant and Harold Olsen, manager of Bethlehem Mines at Marmora, spoke in favor of No. 14 being retained as a provincial highway, pointing out that their industries depended on good highway facilities.

### Resolutions Read

Resolutions from 12 northern municipalities in support of one from Madoc asking that the Madoc road be taken over as a highway were read to council. These resolutions had been taken to Toronto by the citizens' committee along with a petition bearing over 1,600 names.

When reeves of municipalities asked why the petition had not been presented to councils of all townships, Warden Kincaid noted that this may have been an oversight by the citizens' committee who had taken on themselves the responsibility of the petition.

Roads and Bridges committee chairman Reeve Percy Moore, felt it was "too big for the county to pass up." He felt that the county could maintain the Marmora road and keep it in good shape. He referred to the heavier maintenance costs which would be necessary on the Madoc road in the future.

### Reeve West

Reeve R. West, of Stirling, asked if the roads and bridges committee had enquired into possible maintenance costs of the Marmora road within the next few years and noted that the highway bridge in Stirling would be due for replacement soon. Also, he said the highways department assumed full maintenance costs through his village.

Reeve Charles Buskard of Deloro declared the decision on the highway question was being placed before the wrong body, and said if the vote was carried out it would cause a split in county council.

"The highways minister should have the intestinal fortitude to make his own decision," he said. "I don't go for this 'now or never' idea. Let us combine our efforts and go to Toronto and tell Mr. Doucett that we are not going to put up with this."

He said the southern part of the county — merits three north and south highways and that he was opposed to any "horse trading" of roads. He added that the country might have difficulty in finding the money to maintain No. 14 highway in its present condition.

"I don't think that I said we would maintain No. 14 to highway standards," returned Mr. Moore.

Reeve Verney Heath, of Rawdon, assured that he wholeheartedly approved of the department taking over the Madoc road but he wanted no trading of roads.

"If the department felt 20 years ago that the Marmora road should be a highway, that is all the more reason that it should still be a highway," he

pointed out.

Reeve Ritchie Wells, of Marmora, complimented the various delegations noting that they had come "with their guns well loaded." He pointed out, however, that because something was wanted desperately was no reason why something good should have to be sacrificed.

Theodore Cooney, deputy reeve of Rawdon, noted the Madoc road question had been discussed many times before, but never with this feeling. He wanted the Madoc road taken over but not at the expense of a trade.

Reeve Harry Morrow, of Sidney, noted there had been no maintenance cost on No. 14 highway presented to council. He noted the hilly terrain made the road a difficult one to maintain and making note of sanding and other costs said started. He approved the Madoc road being taken over but "no horse trading." "Keep what we have and work for something better," he urged.

As a member of the citizens' committee which went to Toronto with the request to have the Madoc road taken over, Reeve Bill Davis of Bangor township said this was the first time Highways Minister Doucett had made a specific offer in connection with the Madoc road. He said no development road was offered and quoted Mr. Doucett as saying that the department would not build a third highway in Hastings until a backlog of 3,000 miles of highway already taken over was built to standard.

Mr. Davis said the highway department was prepared to spend \$50,000 per mile in rebuilding the Madoc road. He urged council weigh the matter carefully in an effort to determine whether it would be advantageous to take over No. 14 highway in order to get the Madoc road.

Reeve Irwin McCoy, of Marmora township was strongly opposed to No. 14 highway reverting to a county road and took exception to roads and bridges committee for their recommendation suggesting this be done.

Reeve Elmer Woods, of Huntingdon as member of the roads committee, assured there had been no favoritism in the recommendation that No. 14 highway be taken over as a county road. Chosen as Delegate

Reeve Fred Mitchell, of Thurlow, said he was chosen to go to Toronto as a member of the citizens' committee. At no time had there been any mention of a "deal" until this was suggested by the highways minister.

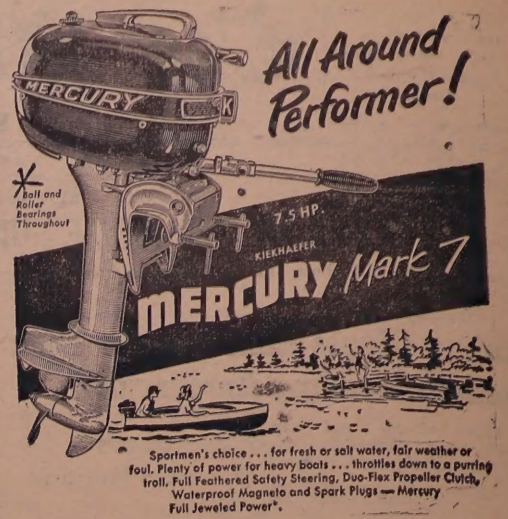

"Mr. Doucett's advice was to take the matter before county council, to forget petty grievances and try to do something for the county," he said. "Perhaps a stronger delegation might do more, but I doubt it."

"We have never had any grievances in Hastings," retorted Reeve Buskard. "Mr. Doucett is introducing one now."

Reeve Theodore Tryon, of Bancroft, said people in the north had been asking for a good road but they did not want it at too great a price or at the expense of their neighbours. He was opposed to taking a highway away from West Hastings.

Warden Kincaid referred to the heavy maintenance costs of the present Madoc road. "It is the best job we can do with the money available, but even at that our maintenance crew is known as the teaspoon gang," he said.

Reeve T. C. Graham, of Tweed, called (continued on page six)

Rosie, the heifer held by Helen Pring of Harriston, Ont., has so far raised \$1,800 towards purchase of a \$70,000 community centre. The heifer was first donated to the committee raising the funds. She realized \$1,500 in a draw, but the winner gave Rosie back to the committee. Then she was auctioned for \$155 and again given back to the committee. So now she is up for sale again with many bidders.

## St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

### Conference Archivist

Dr. James Faulds, Archivist of the Day of Quinte Conference writes regarding the St. Paul's Centennial Year Book. "It is indeed an amazingly complete record most interesting to read and finely arranged and edited."

### Wedding Music

It would seem that there is a danger of getting into ruts where wedding music is concerned. Two of the most commonly used numbers are Malotte's "The Lord's Prayer" (a number which should only be sung as a prayer and never as a concert solo) and D. Hardelots "Because." This is a lovely number but there are many equally fine if not (regarded by some) as much better.

### Some Additional Numbers

Oh Promise Me, by Reginald de Koven; Through the Years, by Vincent Youmans; Beloved It is Morn, by Florence Aylward; The Prayer Perfect, by Ervyn J. Stenson; Oh Fair, Oh Sweet and Holy, by Otto Cantor; O Perfect Love, found in the United Church Hymnary or in sheet form, by H. T. Burleigh; Angels Guard Thee, by Benjamin Godard; When I'm with You, by Carson J. Robinson; Ave Maria, by Schubert is used but should not be used by Protestants unless words approved by Protestants are used; All Joy Be Thine, by Wilfrid Sanderson; Still As the Night, by Carl Bohm; Where'er You Walk, by Handel; At Dawning, by Charles Wakefield Cadman; Wedding Hymn, by Handel; I Walk Beside You, by Alan Murray; For You Alone, by Henry E. Geel; Love's Coronation, by Florence Aylward (a very beautiful number); I Love You Truly, by Carrie Jacobs-Bond.

Some of these are not permitted at a church wedding but may be sung at a reception if desired. Music to be used at a church wedding should always have the approval of the officiating clergyman.

### Choral Weddings

Where a faint music is heard as an accompaniment to a wedding great care should be taken in its selection. Permission should also be obtained for such a service from the clergyman concerned.

### Photo Taking

It is not generally permitted to take photographs of the actual ceremony. Usually the bridal party will pose for such after the ceremony. Nothing should take place at a wedding that in anyway shadows the sealing of the sacred covenant.

### Confetti

No confetti of anykind is permitted within the church building. Only ignorance or thoughtlessness are parties to it. All persons carrying confetti should see that it does not escape from a faulty container inside the church. The English custom of throwing long colored paper ribbons about the bride is much preferred by sextons.

### July 5th

### Old Home Sunday

While no specific invitations have been generally issued, it is expected that all members and friends will invite and entertain former residents next Sunday in Stirling. It is an opportunity to meet former Pastors and occupants of the Parsonage.

### Message From

### Rev. Ralph Barker

"Greetings from Mrs. Barker, the boys and myself on the celebration of the hundredth anniversary of St. Paul's. A church that has been in existence one hundred years has certainly advantages and faces certain dangers. It can command a loyalty that has become traditional and natural, a loyalty which is often lacking in younger churches. The dangers consist on the fact that loyalty sometimes becomes divorced from Christ and centered on the institution as such. It becomes restricted and narrow. Happy is the church which can maintain and intensify the loyalties of the past while keeping them centred on Christ. It is our prayer that such may be the case with you, that you may take with you into the future the best from the past at the same time launching out on new adventures for Christ. To Mr. and Mrs. Baker and the congregation we extend congratulations and best wishes." —Signed Ralph W. Barker.

### Rev. W. J. Scott Writes

"Mrs. Scott and I join with you in the prayer that the observance may be a great blessing to the congregation and all concerned. Of course we shall always cherish the love and friendship we experienced there numbering among our very warmest friends many in the congregation and it would be a pleasure for us to be present to witness to this unending love and to share in the blessings of the occasion."

### July 12th

Bandmaster R. J. Woodley of the famous Tobermore Band has sent copies of such music as gladdens the

heart of everyone who loves the glorious twelfth including, "The Orange Lily O," "Boyne Water," "The Glorious Twelfth" and "King William's March." These patriotic numbers will be heard in the Orange Parade played as volunteers on the flute and piccolo-like stops of St. Paul's quaint organ Sunday July 12th at 11 a.m.

### Silver Trowel

The silver trowel to be presented to I.P.G.M. Fred C. Bateman of the Loyal Orange Order at the laying of the Centennial Stone on July 12th has been received from the silversmiths. All is in readiness for one of the largest Orange Services in the history of the church. It is expected that visitors will be in attendance from many parts. A special service order will be issued.

### Brewer Regrets

In the June issue of the Temperance Advocate published by the Ontario Temperance Federation appears a letter from W. J. O'Meara, Acting Under Secretary of State dated Ottawa, May 20th, advising that the advertisement of certain brewery and distilling products featuring a picture of Her Majesty the Queen have been withdrawn by the company as a result of widespread protests and the company expressed regret for its use.

### Quin-Mo-Lac Camp

The Summer School for Young People will be held from July 25th to August 1st. The leadership camp for Young People will be held August 1st to August 3rd.

### Public School Graduation

We were invited to the Stirling Public School Graduation exercises last Wednesday. We understand this

is an innovation in Stirling. It undoubtedly has merit and should be carefully studied by our educational authorities.

The graduating class were creditable in appearance and deportment. The valedictorian, Miss Eleanor Stapley, gave an address that would have honoured a Secondary School graduation. The address of the High School Principal, Mr. J. L. Good, was brief and replete with wisdom born of experience.

### Commendation

The Principal graciously acknowledged the work of his teaching staff who were present. Many of the graduates had never attended another school.

### Our Observation

Promotion exercises are finding more prominence in our Sunday Schools and possibly the movement will expand to apply to all public and secondary school promotions.

We feel that emphasis should be laid upon the idea of promotion rather than graduations as it is only a matter of a few years when our present school divisions will disappear. The word graduation might be reserved for those leaving Secondary Schools.

### The Time

Possibly an evening hour would enable more fathers and citizens generally to be present. It would also enable all citizens to greet staff members. Save for the Principals and the Clergy who are specially interested in the welfare of children there were no other men present.

### Prayer

It is our view that all such exercises should include the invocation of Almighty God. We said a silent prayer

for these young people who will enter High School in the fall. We also feel that all such occasions should include the National Anthem and the unfurled flag on the school flag staff. The trustees were conspicuous by their absence.

Principal Stewart has made an innovation here that has much to commend it and he is to be commended for his initiative. The whole matter should be carefully studied in consultation with the Department of Education and the Inspector.

# More for your money...

# It's better business to buy Chevrolet Advance-Design Trucks

Here are a few things we think are worthy of your consideration before you buy your truck.

In 1953, Chevrolet trucks are more rugged, have huskier and more rigid construction than ever in the past. This means longer truck life and lower overall costs to you.

You'll find the increased horsepower

and higher compression ratios of the four great valve-in-head engines bring you greater power, greater stamina, greater performance, greater ability to do the job. You'll find that means faster acceleration, greater ability to climb the steepest grades. And you'll find a wonderful gain in gasoline mileage, too!

As any owner of a 1953 Chevrolet

truck knows, these are the sturdiest, most powerful trucks Chevrolet has ever built. In every load range, they have proved themselves to be the world's leading money-makers on any hauling job. Before you buy, drop in at our showroom and talk things over. Let us show you why it's better business to buy Chevrolet Advance-Design Trucks.

#### At The Allan School

The following address was read by Miss Eleanor Smith and Miss Marilyn McConnell presented the teacher, Miss Lamoine Post with a suitable gift.

Dear Teacher:  
It is with sad hearts we say "good-bye" to you and our fellowship together as teacher and pupils. We know we have often caused you worry because of our thoughtlessness and we hope you will forgive us. Education is more than book-learning. It is building character, putting into young lives the things that make life worthwhile.

You, Miss Post, have set us such an example of Christian love that we cannot help but profit. You have kept before us always true Christian principles and we will be better men and women of the future because of

your example and teaching.

We pray that God's Blessing may rest upon you wherever you may go. Please accept this little gift, a token of our love for you, trusting it may sometimes remind you of your pupils of Allan School.

Miss Post graciously thanked the pupils for their kindness to her.

Mrs. N. E. Eggleton, Mrs. Roy Thrasher and Mrs. Frank Jeffs spent a day last week with Mr. and Mrs. Ross Hoard who are camping in the Kawartha Lakes district.

Mrs. Percy MacMullen and Mrs. Sid Williams were guests at the Past Grands Club held last Wednesday at the home of Mrs. Carl Clancy.

Mr. and Mrs. Kenneth Stapley and family, of Hamilton, are holidaying with Mr. and Mrs. G. W. Hagerman and Harold.

### Petherick's

At Edgewater Park on Tuesday evening of last week a large gathering of friends and relatives met in honour of the bride and groom, Mr. and Mrs. Claire Irvin. Numerous gifts were presented to them along with occasional chairs, stand and lamp by the Zion Church and a studio couch by Burnbrae friends. The evening was spent in dancing to music by the Archer's Orchestra.

On Thursday evening about 200 friends and neighbors of Mr. and Mrs. Lindsay Anderson and Linda and Mr. Geo. Anderson met in the Sentinel Hall, Petherick's Corners, to bid them farewell prior to their leaving for their new home at the Massey-Harris farm at Millikin, Ontario, where Mr. Anderson has accepted a position as herd superintendent of the Holstein herd at the farm. Mr. and Mrs. Anderson will be greatly missed in the community and their faithful activities in the church. Mr. Anderson was teacher of a large intermediate class and also a Steward on the Church Board. He also took a great interest in the Young People's work of the Church and community. Mrs. Anderson was a teacher of the Junior Class of the Sunday School and President of the Woman's Association.

Rev. G. Whitehorn was chairman for the evening and after a short programme, Mr. and Mrs. Anderson, Linda and Mr. Geo. Anderson were called to the platform and following an address read by Mr. Aylmer Petherick, Mr. and Mrs. Anderson were presented with a studio couch; Linda with two bedroom lamps and Mr. Geo. Anderson with a purse of money.

They thanked all for the gifts and extended an invitation to visit them in their new home. After singing, "For They Are Jolly Good Fellows" and "The Queen," lunch was served and dancing enjoyed by the young folk.

### Minto

The ladies of St. Thomas W.A. entertained St. Mark's, Bonarlaw W.A. on Wednesday of last week. Dinner was served to 25 members and a quilt was completed. During the afternoon, the president welcomed the ladies of St. Mark's personally and on behalf of the ladies. Prayers were repeated, led by Mrs. L. Tanner. Mrs. Everett Sine read two appropriate poems and Mrs. Ed. Colden sang a solo. Mrs. Ward McNulty, President of St. Mark's, and Mrs. Everett Heath, Past President, spoke briefly, thanking St. Thomas for their invitation and enjoyable day and extended an invitation to visit them in the near future. Mrs. L. Tanner thanked everyone who helped to make the day so successful. The meeting closed with prayer, after which Mrs. W. J. Tanner expressed appreciation to the hostess.

Sympathy of this community is extended to the family and relatives of the late Albert Clements, of Ivanhoe, who passed away on Monday night.

Sunday guests of Mr. and Mrs. Will Wright were Mr. and Mrs. Bill Warren, of Kingston; Mr. and Mrs. Geo. Wood and family, of Ivanhoe, and Mr. and Mrs. Gladstone Parks, of Oak Lake.

Mr. and Mrs. Wilbur Bateman and family, of Tweed, spent Sunday with Mr. and Mrs. J. B. Hagerman.

Congratulations are extended to Mr. and Mrs. Ivan Saries on the arrival of a baby girl on Monday.

Mr. and Mrs. W. J. Tanner were supper guests of Mr. and Mrs. Lindsay Tanner on Sunday.

The teacher, Mr. Gordon Reid, and pupils of S.S. No. 19, accompanied by Mr. J. Rutherford and pupils of Plainfield School enjoyed a bus trip to Toronto on Tuesday of last week.

Mr. Percy Wood entertained Mr. and Mrs. Phil Vance at his cottage near Madoc recently.

Livestock and poultry losses to marauding coyotes are reported increasing each year in western Canada.

The Scripture Reading was given by Mr. Mac Saries and he also gave an exposition of same. Mrs. R. Sills contributed a reading. Misses Lois Cooke and Marilyn Fitchett gave a duet. Mr. H. R. Burke introduced the guest speaker, Rev. W. Tyson, of Ivanhoe, who gave a fine address on the subject, "Do We Need A Revival." An appreciation of the class to Mr. Tyson was given by Mr. P. Carr. Following the benediction, Mrs. Saries served refreshments.

Gerald Donnan of the RCAF, Claresholm, Alberta, is home for a month's holiday.

Congratulations to the residents of Elm Street. Visitors along this street have noted many fine improvements. Mr. Goldie McIntyre has treated all his buildings to a fine paint job. Mr. John Wallace has erected a beautiful garage and lovely lawn fence and also has had his buildings painted. Mr. Vincent Farrell, one of the progressive farmers in this locality, has brought his farming more up to date this year by storing his hay in a trench silo. Mr. Wm. Fitchett, who resides at the end of this street, is also rated as one of the up-to-date farmers.

Mrs. Cora Weettestrand, of Swift Current, Sask., spent a few days recently with her cousin, Mrs. Goldie McIntyre.

Cottage Prayer Meeting was held on Wednesday evening at the home of Mrs. Wm. Bray. Mr. Earl Wannamaker gave the special address, which was much appreciated.

I wish to express my sincere ap-  
preciation to the school board, par-  
ents and to everyone at Wellman's  
Corners who have helped me in so  
many different ways during my years  
of teaching there. A special thanks  
for the lovely gifts which will help me  
to remember the time spent at S.S. No.  
8. "Thanks again."

## CARD OF THANKS

Mrs. Edgar Morrow wishes to ex-  
press her sincere thanks to neigh-  
bours, friends and relatives for re-  
membering her in so many ways while  
a patient in hospital and since return-  
ing home. 31-1

## CARD OF THANKS

Words cannot express our apprecia-  
tion to all our neighbours who called  
to express their congratulations and  
good wishes to us on our 40th anniver-  
sary on June 25th; also for the beau-  
tiful gifts. A sincere "thank you" to all.

## Allan's Mill

Mr. and Mrs. Clarence Anderson  
spent the week-end with Mrs. H.  
Rutherford and Mrs. L. Anderson.  
Mr. and Mrs. A. Holland and son, of  
Havelock, visited Mr. and Mrs. John  
Stewart on Sunday.

Mr. and Mrs. Fred Steele and fam-  
ily returned to their home at Sud-  
bury after visiting Mr. and Mrs. Reg.  
Burkitt.

Mr. and Mrs. W. J. Barlow and Mr.  
J. S. McKeown motored to Hamilton  
and spent Sunday with Mr. and Mrs.  
Russell Rowe.

Mr. and Mrs. Revard, of Coniston,  
returned home in Monday after visit-  
ing Mr. and Mrs. Wm. Burkitt for the  
past week.

Mrs. C. N. Baker, of Hamilton, is  
spending this week with Mr. and Mrs.  
A. Burkitt.

Friends were sorry to hear of the  
death of the late Harold Rutherford  
of Allan's Mill, who passed away at  
his home in Friday afternoon. The  
funeral was held on Monday afternoon  
at his late residence. Rev. H. E. Beare  
conducted the service. He is surviv-  
ed by his widow, two sons, William, of  
Rylstone and Allan at home. Interment  
was made at Rylstone Cemetery.

Mrs. Bert McCoy returned home on  
Saturday after spending four weeks  
with Mr. and Mrs. Jack Rombough, of  
Pasadena, Calif. Mr. and Mrs. Rom-  
bough accompanied Mrs. McCoy home  
and will visit relatives here.

## Wellman's

Mrs. Harold McCracken and Mr.  
Cecil Macklin, of Roseneath and Mr.  
Milford Macklin, of Toronto, spent  
Sunday with Mr. and Mrs. Victor  
Graham and family.

Mr. and Mrs. Jack Dunham, Mr. and  
Mrs. Clarence Dunham, Mr. and Mrs.  
Byron Seeley and Mrs. Charles Dunham  
attended the Bailey — Stapley  
wedding in Belleville on Saturday.

Mr. and Mrs. Hilton Graham, of Har-  
wood, spent the week-end with Mr. and  
Mrs. Victor Graham and family.

## Rylstone

We extend sympathy to Mrs. Albert  
Reid and family in the loss of a daugh-  
ter, Mrs. Andrew (Lily) Varney, of  
Toronto.

Several from here attended the  
shower for Mr. and Mrs. Claire Irwin  
at Edgewater Park last week.

Visitors at the home of Mr. and Mrs.  
Wilfred Spencer over the week-end  
were Mr. and Mrs. Jim Smith, Mr. and  
Mrs. Phil Bazinet and sons Doug and  
Mickey, of Weston. Mickey stayed for  
a few days holiday with his cousin,  
Freddie Spencer.

The Woman's Institute will hold  
their July meeting at the home of Mrs.  
Wilfred Spencer on July 3rd. Owing  
to the holiday it was postponed for 2  
days.

The teacher and pupils of the 9th  
Line School enjoyed a bus trip to Old  
Fort Henry, Kingston, on Friday. Mrs.  
Fred Petherick and Mrs. Percy Reid  
also accompanied them.

The pupils of the Union School and  
their parents and teacher, Mrs. Cora  
Reid, held their annual picnic at the  
Crowe River Bridge on Wednesday.  
Mrs. Reid awarded prizes to those  
making the highest marks. A good  
lunch was enjoyed and the rest of the  
afternoon was spent in games and  
swimming.

The 9th Line pupils and their par-  
ents and teacher, Mrs. Delbert Sine,  
held their annual picnic at Oak Lake  
on Wednesday night.

The funeral of the late Harold  
Rutherford, of Stanwood, was held at  
his home on Monday, with burial at  
Rylstone Cemetery. Mr. Rutherford  
attended Rylstone Church for many  
years and for several years was Supt.  
and Teacher in the Sunday School. We  
extend our sympathy to his son Will  
and his wife and daughter Miriam.

## Hermiston's

Emergency calls at side door — We live above the store  
PHONE 320 — HOUSE OR STORE

Hello Homemakers! Like mother, like daughter — so, we continue to put down sealers or fruit and odd-sized jars of jams and jellies. Isn't there a glowing pride of satisfaction with cupboards stocked with your own home-canned fruits.

Now be a careful canner. To be a homemaker who prides herself on not having failures, you have to follow the rules carefully. Like-wise good canning demands good-quality jars and new caps or rubber rings. Then, be a good nurse when it comes to thorough cleanliness of equipment and sterilization of jars, funnels and spoons.

As for the foods you store emphasis must be put on freshness and flavour, for there is no more flavor in a jar of canned fruit than was in the fruit originally. We recommend the

boiling-water-bath method as the most satisfactory for fruit which was mother's method. You can buy a water-bath canner or improvise one from any kettle, deep enough to cover the jars with an inch of water. Heat the water to boiling while the hot syrup is being poured over fruit. After lowering jars carefully into kettle begin to count the processing time when the water boils again. Remove jars immediately at end of cooking time. Leave right side up to cool.

#### TAKE A TIP

1. For canning fruit sweeten with a syrup made by boiling measured quantities of sugar and water for 1 minute.
2. One cup of sugar and 2 cups of water makes 2½ cups thin syrup which is ideal for small sweet fruits. One cup of sugar and 1 cup

water makes 1½ cups medium syrup which should be used for tart or large fruit.

3. Allow 1 to 1½ cups of syrup for each quart jar of small fruit; 1½ to 2 cups for each quart large fruit.
4. Precook large fruits in syrup before processing. The scalding helps to store more servings in a jar and ensures quick processing. However, raspberries and other soft berries may be packed raw, then covered with hot syrup before processing.

5. Be sure to leave ½ to ¾ inch space in the jars and before sealing work out air bubbles by running a clean knife down and around the inside of each jar. Gently press fruit to cover with syrup as exposed parts tend to darken.
6. Seal jars carefully. Remove any specks of food from rim by wiping with a clean cloth; partially seal spring-top and screw top sealers, completely seal vacuum type jars.

7. Cook or process fruits and tomatoes in a hot-water canner by partially filling kettle with hot water. Lower jars into kettle then add hot water to cover them.

8. Watch the clock or set the minute minder for processing period, then remove jars of fruit from hot water and cool on pads of newspaper out of a draft. Turn or adjust tops for a tight seal.

9. When cool (about 2 hours) invert screw band type jars or tap the tops of mason type jars to check for any leakage.
10. Store jars in a cool dark place.

#### TO BOTTLE FRUIT JUICE

Crush soft, fresh fruit with potato masher. To 3 pints berries, add 2 cups medium syrup. Let stand 2 hours. Heat over a pan of hot water. Let cook 15 or 20 minutes.

Pour hot fruit into a cotton jelly bag and press immediately. Reheat the juice to steaming point then pour into sterilized jars or bottles, being sure to fill to rim. Adjust tops or corks

and seal tightly. Immerse bottles in hot water for 20 to 30 mins., depending on whether pints or quarts. Cool bottles in lukewarm then cold water.

Cooking Time for Fruit in Jars (packed with hot syrup)

- Cherries (Sweet or Sour) in Water-bath 25 mins.
- In pressure canner, 10 mins.
- Gooseberries — in water-bath, 15 mins.
- In pressure canner, 8 mins.
- Raspberries — in water-bath 20 mins.
- Peaches, Pears — in water-bath, 15 mins.
- Tomatoes — in water-bath, 20 mins.
- In electric oven of 275, 30 mins.

#### THE QUESTION BOX

Mrs. W. K. asks: How can I prevent strawberries from floating in sealed jars?

Answer: Some fruits contain air and float. If strawberries are left in syrup for 3 or 4 hours before processing they should not float. Other fruits as well as strawberries may float to top of jars if over-cooked or packed in heavy syrup.

Miss M. C. asks: How can I prevent air space in top of canned fruit?

Answer: When the water-bath container is not deep enough to allow jars to be covered with an inch of water, the juice will boil out during cooking. If canned in the electric oven the jars may be placed too low in the oven causing boilovers from jars.

Mrs. K. M. asks: What causes blueberries to lose color?

Answer: Blueberries and other soft fruits tend to lose color if pre-cooked too long or if fruit was not ripe. All fruit canned without sugar tend to lose color.

Mrs. S. B. asks: What has happened to fruit which darkened at the top of jars?

Answer: Raspberries and some other fruits may have been packed with too little syrup. If air bubbles have not been worked out with a knife this will cause top fruit to blacken.

## Church Ushers

(By Rev. A. E. Baker)

Ambrose Clark, founder of the Church Usher's Association, said, "Your ushering is the art of making the church member and the visitor feel comfortably at home and of lending spiritual dignity to the whole church service." The first impression strangers receive on entering a church is usually from the ushers.

#### Personal Appearance

Ushers' clothes should be neat and dignified. All should be dressed as nearly alike as possible. In the U.S.A. a carnation in the buttonhole is a very common means of identifying an usher. Bachelor buttons are also worn on occasions and at Easter some churches use gardenias. Some churches use a medallion, ribbon or barge. Shoes should be of one color.

#### Department

Ushers keep silent except when it is absolutely necessary to speak. Regularity and punctuality are essential. Ushers unable to be present should always notify the Chairman of the Ushers and advise who is acting for him. Two ushers should always be on hand 30 minutes before the service and all by 15 minutes before. An usher who arrives at five minutes to the hour is next to useless. Ushers should always walk quietly.

#### Courtesy

Each worshipper should be met with a smile and friendly good morning or good evening. Every usher should be patient and forbearing even under provocation. Ushers should be familiar with the "front door defense" and the "triangle movement."

#### Seat Location

Subject to seat reservations front seats should be filled first so that late comers may be cared for with the least possible disturbance. In some churches rear seats are ribboned off until the front section is well filled. Late comers should not be permitted to enter except between certain orders in the service. It is very bad form to enter either during a prayer, anthem or solo.

#### Exits

Ushers should channel the congregation leaving the church so that two or three persons will not create a "road block" in the entrance way.

#### Cars and Parking

Ushers should assist if necessary in unloading cars and directing parking arrangements. Parking directly opposite the entrance is usually a breach of traffic and fire regulations.

#### Aisle Technique

Usher everyone except where observation reveals a worshipper with a preference to find his seat alone. Persons hard of hearing and the aged should be given special consideration. Mothers with infants or very young children should be seated near an exit.

In ushering a blind person always remember that a blind person prefers to take the usher's arm. The usher should walk a few inches in advance of such a one.

#### Seating

In some churches the ushers take positions in the aisle and indicate sittings as worshippers enter. This is called the "fixed post" method in others the usher moves from entrance to seat. This is known as the "shuttling" method. A combination of both is often most effective.

The "shuttling" method requires that the usher know the number of vacancies in each seat. It requires worshippers to wait at the entrance until an usher is available. The "fixed post" method enables the usher to always face the incoming worshipper. It also minimizes aisle movements and fills in sittings systematically.

In ushering an usher should place his hand on the back of the pew in front of the pew which is to be occupied. This method also can be used to attract forward a shy or undecided worshipper.

Ordinarily once people are seated they should not be disturbed. Choice sections of a church should not be reserved as a rule. Five persons should never be placed in a sitting for four. A wise usher will size up the space required for a group. This will often vary according to the age, season or weight.

#### Aisle Seats

Persons sitting next to an aisle will generally arise and step out to allow others to enter the pew. A few thoughtless persons will simply have to be climbed over.

#### Signals

In large congregations inconspicuous signals are used to indicate the number of sittings available, if a hearing aid is required or that a seat is occupied.

#### Offering

Where plates are passed straight through the centre aisle ushers should always begin with seat number one and the wall-side ushers with seat number two. The half-way method of receiving the offering is only used when worshippers are few.

If a plate is accidentally dropped a spare plate should be available to carry on with while the contents of the plate are recovered — a spare usher attending to this matter. The single end collection is sometimes used.

#### Offertory Processional

Usually the short men are placed in front. The leading men set the step for those who follow. About three feet should separate the ranks. Always step off with the left foot. Ushers should form a line to the right and left of the first two ushers and reform to return to the back of the church after the Prayer of Thanksgiving. Ushers should only go to their personal sittings during the singing of the next hymn.

#### Administration

Ushers are counselled to hold a short prayer meeting before going on duty.

A primary requisite for a good usher is the love of his fellow men. Where programmes are issued they

should be handed to the worshipper as he enters the pew and not at the church entrance. Likewise hymn or prayer books should also be issued. Frequently these are to be found in church book racks.

Late comers are frequently seated during the singing of a hymn in which case they should be provided with a hymn book open at the hymn being sung.

#### Communication

A buzzer should be supplied the minister and organist so that ushers will know when to come forward with the offering. It is bad form to move up during a voluntary or anthem. A buzzer may also be used to call an usher to the pulpit in an emergency.

Some reference will be made to special problems also special services in a later issue of the News-Argus.

## Trenton Centennial In Full Swing Opened Sunday

Found as a settlement in 1790 by the United Empire Loyalists and incorporated as a village in 1853, Trenton started week-long centennial celebrations on Sunday.

Trenton's 10,000 residents living within earshot of the jet planes of the biggest RCAF station in the country, will recall this week the simpler pioneering days of 1853 when the settlers refused to allow their community on the north shore of Lake Ontario to be called Fort Trent, Fort Trent or Trent Port and decided simply on Trenton.

The festivities opened Sunday with special services in all churches and a parade of boy scouts and girl guides. The RCAF Training Command Band held the first of its nightly concerts.

## Roads Minister To Meet County Council Over Road

(continued from page two)

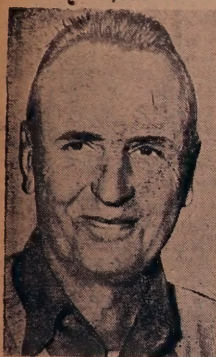

ed the whole discussion "confusing" and suggested that if the council could not find the answer, then members of parliament and the road engineer might.

Reeve Clarke Rollins, of Wollaston, felt the discussion was "confusing and misleading." As one of the men responsible for getting the citizens' committee organized, Mr. Rollins said there had been no suggestion of any alternative or trade in the request to have Madoc road taken over.

Following was a general discussion regarding some procedure that might be followed to have the matter fully explored with a report to be made at the next regular session of council.

A short recess was called during which time Warden Kincaid telephoned Highways Minister Doucet and obtained the promise from Mr. Doucet that he would attend a special session of council to be held in the near future.—Ontario Intelligencer.

## 7,000 VISIT NEW-STYLE ONTARIO DAIRY FARM

—Central Press Canadian Photos

Mervyn Shantz, dairy farmer of Alma, Ont., was host to 7,000 other farmers who came to see his new style barn and dairy methods he has practised since his old barn burned to the ground last September. Instead of building the typical, tall, expensive structure other farmers have, Shantz spent \$4,000 on a loafing stall, which is nothing more than a roof enclosed on three sides. He says he never had healthier cattle.

The Ontario department of agriculture staged the show at the Shantz farm to demonstrate to the visiting dairymen the progress made in dairy farming. The one vital link in milk production that can't be mechanized is shown by Marie Kozak of Alma.

## NEWS FOR THE BUSY FARMER

### O.P.A. PRIZE LIST TOTALS \$15,000

Entrants in the International Plowing Match will be competing for \$15,000 this year it was indicated by F. A. Lashley, Secretary-Manager of the Ontario Plowmen's Association, announced that the prize list in that amount had been approved by the Association.

In addition to generous cash prizes several valuable trophies will be awarded, as well as educational trips to winners in certain classes.

The prizes will be awarded during the "International" which is being held on the Durham-Northumberland Counties Home Farm between Port Hope and Cobourg, October 6th, 7th, 8th and 9th.

In addition to the ever popular "International," further interest has been stimulated this year as the first "World" match, held under the auspices of the World Plowing Organization, will be held during the period of the Match. Several countries have already announced their intention of sending competitors to the Match.

First day of the International will get under way with two important classes scheduled to be run off. Ontario Championship Class will attract a large number of entries and interest on the part of spectators. Another big feature of the first day will be the running off of the "Mayor's Class" which will see Mayor Allan Lamport, of Toronto, defending his title against an increased field of Chief Magistrates who are out to wrest the title from urban Toronto.

With schools closing, Ontario Secondary School pupils will now have time to polish up their plowing technique in preparation for the Inter-Secondary School class set for October 8th.

With the view of stimulating interest on the part of the young plowmen, the Association has set aside a substantial sum in prizes. In addition to the first prize, Canada Packers Ltd. trophy and two watches, some \$326.00 has been earmarked for the paying of a second prize of \$48.00 down to \$20.00 for the student who finishes in 10th place.

Information reaching the Plowmen's Association is to the effect that the class will see a record number of entries with keen competition between the schools of the province.

## Health and Vitality Abound In Ontario Fruit

This is the season of the year for which we have all been waiting — a time when stores and markets are fairly bursting with colorful appetizing home-grown fruits and vegetables.

Whether eaten raw or served in pies, shortbreads, etc., Ontario fruits are delicious and Miss Margaret Myer, Home Economist of the Ontario Department of Agriculture, has suggested a few ways in which they may be used.

Everyone enjoys fresh strawberries or raspberries with cream. Use them also in fruit cocktails, add them to

your morning cereal and make them the eye-catching ingredients of fruit salads for lunch or supper.

For desserts to please the men of the family, nothing can surpass fresh fruit pies. Serve them often! Fruit tarts are also favorites and for a change, try spreading baked tart shells with softened cream cheese topped with fresh strawberries, raspberries or cherries. The fruit may be glazed with melted jelly, which adds to its attractive appearance.

At the mention of shortcake we naturally think of strawberries. Why not prolong the shortcake season by using raspberries or cherries as they arrive on the market?

As well as being delicious addition to the diet, fresh fruits contain a great deal of food value, including vitamins and minerals. Vitamin C (ascorbic acid), one of the vitamins we need every day, is found in strawberries. While they are in season, a serving of strawberries can replace a serving of citrus fruit in our daily meals. For those of us who have to watch our waistlines, fresh fruits also provide tasty, low calorie desserts.

With fruits at their best, now is the time to prepare them for winter use. The Ontario Department of Agriculture has prepared two booklets, "Canning Ontario's Fruits and Vegetables," and for those who use frozen food lockers or home freezers, "Frozen Foods." Both booklets may be obtained free by Ontario residents by writing to Statistics and Publications Branch, Ontario Department of Agriculture, Parliament Buildings, Toronto.

## Quadruplet Calves

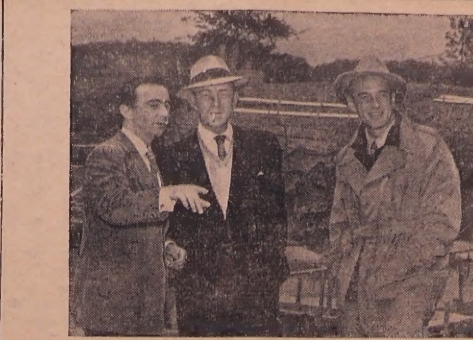

Since quadruplets are still less common in the bovine than in the human world, the news that a three and a one half year old second calf Holstein heifer, owned by Joaquin Pereira & Sons, Hopetown, Calif., gave birth to quadruplet calves is news in itself. However, the fact the quadruplets were the offspring of two different bulls makes this a most unusual case indeed.

J. F. Meyer, the attending veterinarian declared, "two bulls were involved, each fertilizing an egg in each uterine horn. Therefore we have two sets of twins from one mother at the same time."

## Mayor's Class To Be Keen Contest At International Plowing Match

No strangers to ballot-box battles in the past, several Ontario Mayors are going to find themselves in one of the keenest contests of their municipal lives next October when, with the International Plowing Match as the arena, they will endeavour to settle once and for all who is the most "down to earth" Mayor in Ontario.

With Mayor Allan Lamport of Tor-

STRATFORD FESTIVAL

Among the top Canadian actors selected to take part in the first Stratford (Ontario) Shakespearean Festival in July are Eric House (left) and Bob Christie (right), pictured above with Alec Guinness who will star in

onto announcing that he will defend his "championship," which he won by defeating Mayor Charlotte Whitton of Ottawa last year, several other Chief Magistrates have announced their intention of returning the trophy to more "representative" communities.

Widespread interest in the event was indicated when Mayor Grace McFarland of Leamington informed F. A. Lashley, Secretary-Manager of the Ontario Plowmen's Association, that she had issued a challenge to Mayor J. D. Burnet of Cobourg; Mayor Burnet was challenged as representing the "home team" as the match will be part of the International meet to be held on the United Counties Farm between Port Hope and Cobourg, October 6th to 9th. It is expected that Port Hope will have a municipal entry in the event.

Mayors who have already indicated their interest in westling the trophy from Mayor Lamport include Mayor McFarland; Mayor Burnadette Smith, of Woodstock; Mayor Whitton, who will seek to improve her "runner up" position and Mayor Burnet, of Cobourg.

In addition, as next year's International Plowing Match will be held in Waterloo County, it is anticipated that the Majors of Guelph, Kitchener and Waterloo, will enter the Cobourg event if only to gain experience before they are called upon to perform before their home folk.

Wire-spread interest in this year's Match, which will witness the first "World Contest" sponsored by the World Championship Plowing Organization at which several countries will compete, is evident from the letters being received by the Plowmen's Association seeking information and entry forms.

The Cobourg contest will also have an inter-provincial aspect for the President of the Portage la Prairie Plowing Match has announced that two winners at the Portage Plowing Match will be sent to Ontario to compete at Cobourg.

### Rangers Busy On Improvement Projects

Preliminary work on the new Chief Ranger Headquarters at Dacre gets underway next week with construction of the main office and warehouse building planned for completion this season.

The site lies a short distance west of the village on Highway No. 41 where sufficient space is available for fire protection purposes and other requirements of the Department. Present plans are to complete the headquarters by the end of next year, including construction of a district garage and workshop building, hose drying facilities etc.

A number of other improvement projects will be carried out by ranging staff during the coming season including installation of plumbing and enlargement of the office at Bancroft, several new bathhouses and repairs to roads and lookout towers.

### Large Number of Brant Observed In Prince Edward County

This spring an unusual flight of Geese moved north through Eastern Ontario to their breeding grounds on the Hudsons and James Bay watersheds. Most of these Geese were Canadas but of particular interest to naturalists and officials of the Department was an unusual flight of Brant Geese. These little Geese which only weight from 2½ to 4 lbs. winter on the Atlantic coast and breed in the Arctic. They go as far north as any birds nesting along the north coast of Greenland and around the shores of the Canadian Arctic Islands.

Normally only a few birds straggle into Lake Ontario on their northward flight in spring, but this year large flocks were reported and officials of the Department counted as many as 200 in a single bunch.

Since their breeding grounds thaw

## WORK ALREADY STARTED ON ST. LAWRENCE

While top-level political figures confer on U.S. participation in the construction of the St. Lawrence seaway project, engineers and workmen go about their work as though agreement had already been reached and the project already scheduled for construction. Camps for working gangs are being built, roads are under construction, new town sites being surveyed. Here is one of the 70 gages along the St. Lawrence whose mighty flow will be harnessed for electric power by that project.

## "JUNIOR JUMBLE"

News of Interest to Hastings 4-H and Junior Farmer Clubs

(By J. Allen Francis)

Careless practices on the farm and in the home can cause death, and injury. This was stressed in a film, "The Miracle of Paradise Valley" at a meeting of the South Hastings 4-H Tractor Club on Monday, June 22nd, in the Agricultural Office, in Stirling. The film showed that accidents do not just happen, but are caused through carelessness.

Ralph Gregg, Agricultural Engineering Fieldman was in charge of the meeting and gave an interesting and informative lecture on ignition systems. Mr. Gregg discussed the types of ignition systems found on the farm tractor, their operation and maintenance. The regular tractor club meetings stress the proper care, maintenance and operation of the farm tractor, and anyone interested is invited to attend.

### 4-H Clubs Hold Joint Meetings

(by John Craighhead)

On June 23rd, at the Ivanhoe Township Hall, the Grain Club, Grain Corn Club, Swine and 4-H Calf Clubs in Hastings County held a joint meeting. At this meeting, shortly after eight o'clock and film was shown, "Feed- ing Livestock," followed by a dis-

cussion on the value of feeds for dairy cattle and swine. There was instruction given on judging grain and club members judged one class of oats, wheat and barley.

At the meeting, the delegates representing the Young Farmers' Clubs of Great Britain were introduced. Miss Elizabeth Bush is from Knoll House Farm, Edenbridge in Kent. Mr. James Muir is from Fowle Green Farm, Comondale, in North Yorkshire.

The meeting concluded with a film on feeding swine, for better bacon quality. At this meeting, there was a very good turn out with about one hundred members their parents and friends.

### Hastings Junior Farmers To Hold Field Day

The Hastings County Junior Farmers' Association will be holding its annual Field Day at Frankford on July 15th. At this Field Day the six Junior Farmer Clubs and four Junior Institutes will represent the Hastings County Junior Farmers at the Quinte District Field Day, to be held at the Ontario School for the Deaf at Belleville on Wednesday, July 22nd.

The events at the Field Days will be girls' softball, boys' softball, 100 yard dash for boys, boys and girls softball throw, 75 yard dash for girls, relay races, high jumps and tug-of-war. A new feature of the Field Day will be a shoe kick for girls.

#### SHORTEN — DANIELS

Before a lovely background of assorted white flowers, blue delphiniums and ferns in Foxboro United Church, on Saturday, June 27th, at 2:30 p.m., the Reverend Roy E. Webster, of Orillia, united in marriage, Marion Lois Daniels, of Foxboro, daughter of Mr. and Mrs. Joseph William Daniels, to the Reverend Arthur Lloyd Shorten, of Toronto, former pastor of the church and son of Mrs. A. F. Shorten, of Harrowsmith, and the late Reverend A. F. Shorten.

The wedding music was rendered by Mrs. F. E. Forsyth, of Orillia, and the soloist, Miss Loretta McDougall, of Belleville.

The bride, given in marriage by her father, was radiant in her bridal gown of white Chantilly lace and nylon net over taffeta, fashioned with molded bodice, pointed at front and back, and having a Sweetheart neckline and

short sleeves. The gracefully full skirt was accented by a front panel outlined by matching scalloped applique Chantilly lace which also extended from the front around the hipline to the chapel train. Her three-quarter length veil of tulle illusion, edged by scalloped Chantilly lace, was held by a heart-shaped halo brim of matching lace over satin. She wore elbow-length mitts of Chantilly lace, and carried a white cascade bouquet of calla lilies, stephanotis and feathered carnations.

Miss Helen Way, of Toronto, was maid of honor, and little Miss Beverly Green, of Stirling, was flower girl. Both wore light blue embroidered organza. The former was made with fitted bodice and full floor length skirt and the latter with double ruffled floor length skirt caught up at intervals with tiny rosebuds. They carried matching picture hat baskets of organza filled with Sweetheart roses and small white flowers, while matching headresses completed their ensembles.

The Reverend Robert K. Shorten, of Seven Islands, Quebec, brother of the bridegroom, was groomsmen, while Mr. Donald Scott, of Stirling, and Dr. J. K. Beach, of Frankford, acted as ushers.

The reception was held in the church hall, where the bride's mother, attired in rose sheer and lace with corsage of white roses received. She was assisted by the bridegroom's mother, who wore blue sheer and lace with a corsage of American Beauty roses.

For the wedding trip to the Adirondacks and Eastern Quebec, the bride chose a blue rippled taffeta dress with grey accessories and corsage of pink Sweetheart roses and stephanotis. The Reverend and Mrs. Shorten will reside in Peterborough, where the bridegroom will be the minister of St. James United Church.

Out-of-town guests were present from Toronto, Orillia, Quebec, St. Thomas, Stirling, Belleville, Frankford, Harrowsmith, Kingston, Oshawa, Copetown, Bloomfield, Whitney and Uxbridge, Ontario.

#### STAPLEY — VARDY

Standards of pink and white stocks, spirea and formed the background for a very pretty wedding in Grace Chapel, Stirling, on Saturday, June 6th, when Irma Jane, youngest daughter of Mr. and Mrs. Herman Vardy, of Stirling, became the bride of Mr. Samuel George Stapley, youngest son of Mr. and Mrs. Nelson Stapley, of Stirling. Mr. V. E. Beich, of Belleville, officiated.

The bride, given in marriage by her father, looked lovely in her floor-length gown of white nylon taffeta. The full skirt was gathered to a fitted, scalloped bodice with lace yoke and long, fitted sleeves ending in lily points over the hand. Her fingertip veil of imported French illusion was held by a halo of lace over taffeta. She carried a colonial shower bouquet of Briarcliffe Roses, lily of the valley and white sweetpeas with tiny roses cascading down the white satin streamers.

Her bridesmaid, Miss Doris Griggs, of Bancroft, also looked charming in her floor-length gown of Nile green faille taffeta featuring a full skirt gathered to a fitted scalloped bodice with net yoke and short, scalloped sleeves. She wore matching elbow-length mitts and matching Juliet cap and carried a nosegay of Briarcliffe roses, lily of the valley and mauve sweetpeas.

The two flower girls were little Barbara Ann Vardy, niece of the bride and little Ruth Stapley, niece of the groom. They looked sweet in their floor-length dresses of orchid and yellow taffeta with full, tiered skirt gathered to fitted bodice and tied with matching satin ribbon ending in streamers in front. They both wore wreaths of mauve and white sweetpeas and carried baskets of matching sweetpeas.

Mr. Elwood Vardy, brother of the

## Tenders To Be Called For New Covering on Roof of Bandstand

Council Also Decides To Re-Plank Centre Bridge — Buy Lots From H. Jones

Tenders will be called for a new covering on the roof of the Band Stand, according to a decision reached by the Village Council at its regular monthly meeting on Monday night. The matter was left in the hands of the Property Committee to arrange.

J. B. Belshaw, local representative on the Centre Hastings High School Area, gave a report to Council on the proposed improvements at the local High School. A new boiler, for which a suitable building will be erected, new fire escapes and new toilets will be installed. The work is expected to start in the near future, stated Mr. Belshaw.

**Tag Day**  
A request from Laurel Rebekah Lodge, No. 211, for permission to hold a Tag Day in Stirling on Stirling Fair Day, was granted.

The matter of putting shades on the windows in the Community Hall was discussed. It was pointed out that they were needed if suitable facilities were to be provided for meetings where films were to be shown, during the daylight. On motion Duffin's were given the order for the installation of the required number of blinds.

The purchase of two lots on the west side of Emma St. from Harry Jones at a cost of \$100 plus cost of conveyancing, was authorized.

It was also decided to plank the centre bridge and the matter was left in the hands of the property committee.

Councillor E. G. Bailey gave notice that he would introduce a bylaw at the next regular meeting of Council for the issuance of debentures amounting to \$15,000.00 for the repairs at the local High School.

Due to the date of the next regular meeting of Council being Civic holiday, it was agreed that the August meeting of Council will be one week later, August 10th.

The Clerk was authorized to have a Proclamation declaring Monday, August 3rd, a public holiday in Stirling, published.

Following are the accounts ordered paid:

Bell Telephone, \$7.55; Public Utilities, \$235.01; Wm. Bowen, \$61.50; Markite Co., \$16.21; S. Mason, \$16.50; Harry Jones, \$11.90; F. R. Mallory, \$10.54; J. Hamilton & Son, \$4.50; G. B. ## Orange Service On Sunday Next

Always a great day in the Loyal Orange Association, the 12th of July will be specially so this year when under authority of the Grand Lodge the Centennial Stone (1853-1953) will be placed in the wall of St. Paul's United Church with the immediate Past Grand Master for Ontario East, M.W.B. Fred C. Bateman, officiating, assisted by Grand Lodge Officers and Acting Grand Lodge Officers.

### Deposit Box

The special metal box to be deposited will contain a scroll of Grand Lodge Officers, the annual report of the congregation, copies of the United Church Observer, the Stirling News-Argus, the Ontario Intelligencer, coins of the realm, etc.

### Hymn

A special Orange Hymn has been included in the printed order of service, "O Lord of Hosts."

The parade which is expected to include many visiting Lodges and members of the Lady Orange Organizations will be under the direction of R.W. Grand Marshall Archie Miller, Esq., of Brockville.

LEE GRILLS

## HUSBANDS GUESTS OF STIRLING W.I.

The members and their husbands were invited to the home of Mr. and Mrs. Don Thompson for the July meeting of Stirling W.I. on Wednesday evening.

President Mrs. S. McMurray opened the meeting in the usual manner, followed with the repeating of the Lord's Prayer. The roll call was answered naming a seasonable fruit.

A thank you card was received from Mrs. West. A report of the home cooking sale was given by Mrs. McMurray who stated a nice sum was realized — some giving money instead of home cooking.

The picnic at Oak Lake for next month was discussed.

The programme consisted of a reading by Mrs. McMurray, "Past and Future." Mrs. Foster and Mrs. L. Rodgers reviewed the trip to Kemptonville. Mrs. S. Kirkey put on two contests. The singing of the Queen closed the meeting.

Lunch was served by the committee in charge, Mrs. Thompson, Mrs. McMurray and Mrs. A. Stevenson.

Mrs. H. Rodgers moved a vote of thanks to those making the evening such a pleasant one.

## C.W.L. June Meeting

The June meeting of the C.W.L. was held at the home of Mrs. Vincent Farrell with Mrs. Frank Long, President, presiding.

Miss A. O'Donnell, secretary, presented her report. Mrs. Philip McAvoy and Mrs. Roy LaChapelle reported two visits to the sick in the Parish during the month.

Plans were made to hold a cooking sale in July. At the conclusion of the meeting lunch was served by the hostess.

## Old Home and Baptist Sunday At St. Paul's Centennial

Sunday July 5th will be historic in the life of the congregation of St. Paul's United Church, Stirling. Sunday evening a congregation that completely filled the church auditorium and choir loft heard Baptist Ministers, a Baptist Choir and sang Baptist hymns. The service planned to recognize the work of the pioneer Baptists and their successors exceeded in spirit and fellowship all expectations of the Centennial Committee.

### Baptist Fundamentals

Rev. Keith Daniel, B.A., B.D., pastor of the Victoria Ave. Baptist Church, Belleville, conducted the service following opening exercises and a word of welcome from the Minister. Mr. Daniel graciously acknowledged the honour accorded the Baptists in this Centennial recognition. He observed that it would have been a bit easier to attend a service to recognize the work of a past generation of Methodists in a Baptist Church rather than the reverse in which he found himself.

With apostolic boldness he proclaimed the "Faith of the Baptists." This was set forth in five divisions, namely: 1. The Lordship of Jesus Christ; 2. Liberty of Conscience; 3. The authority of the Scriptures; 4. The autonomy of the local Church; 5. The baptism of believers.

The speaker valued the rise of a new day of Christian co-operation which stood in sharp contrast to that when a Deacon of the Baptists wept saying his son was "lost" because he had joined the Methodists. He saw a definite trend toward the Baptist position by other communions but envisaged the desirable union of all Christians only on a basis that preserved the Baptist fundamentals.

Mr. Bill Wood the student minister of Sidney, conveyed congratulations on behalf of his historic congregation and read the Lesson, Romans 6: 1-11. This fine young man gives promise of great and devoted service in the

### Greetings

Unable to attend the Baptist service by doctor's orders, Dr. Harry W. Mack, of Detroit, a descendant of the earliest Baptists of Rawdon, son of Rev. Henry Wilson Mack who laboured in the Master's Vineyard in Rawdon and vicinity from 1870 to 1892 as a church song leader, Sunday School teacher and as an ordained Baptist Minister sent the following message:

"On behalf of many of my kin and myself of Baptist stock who have our roots in Stirling and vicinity although now domiciled hundreds of miles distant may I extend greetings and congratulations to the Pastor, Rev. A. E. Baker, U.E., and the congregation of St. Paul's United Church in reaching and your observance of your Centennial Year. Also congratulations in the compiling, editing and publication of the Centennial Book which will be long cherished.

"As you have been firm all these years in the strong, simple faith of your fathers, may you so continue, giving thanks to God for the many opportunities with which you are blessed in Stirling in the land of the Maple Leaf, seeking spiritual guidance and strength to build a greater future.

"May the 'Baptist Gathering' this evening with Rev. Daniel's message bring you a measure of Guidance and Strength; All to the Glory of God.

"I deeply regret that circumstance of health prevents my attendance." A fitting recognition of Dr. Mack's fine example and interest as well as his wealth of knowledge of local history was voiced. Reference was also made to his fine chapter in St. Paul's Centennial Year Book on the Baptists of Rawdon.

## Rev. W. J. McGee Named To Staff Cathedral School

Rev. William J. McGee, assistant at St. John's Church, Kingston, since his ordination five years ago, has been appointed to the staff of the Cathedral School, Kingston, for the coming year. He will teach religion and physical training.

In preparation for the work of instructing in physical training he will take a short course at McMaster University, Hamilton, which began Monday, July 6th.

Father McGee is a native of Stirling, being a son of Mr. and Mrs. J. Clinton McGee. He was educated in Stirling schools. He received his B.A. degree from St. Michael's College, University of Toronto, and after completing his course in theology at St. Augustine's Seminary, he was ordained in St. Mary's Cathedral on May 22nd, 1948.

During his years at St. John's, Kingston, he has been especially active in organizing youth groups and has taken a leading part in arranging athletic programmes for the children of St. John's and St. Patrick's Schools.

## Miscellaneous Showers Held For Bride-Elect

On Thursday evening last, Mrs. Glen Whitehead entertained at a miscellaneous shower in honour of Miss Ruth Rose, a bride-to-be of the month. The rooms were tastefully decorated with pink and white streamers and white bells, while a bouquet of red roses centred the table.

Cards were enjoyed, after which Miss Rose was given a seat of honour and was presented with a beautiful array of gifts. She was assisted by her sister, Mrs. Bert Bastedo, who fashioned a bride's hat from the bows and ribbons on the parcels.

Ruth very graciously voiced her appreciation for the gifts after which dainty refreshments were served by the hostess, assisted by Mesdames D. M. Armstrong, Grant Stapley and Robert Anderson.

### Mrs. Lindsay Sillis Hostess

On Friday evening Mrs. Lindsay Sillis, West Huntingdon, entertained at a miscellaneous shower in her honour. A short programme, consisting of readings by Mrs. Kenneth Weaver and Mrs. James Hoard, piano solos by Miss Betty McConnell and a contest by Mrs. Jack Bush, was much enjoyed, after which a bride's recipe book was assembled.

An address was read by Mrs. Ross Jeffs and the bride elect was presented with a beautiful array of gifts. Dainty refreshments, including a bride's cake decorated in pink and white, were served and a social hour enjoyed.

## Elders Ordained At St. Andrew's

Rev. J. G. Hornsby, of St. Andrew's, Belleville, delivered the Ordination Sermon

An impressive Ordination Service for the newly elected Elders was held in St. Andrew's Presbyterian Church last Thursday evening, July 2nd.

The Moderator of the Session, Rev. W. H. V. Walker, conducted the service and called upon Messrs. Hartley Tompkins, Donald Fargey and Roy Eggleston, to answer the prescribed questions, after which they were solemnly set apart to the office of Eldership and given the right hand of fellowship by the members of Session.

Rev. J. G. Hornsby, Belleville, delivered the Ordination sermon and outlined the duties and responsibilities of this high office — the highest that a layman can hold in the Presbyterian Church.

Mr. Clayton Tammon rendered an appropriate solo, "Living with Jesus," with Mrs. R. H. Williams at the console.

### Sunday Service

On Sunday morning, July 5th, the Sacrament of the Lord's Supper was observed and the new Elders assisted in the passing of the Elements.

Three new members were received by certificate, Mrs. A. O. Dalrymple from Gilead United Church; Mr. Wm. Reynolds, from Carmel United Church and Mr. John Jones, from Marmora United Church.

Beautiful baskets of roses, delphiniums and orange blossoms adorned the altar.

## Croquet Set Wanted

Joe Irish, supervisor at the local recreation centre, is in need of a Croquet set for the amusement of the boys and girls. If any one would loan a set, their kindness would be greatly appreciated.

## Bowling Notes

Five pairs of Stirling bowlers participated in the mixed doubles tournament sponsored by the Campbellford Lawn Bowling Club yesterday. Those attending were Mr. and Mrs. W. T. Elliott, Mr. and Mrs. A. Fraser, Mr. and Mrs. R. D. Cooke, Miss Rosa Spry, Mrs. R. Burgess and Messrs. A. Livingstone and F. R. Mallory.

### Divided Points

In the inter-club mixed bowling league Stirling divided the points with Deloro on the latter's home green. Al Livingstone's rink of Mr. and Mrs. Ray Mallory and Mrs. E. Green won both games, while Ashley Brooks, rink of Miss Rosa Spry, Mrs. R. Burgess and John Eaton dropped their two games.

Mr. and Mrs. W. T. Elliott captured the two-high prize in a mixed doubles tournament at Colborne on Saturday last.

## Great Memorial Service Held On Sunday At Hubble Hill

Pioneers Honoured — Early Baptist Work Recognized — Graves Are Decorated

An hour before the 3 o'clock service planned in recognition of the pioneers of Hubble Hill, especially those who rest in the Baptist God's Acre which commands a sweep of the slopes and lovely valleys in which they laboured, the congregation began to assemble for the special memorial service. The Mount Pleasant United Church, kindly loaned for the service by the Officials of the church was taxed beyond its spacious capacity. Every sitting was crowded, every inch of chair space utilized with children sitting on the chancel steps and others in the church entrance and on chairs thoughtfully brought and placed outside for worshippers unable to gain an entrance. The Provincial Police thoughtfully guided the traffic on the Campbellford Road.

### The Service

Rev. R. R. Bonsteel, Minister of the Rawdon Charge, welcomed the worshippers and acknowledged the fine spirit of sister congregations and of Carmel on the Stirling Charge in withdrawing their regular services to share this great tribute to those who "rest from their labours."

A special tribute was paid to Dr. Harry W. Mack, of Detroit, whose father for many years was the devoted Baptist Minister at Hubble Hill. Dr. Mack on the advice of his doctor was unable to be present but sent his greetings and was we are sure present in spirit. His keen interest and accurate knowledge resulting from

long and careful enquiry provided the valued record of the Baptist of Rawdon to be found in St. Paul's Centennial Year Book. The special lessons chosen by Dr. Mack were in his absence read by his cousin, Mrs. Percy MacMullen—a direct descendant of the Rosebush, Chard and White families who with the Hubble's were among the first settlers in 1797.

### Order of Service

Following the Doxology and Welcome, "There is a Fountain Filled with Blood," was sung by all. Rev. Bonsteel led in prayer closing with the Lord's prayer shared by all. Mrs. Marguerite McMullen sang, "Rock of Ages," which was followed by the Lesson as chosen by Dr. Mack, Psalm 133, Exodus 20: 12 and the 23rd Psalm in unison. Mr. Walter Lindenfield sang "The Model Church" and Mr. Richard Chard, of Toronto, read the Second Lesson, Rom. VIII.

### Offering

The offering was received by Messrs. Clifford Hubble, Charles Hoard, Clarence Chard, Burton Bateman. It was announced that this would defray expenses and provide for a modern grass mower. With gifts sent by mail it was learned the offering exceeded \$125.00 with some gift envelopes yet to be returned. The offering was dedicated by Rev. J. F. Joblin.

### Guest Speaker

Before the sermon by the Rev. Keith Daniel, B.A., B.D., of Victoria Ave. Church Belleville, Mrs. Percy Hubble, of Stockdale, sang "Home of the Soul," and the congregation, "There's

A Land That Is Fairer Than Day," "What Mean These Stones?"

Using these words as his text, Rev. Daniel paid an eloquent tribute to those who came into this area cleared and tilled the fields, erected homes, schools and churches in a faith that will ever be their glory. To keep this faith untarnished was the privilege and responsibility of the present generation. The white stones in the nearby God's Acre pointed heavenward wherein lay the true destiny of man.

### History

Mrs. Percy MacMullen graciously acknowledged help from many sources, the lovely flower donors as well as money gifts. She was gratified by the spirit of co-operation on every hand and the presence of so many visitors as well as regular worshippers. This writer records the tireless energy, planning and care as well as the initiative on Mrs. MacMullen's part without which the service would not have been. By day and by night for long weeks and months she fashioned her plans and lived to see them in reality. She gave a brief resume of the origin and use of the Hubble Hill Cemetery.

### Closing

The flowers were dedicated by the Minister of St. Paul's, Stirling, Rev. A. E. Baker. Mrs. Sid Demorest read memorial verses, the National Anthem was sung as a prayer and the benediction followed.

The ushers were Messrs. Norman McConnell and Orno Sharp. They were on the job and are to be commended. Mrs. Ross Hoard (former organist of the Sidney Baptist Church) ably presided at the church instrument.

### Flower Bearers

Following the Ministers, including

Mr. Bill Wood, student pastor of the Sidney Church, a score of great grandchildren of the pioneers each carrying lovely floral bouquets marched in two's followed by the congregation to the cemetery where the congregation formed a great circle and with clasped hands sang, "Blest Be The Tie That Binds." The Benediction was pronounced by Rev. R. R. Bonsteel. Afterwards the flowers were lovingly placed on the ground wherein the last earthly remains of those thus honoured were buried.

Among others requests were received from Rev. W. H. Clarke and Rev. W. S. Irwin.

### Flower Bearers

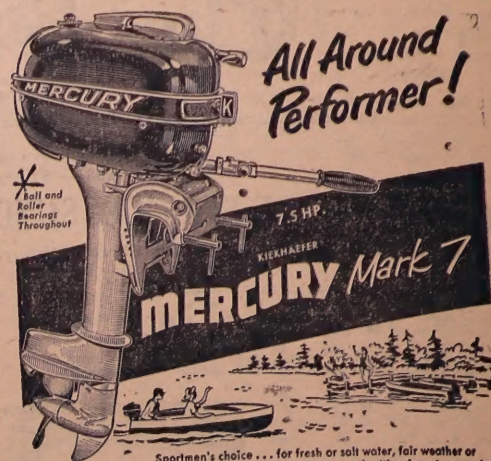

These were Hugh and Norma Hoard, Tom and Dick Thompson, Garry Richardson, Betty, Donald, Louise and Patsy Hubble, Gail Morgan, Herbie Demorest, Firth and Bonnie Bateman, Bobby and Barbara Montgomery, David, Patsy and Susan MacMullen, Linda and Gary Preston, Betty Ann Post, Gordon, Wayne and Sandra Wannamaker and others. There were also several family baskets of flowers provided for this service by descendants of the pioneers.

### Mission Band

Following the cemetery service the Mount Pleasant Mission Band under the direction of Miss Ruth Linn supplied substantial and tasty refreshments which were especially appreciated by those who came from a distance.

This gathering was held in the Church Hall, formerly the Hubble Hill Baptist Church. Rev. F. J. Joblin gave a delightful word picture of its removal to its present location from the nearby valley.

The hymns used during the service were chosen by Mr. Clarence Chard. They were Baptist favourites.

### Mayor of Oshawa

His Worship W. J. Naylor, Mayor of the City of Oshawa, has kindly consented to address the special Civic Sunday Centennial Service at St. Paul's, August 2nd at 11 a.m. Mr. Naylor with Mrs. Naylor and their two daughters plan to arrive in Stirling on Saturday evening, August 1st, and will stop over for the morning service as they proceed on their summer vacation. The spirit of this comparatively young man who is willing to forego his vacation to render this service is indicative of this fine spirited worker who has been chosen for the chief executive office of the "Motor City."

### The United Church

The work of the United Church of Canada is distributed over eleven Conferences namely: Newfoundland, Maritime, Montreal and Ottawa, Bay of Quinte, Hamilton, London, Toronto, Saskatchewan, Manitoba, Alberta and Roman Catholic, 4,986,553, 6,069,496, 43.

The total number of United Church persons listed in the Government Census and unrecorded in church records is 864,718. Are you one of these? The churches of Stirling and district invite any unattached adherents to enquire respecting church membership.

### Membership Rolls

The Department of Evangelism and Social Service advises that Sessions should keep on the non-resident membership roll only those who have a good reason for retaining membership in congregations whose regular services they cannot attend.

It is further suggested that Sessions who have not done so comply with the regulations of the Manual, section 9, which requires an annual review of church membership rolls.

Transfer certificates should be used to transfer as many non-resident members as possible.

### July Ushers

#### At St. Paul's

July 12th — 11.00 a.m. — H. Heasman, C. Tucker, F. Jeffrey, H. Vandervoort, E. Warren and Dr. R. W. Vandervoort.

### Queen's Alumni

Rev. A. D. Tinslingham, Ph.D., who has recently been engaged in archaeological investigation in the Holy Land, will speak at the Alumni meeting on October 19-22 on "Excavations at Jericho and Dhiban." He has been appointed to the Chair of the Old Testament in the college.

### Writ Sarcastic

With so many visiting speakers coming to take part in the Centennial at St. Paul's the local minister will have nothing to do!

### Perpetual Interest

Sometimes it is asserted that congregations with Endowment Funds will not work but rather lean upon such funds. This does not seem to be the case but rather a contention of those who have no desire to make a gift to such funds.

Knox Presbyterian Church, Toronto, is probably the most heavily endowed congregation in Canada. It is a most active and Missionary Church. Indeed its downtown and suburban missionary work is only possible because of its Endowment or Perpetual Interest earning Endowment Fund.

Some United Churches which list in 1952 other property including investments are: Metropolitan Toronto, \$235,000; Sharbourne St. Toronto, \$170,000; Bridge St. Belleville, \$5,000; Cannifton, \$500; Trinity Napanee, \$15,200; Wellington, \$5,000.

An increasing number are now making bequests to the church. In some cases these are made to the General Boards in others to local congregations.

### U.C. Trust Funds

The total trust funds reported by the United Church of Canada held at the headquarters of the Church December 31st, 1951, of which only the interest can be spent was \$2,116,600.27. Property including investments held by congregations at December 31st, 1951, amounted to \$9,275,096. In this total, St. Paul's Stirling is listed with \$600. At the end of 1952 this fund had increased to \$726.32. Recent gifts have enabled it to cross the \$1,000 mark.

With the fine interest of our people this fund will likely exceed \$100,000 in the next fifty years. That will make possible the employment of specialists in the training of boys, girls and young people as well as provide for the adequate care of church property beyond the ordinary ability of the congregation. "It is a poor will that makes no gift to the work of the church." Please remember your church in your will.

### Briefs

Allan's Public School Section No. 3, Rawdon, was first a log school house on the north west corner of "Cavalry's" lawn. This it is said was sold to Henry Linn. The brick school built in 1870 across the road 40x36 was named after a Mr. Allan, formerly on the farm of Allen Bailey. A new school south of the old red brick school was built in 1928 at a cost of \$5,300.

The Stirling News-Argus was established in 1879 by Mr. John H. Tompkins. The public school in Stirling replaced by the present edifice was erected in 1874 at a cost of \$6000, size 60x40. The Principal was E. D. Sutherland and the teachers Miss E. Hawkins, Miss Brydon and Miss Houston.

Roman Catholics in those days were ministered to from Belleville.

Rawdon Township embraces 67,200 acres. Permanent settlement is dated from 1820. The Rawdon Creek, which passes through Stirling rises upon Lot No. 1 of the 9th Concession of Huntingdon. After leaving Rawdon Township it flows through Sidney emptying into the Trent River below the River Valley given road.

Extracts  
The following items taken from a memorandum left by some unknown worshipper in a church in Hastings County are self explanatory:

"Are you tapping any trees this year?"

"I wonder where — is? Her father and — are here."

"Has your father got a new suit?"

"Y. is here. She has the baby."

"I went to the show last night!"

"Wasn't it good?"

"The show next week is going to be

good too!"

"I wonder where Grandma — is?"

"He must have been up late last night!"

"Mrs. G." has got a new dress on and a new rhinestone necklace. I like her necklace. Do you? or have you seen it?"

"I have seen both her dress and her necklace before!"

"You had better take this home and burn it up."

The above is only part of the recorded "correspondence" conversation. The older generation is not so cunning. At least the gossips were at church.

At St. Paul's there is a special framed request on the church entrance hall which every worshipper should read before entering the church. Its observance would prevent the possibility of "correspondence" conversations when folk are assembled to worship God.

## West Huntingdon W.M.S. and W.A.

The W.M.S. and W.A. of the West Huntingdon United Church held their July meeting at the home of Mrs. Geo. Cooke on the 2nd. The meeting was in charge of the President, Mrs. Dan Cooke and opened with the call to worship and hymn, "Lord of the Lands, Make Canada Thine Own," followed by the Scripture Reading, Psalm 72, by Mrs. John Moorcroft. The offering was taken up by Master Kenneth Post.

The minutes and roll call were conducted by Mrs. Russell Sills. A reading, "Recessional," was read by Mrs. Ted Pollock. Business was taken care of by the President, Miss Marilyn Fitchett contributed a piano selection. Mrs. Foster Wilson gave the address, which was much enjoyed by the ladies. Hymn, "Dear Lord and Master of Mankind," was sung and the meeting closed with the Mizpah Benediction.

A social half hour was enjoyed by all.

## Air Mail Rates Reduced

On July 1st, Air Mail rates to Great Britain and Foreign Countries were reduced by doubling the weight unit. The rate to Great Britain and Europe is now 15c each one half ounce, instead of 15c one-quarter ounce as formerly. Similarly South American rates are now 10c, to Mexico, Bermuda, Central America are now 10c each half ounce, and rates to Asia, Africa and Oceania are 25c per half ounce.

Air letter forms can now serve any address in the world for 10c. Patrons having the 15c forms on hand may exchange them at any post office.

## Entered Into Rest

MRS. MARY MITCHELL

Believed to be at least 100 years old, Mrs. Mary Mitchell, a resident of Stirling, since she was 17 years of age, died at her home early Friday morning. She occupied a house adjacent to Wesley Johnson with Mrs. Johnson looking in every once in a while to see how she was getting along and helping her with the housework.

On Friday morning Mrs. Johnson made her usual visit and was surprised to find Mrs. Mitchell dead in her bed.

She was born in London, England, of German parentage, but her parents are unknown. She came to Stirling district when she was 17 years of age and has resided in this community all her life. She was well known and highly respected. A member of St. John's Anglican Church, she took an active interest in parish work when health permitted.

There are no known survivors. Her husband, William Mitchell predeceased her some years ago.

The Toronto Coliseum, home of the annual Royal Winter Fair, covers 26 acres.

## RIVER VALLEY WOMEN'S INSTITUTE

Abbott's Leigh, W.I., Bristol, England, has forwarded copies of the Home and Country Coronation issue to the members here. The photographs were taken by Royal permission as the Queen Mother, who is President of Sandringham W.I. and her daughter Her Majesty the Queen are in attendance.

## Mount Pleasant

Commemoration Service  
Hubble Hill Cemetery

Over sixty-five Mount Pleasant folk and 275 people from points as far away as Flint, Michigan; Lakeview, Belleville, Trenton, Campbellford, Eldorado, Kingston, Dettlor and in-between points with several members of Carmel, Salem, Wellman's, Bethel and Hoard's communities, gathered at Mount Pleasant United Church on Sunday afternoon for commemoration of Baptist work and a memorial service for those laid to rest in Hubble Hill Cemetery. This was a first venture and at an early hour the church was filled to overflowing which necessitated using the chairs on the church lawn to accommodate the guests.

The church was a bower of beauty with memorial baskets of white blooms and other seasonal flowers. The Hubble Hill Cemetery across the road was also decorated with lovely flowers. The memorial flowers were given by Mr. Clarence Chard in memory of his parents, Mr. and Mrs. Jonathan Chard and other relatives; by Mr. and Mrs. George G. Montgomery, of Frankford, in memory of his mother, Mrs. E. Montgomery; by Mr. and Mrs. Percy Hubble and family in memory of Mr. and Mrs. Byron Hubble; by Mr. and Mrs. Charles Hoard in memory of Mr. and Mrs. Wallace Hoard and other relatives; by Mr. and Mrs. Percy MacMullen in memory of her mother and their grandparents.

Gifts of money towards the upkeep of the cemetery were received from all but 2 or 3 folk and they seem to be indifferent whether the plots of their parents and relatives are cared for or not. Over one hundred dollars was placed on the plates on Sunday afternoon and this will be used for current expenses and a power mower. Sixty letters were sent out six weeks ago and it is hoped when donations have all been received that there will be a substantial working balance. For the past five years the committee has been existing on a shoe string.

It was regretted that Dr. Harry Mack and Rev. W. H. Clarke were absent through illness and greetings were read from both.

Special floral tributes in the cemetery were placed by Mr. and Mrs. Burton Bateman, of Springbrook; Mr. and Mrs. Clifford Hubble, Glen Ross and Mr. and Mrs. Thos. A. McMullen, Belleville.

Many flowers were given by friends at Stirling, Trent River, Carmel and elsewhere. Printed programmes were used on this historic occasion, which included Baptist hymns and Bible Lessons.

Mrs. Percy MacMullen, who planned the service was very appreciative to Rev. A. E. Baker, U.E., who very kindly co-operated in order that the Hubble Hill Memorial could be held at the same time as St. Paul's Centennial. She expressed thanks to the Officials, Pastor of Mount Pleasant United Church and said the caretaker Mr. Orzo Sharp gave every assistance to make the guests comfortable and the day a success.

The Sunbeam Mission Band under the direction of Miss Ruth Linn and Mrs. Herbert Smith assisted by Mrs. Will Potts, Mrs. Roy Thrasher and Mrs. Burton Sharpe, served refreshments to over 125 guests in the church hall. Those who served were Billy Morgan, Malcolm Reid, Gail Jeffs, Raye David, Marie Simpson, Marilyn McConnell and Ina Scott.

A special article will appear elsewhere in this issue written by Rev. Baker.

## Rylstone

On Friday afternoon, July 3rd, the Rylstone Women's Institute held their July meeting at the new home of Mrs. Wilfred Spencer. There were about 25 ladies present and several children. The committee for the menu for the Community Sale dinner on July 20th met before the regular meeting.

The Institute Ode and the Lord's Prayer opened the meeting, followed by the roll call answered by "A Health Rule." A fine of 5 cents is to be imposed on all members failing to answer to the roll call. All responded to this roll call. The minutes of last meeting were read by the secretary.

The convener for the meeting was unable to be present, so Mrs. Wilfred Spencer was convener for the following programme which opened with a duet, "Doggie in the Window," by Patsy and Sherry Spencer, accompanied by Margaret Spencer; followed by a reading, "Profoundity in the Pulpit," by Mrs. Charles Stewart; motto, "Use your head to save your feet," by Mrs. Ray Stewart; piano solo, "Where is your Heart," from Moulin Rouge, and "Kentucky Waltz," by Margaret Spencer; piano solo, "Will O' the Wisp," by Lorna Barnum.

The topic, teach our children regarding danger of alcohol and keep good literature before them, was prepared by Rev. H. E. Beare and read by Mrs. Clarence Barnum. A vocal solo was rendered by Mrs. Albert Case (nee Evelyn Barnum), "Make Believe." Report on trip to Guelph was given by Mrs. Spencer.

Lunch was served by the hostess and the lunch committee. After the meeting Mrs. Spencer took the ladies on a tour of inspection of her new home.

## Stirling Legion To Sponsor Lefty Frizzell Variety Show

Lefty Frizzell, considered one of the  
finest singers in the folk music busi-  
ness brings his big variety stage show  
to the Belleville Arena, sponsored by  
the Stirling Branch of the Canadian  
Legion, No. 228, on Wednesday night,  
July 22nd.

Since the release of his first Colum-  
bia Records release, "If You've Got  
the Money, I've Got the Time," Lefty's  
future as a folk and hillbilly singer  
was assured. His unique singing voice  
has since been heard consistently on  
such hit tunes as "Shine, Shave, Show-  
er," "Never No Mo' Blues," "My Old  
Pal," "I Want to be with you Always,"  
"I Love You a Thousand Ways" and  
countless others.

This Texas cowboy-balladier com-  
poses most of his own numbers, most  
of which have been recorded by other  
western singing stars, as well as  
many artists in the pop music field.

One of the friendliest and most  
modest boys in show business, Lefty  
Frizzell sincerely enjoys meeting and

talking with his various fans, and  
often loses his much-needed rest in  
order to do so.

In addition to his constant personal  
appearances, recording sessions, radio  
and television appearances, Lefty  
Frizzell is one of the most prolific  
song writers in the country, with more  
original ideas for tunes than time in  
which to compose them. His youth,  
vitality, rare singing voice and sincere  
interest in folk music represents just  
a small part of what is destined to  
make Lefty Frizzell one of the great-  
est folk artists of all time.

In addition to Lefty Frizzell, the  
show will include M.G.M. recording  
artist, Rusty Gabbard plus comedian  
C. "Cedric" Rainwater and the Ten-  
nessee Tunetoppers.

In Stirling tickets are one sale at  
X. P. Mayhew's, H. A. Hermiston's,  
and R. A. Patterson's stores.

Hello Homemakers! Most people believe that a dish of sweet berries and cream cannot be improved upon. (This saves time and energy for other household chores.) Do be cautious about serving clean raw fruit. Sort berries and discard soft, mouldy and under-ripe ones and rinse in a sieve under cool water. Then tumble the berries into a bowl and sprinkle sugar on layers of fruit. Sugar syrup may also be used for sweetening to eliminate stirring fruit which may make it unattractive. To bring out the juice allow prepared fruit to stand in the refrigerator an hour or so.

At least once during the season you should prepare those old favorites: fresh berry pie and shortcake with whipped cream. Never worry about serving berries twice a day while they are plentiful. Berries used in gelatin dishes give a fresh flavor or crushed with fine sugar and served generously on ice cream or puddings is always easy to prepare.

For different desserts made with berries or cherries try these recipes and listen to the compliments.

#### Raspberry Chiffon Pie

2 cups raspberries  
1 pkg. lemon gelatin  
1 cup boiling water  
1 cup cold water  
½ cup whipped cream  
2 beaten egg whites  
Graham cracker shell

Pick over and rinse berries. Reserve ½ cup for garnishing; crush the remainder. Prepare lemon gelatin powder and when it begins to thicken fold in whipped egg whites. Pour filling into pie shell and chill in electric refrigerator. Garnish with cream and whole berries. Makes 1 (9 inch) pie.

#### Cherry Roly Poly

2 1-3 cups pastry flour  
3 tps. baking powder  
1 tsp. salt  
¾ cup sugar  
2-3 cup shortening  
1 egg  
2-3 cup milk  
2½ cups pitted dates  
1 cup sugar

Mix and sift flour, baking powder, salt and sugar. Cut in shortening until like coarse meal. Beat egg and add milk, then stir into dry ingredients until dough consistency. Roll out ½ inch thick on floured board. Mix cherries with sugar and place in a row in centre of dough. Dampen edges and fold over top and press ends, envelope fashion. Make about 3 gashes across top. Place on shallow pan or pie plate. Bake in preheated electric oven of 350 degs. for 45 mins.

#### Gooseberry Cream

1 qt. gooseberries  
1½ cups sugar  
¼ cup water  
Whipped cream

Top and tail gooseberries and simmer with water and sugar until soft. Press the fruit through a sieve, then chill. Fold as much whipped cream as gooseberry puree together and pile into sherbet glasses. Sprinkle a few crumbs made from crushed ginger-snaps on top.

#### TAKE A TIP

1. Keep berries on a platter, uncovered, in the refrigerator. Do not wash until ready to prepare as a dessert.
2. Mix sieved raw raspberries with orange juice for breakfast.
3. Serve black currant juice in place of tomato juice. There's a comparable amount of Vitamin C in black currant juice.
4. Beat cream cheese with crushed red currants and use as a tasty sandwich filling on malt bread.
5. For fruit salads add ½ cup cherry juice to ½ cup mayonnaise. Such a salad dressing will enhance each flavour.

#### THE QUESTION BOX

Miss C. T. asks: Can you make tart shells of cookie dough?

Answer: Here is our recipe for Cookie Tarts:

1½ cups cake flour  
¼ tsp. salt  
¼ cup shortening  
¼ cup sugar  
1 egg  
½ tsp. lemon extract

Sift flour, measure and stir in salt. Cream shortening and sugar until fluffy; add egg and flavoring. Stir in flour, only enough to combine. Pat the mix onto wax paper, fold in paper and chill overnight, in electric refrigerator. Roll out 1-3 inch thick and cut with 2 inch cutter. Line muffin pans with 4 cut-outs, overlapping each ½ inch. Place scrap piece of dough in bottom. Moisten overlapping edges and press gently. Bake in preheated electric oven of 375 degs. for 10 or 12 mins. When cool fill with sweetened berries and top with whipped cream. Makes 8 or 10.

Mrs. K. T. asks: How do I prevent fruit pies from becoming soggy on the bottom?

Answer: Quick cooking of fruit pies in preheated oven of 450 degs. then reducing heat in 10 mins. to 350 degs. should prevent this. Also, brush dough with egg white before filling with fruit, sugar and a teaspoon of minute tapioca.

#### Queen of the Trenton Centennial

Crowning of the popularity queen of the Centennial at Trenton attracted 2,000 people who squeezed into the dock area at the waterfront late Saturday night.

Mrs. Margaret Panderchuck was acclaimed winner of the contest which ran for five weeks. She received \$100 in cash, a beautiful gown and other prizes.

GEORGE MURRAY

Winnipeg-born tenor George Murray made up his mind to be a radio singer before he was out of high school, and after years of hard work he is now considered one of the top entertainers in the business. After making a name for himself in the West, he went to Toronto in 1935 to find a larger audience. Since that time he has been gaining recognition as a successful singer on a number of CBC network programs. On top of this, he has turned up in a number of CBC dramas, particularly in parts calling for an actor who can sing. When he's not busy at the studios, Murray likes to get out with rod and reel. In Toronto sporting circles he's known to be a very enthusiastic fisherman.

#### Life Certificate Presented To Mrs. H. Rodgers At St. John's W.A.

The June meeting of the Senior W. A. of St. John's Anglican Church was held in the Parish Hall on Tuesday, June 30th, with twenty members and three visitors in attendance. The President, Mrs. H. Rodgers, opened the meeting with Hymn 738. The Rev. H. Secker read the Litany and the Member's Prayer. Mrs. McMurray read the Scripture Lesson. Roll Call and the minutes of the last meeting were read and approved.

Mrs. Rodgers called on Mrs. M. Tanner and her Junior Auxiliary Girls to put on the programme. This was followed by greetings given by Joan McArthur and the Junior Member's hymn, recitations by Louise Harding and Sharon Rodgers; song, "Jesus Bids Us Shine," by Lois Vardy and Marjorie McArthur; a tap dance, by Barbara Woodbeck. Hymn 771 was sung and Rev. H. C. Secker closed the meeting with prayer.

Mr. Secker then called on the President, Mrs. Rodgers, and presented her with a life membership certificate and a life member W.A. pin on behalf of her family.

Mrs. Rodgers, who has been a member for over forty years and president for the past fifteen years, very graciously voiced her thanks for the gifts.

Lunch was served by Mrs. M. Tanner and the J.A. Girls and Mrs. E. Kent moved a vote of thanks to the Senior W.A. and also to the J.A. Girls for the wonderful programme and the lovely lunch.

#### Need Toothbrush

Will fluoridation of drinking water as a means of preventing tooth decay tend to make some people neglect their toothbrush? — Dr. Gordon Bates, general director of the Health League of Canada, writing in Health, doesn't think so.

"One of the arguments which has arisen in connection with the current discussion on fluoridation is to the effect that if fluoridation is adopted, people will immediately discard all of the existing methods of dental hygiene," he writes. "All of the arguments against too much sweets in the diet of children will be dropped and presumably all tooth brushes discarded or at the most retained as ornaments for the bathroom."

"One is reminded of similar arguments when the campaign for pasteurization of milk was in its more aggressive stages. At least one large Certified Milk Association campaign against pasteurization of milk on the grounds that if laws for the pasteurization of milk were passed, all efforts to keep milk free of infection by means of inspection of herds and sanitation of their surroundings would slow down or cease."

"As a matter of fact, no such sinister result followed. Pasteurization of milk is only one more method of making sure that we do not become the victims of milk-borne disease and it is acknowledged that the ideal milk is certified pasteurized milk. No doubt, if, when and where fluoridation of water supplies is effected, a similar thinking will result. Surely, in discussing one of the means we will not forget the end."

#### SOIL AND CROP PROCEEDINGS READY FOR DISTRIBUTION

Constituting a permanent record of the papers presented and the complete deliberations of the organization, the Crops, Seeds and Weeds Branch of the Ontario Department of Agriculture, has published the "Addresses and Proceedings" of the Annual Convention of the Ontario Soil and Crop Improvement Association held in Toronto last January.

Consisting of some 190 pages prepared in attractive form, the publication covers every phase of the Association's activities and provides a ready source of information on many agricultural problems. Throughout the book are many photographs pointing up various agricultural procedures as well as some indicating the highlights of the various sessions held during the convention.

Eight important topics are dealt with by various experts under the General Crop Section of the book. In ad-

dition, the Registered Seed Section, the Potato Section and the Turnip Section, contain a complete record of discussions and papers on these vital subjects.

Of particular interest to northern farmers is the Northern Ontario Section devoted to problems peculiar to that section of the province.

The book, published by the authority of Hon. F. S. Thomas, Minister of Agriculture, may be obtained through the local Agricultural Representative or by writing to the Crops, Seeds and Weeds Branch of the Ontario Department of Agriculture, Parliament Buildings, Toronto.

Officers of the Association for 1953 are: Honorary President, Hon. F. S. Thomas; President, Howard Harper, Goodwood; Vice-President, W. J. Scheller, Baden; 2nd Vice-President, Andrew Johnston, Renfrew, R.R. No. 5; Secretary-Treasurer, A. H. Martin, of Toronto; Members of Executive, W. W. Dawson, Peterborough, R.R. No. 11; Harry Strang, Hensall; Jas. A. McBain, St. Thomas, R.R. No. 6.

#### CONQUER NATURE AT HER GRIMMEST

—Central Press Canadian

As a fitting climax to the most important day of her life, Queen Elizabeth was presented with a spectacular gift to mark the occasion—the planting of the Union Jack on icy Mt. Everest, the tallest mountain in the world, by two members of the British expedition. The men, E. P. Hillary, a New Zealand beekeeper, the most famous climber of the Himalayan Kingdom of Nepal, reached the peak of 29,000-foot mountain in the Himalayas over a route pioneered by a British expedition in 1951. This year's expedition had hoped to climb it in time to send the news to London as a Coronation present for the Queen. The 13-man party formed the 11th team (nine of which were from Britain) to try to conquer the mountain in 30 years. All the previous attempts had failed, claiming the lives of 15 climbers in the effort.

## "JUNIOR JUMBLE"

News of interest to 4-H and Junior Farmers in Hastings County

(By A. O. Dalrymple)

It hardly seems possible that another year is past since fairs started, and with this thought in mind we would like to mention the coming fairs in Hastings County at which Juniors will probably be taking part. Belleville Fair, from August 17th to 20th, will be the first fair in the County, and it will be a busy week for Juniors in the County of Hastings. Tuesday, August 18th will be Junior Day with the usual busy programme. The girls' programme will include judging and demonstrations on foods and gardening, clothing and hospitality, while the 4-H and Junior Farmer Section has been changed somewhat this year, to include a short tour of the exhibition with a quiz on what the Juniors have seen as well as the judging competition and agricultural quiz. The Belleville 4-H Club will be in full swing on Wednesday, August 19th, while fifteen members of the South Hastings 4-H Swine Club will exhibit their swine on the 20th. We would remind the Juniors that their entries must be in for the Junior Day by August 8th, if they wish to receive a ticket to the banquet.

Other fairs at which 4-H Clubs will be exhibiting will include: Mohawk, September 26th; Madoc, October 7th; Stirling, September 16th. All of which will have 4-H Club Exhibits, while Tweed on September 23rd and Marmora on September 7th, with Coe Hill on September 9th, will complete the list of fairs. We would remind the 4-H Club Members that they should have all of their records up to date and now is the time to train that calf or pair of gilts that you will be showing at the local fair.

We now have on hand a draft copy of the preliminary prize list for the International Plowing Match. On October 6th there will be a special day open to residents of the Counties of Ontario, Peterborough, Victoria, Hastings, Prince Edward, Lennox and Addington, Durham and Northumberland. On this day, classes will be open to any person wishing to compete. In brief, there is a class for practically any type of plowing that anyone would wish to do and the prize money is quite attractive.

I might add that Hastings County is contributing to this prize money, so we hope that a goodly proportion will come back to our Juniors in the County. Plans are being made to hold coaching days when a member of the Ontario Plowmen's Association will be in the County to give coaching on match plowing. We would suggest that anyone either old or young who is interested in this coaching, drop a line to us, at the Ontario Department of Agriculture, Stirling, at once, and we will notify you as to when the coaching day or days will take place.

### WEED OF THE WEEK

PURLANE OR PURSLEY MAY BE TASTY IN SALAD BUT NOT IN FIELD CROPS

While some cooking authorities claim that Purslane (Portulaca Oleracea) or Pursley or Wild Portulaca is tasty in salads, it certainly is not to the average gardener's taste. Resembling a flattened red-stemmed rubber plant with small yellow flowers, purslane seems to have more lives than the proverbial cat. Cut off from its roots, turned upside down and left in hot sunlight, this tenacious weed will live for weeks and continue to mature seeds. It is so prolific one plant can produce sixty thousand seeds. It is no wonder it seems to grow faster than you can kill it.

Purslane can be controlled. Seeds are its only way of increase so after cutting just below the soil surface the plants should be raked up for disposal. After tolling in the hot sun the gardener may wish to consign them to a hot spot. An incinerator is a good substitute. The farmer can get some good from them by feeding to pigs or sheep, but the main thing to remember is "Don't leave them lying around to mature seed."

Where susceptible plants are absent 2,4-D sprayed on at the rate of 6 to 10 ounces of acid per acre in early July will kill most of the Purslane and stop it going to seed. A repeat spray a month later will finish the job. Fortunately this weed is an annual and if prevented from going to seed it will soon disappear.

### SPRAYERS FOR WEED CONTROL

To spray for weed control the chemical mixture must be applied uniformly and at the correct rate. In order to do this the sprayer must be operated properly. While the standard boom type weed sprayer is easy to operate, the following general rules should be carried out to ensure effectiveness. D. J. Cooper, Field Husbandry

live operation of the spray machine, Division, Central Experimental Farm, Ottawa.

The sprayer should be tested with a tank of water before the spraying season begins, to see that the nozzles are adjusted, that the boom is set to the proper height above the weed cover, that all strainers are clean, and that the pump is operating properly.

Once the sprayer is in working order it is necessary to determine the quantity of spray mixture that is being put on per acre. To do this, the tank should be filled with water and operated at a distance equal to one acre. For a 20-foot boom this distance would be 43500 ft. divided by 20 ft., or 2175 feet. The amount of water required to fill the tank at the end of this distance is the number of gallons applied per acre.

Having determined the amount of water applied per acre it is a simple matter to determine the quantity of chemical which should be added for each tank load. For example, if the sprayer applies five gallons of spray per acre and the tank holds 40 gallons of water, then 8 acres will be covered per load. And, if 6 ounces of 2,4-D is the recommended amount per acre, then for 8 acres, 48 ounces of 2,4-D will have to be added to the tank. This mixture will apply 5 gallons of water and 6 ounces of 2,4-D per acre.

To keep the sprayer operating efficiently it should be flushed out with clear water after each day's use and all strainers cleaned out daily. When the spraying season is over, all important parts should be cleaned and stored in a dry place. A light oil in the tank, pipe lines and pump will help to resist corrosion.

### URGE USE OF NEW BAGS FOR QUALITY POTATOES

Convinced that the interests of both the grower and consumer can best be served by the production of a quality product and by the adoption of proper packing procedures, the Potato Committee of the Ontario Soil and Crop Improvement Association is asking that regulations be established under the Farm Products Grades and Sales Act that will necessitate the use of new bags for the packing of Fancy and No. 1 grades of potatoes.

The Committee, at a recent meeting held in the Parliament Buildings, not only unanimously favored the use of new bags but also urged that the size of the bags to be used be set out in the governing legislation. The necessity for "proper tying" of the bags was also stressed.

Reporting on the campaign of recent months to check grades, Douglas E. Williams, Chief Inspector of Farm Products, told the Committee: "Results have been amazing — buyers, retailers and consumers have reported a marked improvement. All favor a continuation of our campaign."

The Committee was informed that since the first week of January there have been 212 detentions involving 41,615 packages, over half of which were 75 pound bags and much of the remainder ten pound size.

Some reasons for detentions were as follows: mechanical injury 106, pitted scab 63, surface scab 38, no markings 28, dry rot 67, underweight 21, wire worm 7, improperly marked 6. In replying to a question Mr. Williams said, "The trade and all of us have to get away from thinking that No. 2 grade is just junk. There is a home for No. 2 grade at a price, but culls should never leave the farm, they are best value as livestock feed."

The Committee complimented Mr. Williams and staff on work to date, and promised continued support.

Plans for a master Potato Growers competition on a province-wide basis were also discussed by the Committee. Awards will be made on a basis of point value as follows: 300 for yield of marketable potatoes; 150 for exhibit of one bushel; 100 for interior color and 100 for dry matter content.

The Committee asked that the Department of Agriculture continue a survey for bacterial ring rot, followed by strict enforcement of the regulations.

### JAMES RIDPATH FORMER EDITOR LAKEFIELD DIES

One of the best-known citizens of Lakefield, James William Ridpath, of Concession St., Lakefield, died suddenly at his home on Saturday. Mr. Ridpath was born in Peterborough 80 years ago, son of the late Samuel Ridpath and Jane Isbister, and moved to the village of Lakefield at the age of six years. He resided there ever since except for a short while working at the printing trade in Erin and Chesley.

Mr. Ridpath was owner-editor of the Lakefield News which he published for 50 years, until 1942. The newspaper continued under new management for another year before ceasing publication.

## CONSERVATION NEWS!

Tower Observers Watch For Lightning Strikes

Hazard conditions in the Tweed District were rated as low to medium with no new fires reported during the week. Heavy electrical storms, however, were general and tower observers were kept on continuous watch for any lightning "starts."

### Parasitic Flies

Attacking Tent Caterpillars

An aerial survey of Forest Tent Caterpillar infestations in the district was carried out by Insect Ranger C. Charbonneau recently. A Department of Lands and Forests Beaver Aircraft piloted by Doug Reid from Parry Sound was used for the flight which extended into the Rideau District.

From preliminary observations Mr. Charbonneau indicated that although infestations are heavy at a number of points, some areas severely attacked last year show little sign of damage this spring, noticeably in the vicinity of Dacre.

### Effective Removal of Beaver Dam Demonstrated

Recently local Conservation officers witnessed a demonstration by CIL representatives in safe and effective methods of handling dynamite for removing beaver dams and obstructions.

Beaver have become so numerous that nuisance colonies are requiring almost continuous attention, particularly in agricultural areas. Although Tweed district trappers removed approximately 6,000 of the furbarers during the past open season, with increased quotas, it would seem that the population has not decreased to any appreciable extent.

Nuisance colonies are as active as before and as one officer stated — "show their determination by building longer dams of higher and heavier construction." Attempting to destroy these tangled heaps by hand labour is quite useless because unless the foundation is destroyed as well, the animals replace the structure in a matter of hours. Considerable experimenting has been done in these colonies by live trapping, electric fences, dynamite etc., but in view of the large population, a new colony, provided food conditions are favourable usually takes over the site almost immediately.

A company representative, Mr. A. O. Smith, demonstrated the effectiveness of ditching powder near Denbigh. At the site selected beaver had raised the lake level 4 feet and flooded a township road as well as a wide expanse of well wooded lowland. By placing ditching powder in the base of the dam at 18 inch intervals about 60 feet of the structure was completely removed. Charges were all exploded by use of a single fuse and detonator which provided sufficient impulse to ignite the entire chain.

### Bass and Maskinonge Seasons

Opened July 1st

Anglers eagerly awaited the opening of the Bass and Maskinonge season on July 1st, unchanged locally from last year.

Daily limits for Black Bass are 6

per individual either large or small mouth or both but not more than a total of six. Fish must be 10 inches or more in length measured from the tip of the nose to posterior margin of the tail or in other words, to the centre of the fork in the tail.

The daily limit for Maskinonge is 2, not less than 30 inches in length as measured in the same manner as bass.

Acceptable methods of angle are — by rod and line or line held in the hand, by casting or trolling with artificial lures or live bait. No line shall carry more than 4 hooks, except that three hooks in a gang may be considered as one hook.

According to Fish and Wildlife Inspector R. G. Sheppard, young bass will be guarded by parent fish for approximately 10 days after the season opens. He reminded anglers that if a catch is made in shallow water, the fish should be brought to the surface slowly and if young are present they will follow and can be observed. In this event, the fish should be returned alive and uninjured to prevent tiny fish being destroyed by predators.

A. E. Baker. Rev. Baker has given religious education in this school during the past two years, and at this time asked many of the pupils to recite a number of Scripture Passages. Book awards were made by Mr. Baker to many of the pupils for high marks obtained in Religious Education and in spelling.

At this time Ruth Mucumber made the presentation of a lovely golden tea pot to Rev. Baker and Shirley Howes made the presentation of a cup and saucer to Mrs. Baker on behalf of the teacher and pupils. Mrs. Baker supplied music for this service with her sweet toned portable organ.

Vocal numbers were given by Mr. Geo. Mucumber, followed by a poem by Paul Tyrer, "Youth," duet, "Mansion Over the Hilltop," by Mrs. A. E. Baker and Mr. Rodgers; readings, by Edith, Marlene and Malcolm Crowe, Lenie Vreugdenhil, Joyce Benedict, Kenneth Rose, Jean Abrams, Patsy

Armstrong and Aleck Stickle; vocal solos by Mrs. Baker, Mr. Rodgers, Mr. Jack Bush and Beverly Wannamaker; duet, Rev. and Mrs. Chase; chorus by the senior pupils, "Living For Jesus"; prayer, by Rev. W. S. Irwin. Mr. Rodgers gave a talk on Hosea 10 and the hymn, "Near To The Heart of God" was sung.

A friendship circle was formed about the campfire after which all joined in singing, "Blest Be The Tie That Binds" and "Spirit of the Living God."

The remainder of the evening took the form of a wiener and marshmallow roast. Sandwiches, cake and cookies were served in the school.

Mr. Wilbert Reid on behalf of the school board and parents, expressed their appreciation to Mr. Rodgers for a progressive year at the school and also their regret at his leaving to teach at Prince of Wales School, in Belleville.

## RCAF TRAINS CO-EDS AS RESERVE SUPPLY OFFICERS

Under the University Reserve Training plan, these college undergrads are training at Aylmer, Que., to become supply officers of the RCAF. Spending their summer holidays in training, they earn enough to help them through their university course, and after three years are fully trained reserve officers, ready for duty in an emergency as experts in supply and procurement.

## Clancy — Brown Nuptials Saturday

Before a lovely background of assorted flowers and fern, a double ring ceremony was solemnized in Carmel United Church, Stirling, on Saturday, July 4th at 12 o'clock, when Rev. A. E. Baker united in marriage Verna Ida Jane, only daughter of Mr. and Mrs. Harry E. Brown, Stirling, to Gerald Allen Clancy, only son of Mr. and Mrs. Clifford Clancy, of Wellman's. The wedding music was rendered by Mrs. Malcolm Sharp and the soloist, Mr. Douglas Pyear, sang, "O Perfect Love" before the ceremony and "Because" during the signing of the register.

The bride, given in marriage by her father, was radiant in her gown of white tulle and lace and nylon net over tulle, fashioned with strapless molded bodice with sweetheart neckline of tulle and long fitted sleeve lace jacket. The full skirt was accented with points front and back outlined by ruching and deep flounce. Her finger-tip veil of imported tulle illusion edged with chantilly lace was held in place by orange blossoms. She carried a white Bible and Sweetheart roses with rose buds and stephanotis cascading down the white streamers.

Miss Ruth Clancy, only sister of the groom, attended the bride, as maid of honour, wearing orchid, while Misses Beverly Reid, Ruth Parks and Carol Ray were bridesmaids attired in yellow. The attendants looked lovely in gowns of net with matching brocade silk boleros and net pleated head-dresses to match their gowns and carried nosegays to correspond. Little Miss Marilyn Brown, as flower girl, wore Nile green Swiss organdy and carried a basket of sweet peas, rose buds and baby's breath.

Gordon McInroy, cousin of the groom, was best man with Ray Sharp and Allan Wallace as ushers.

The reception was held in the Church Hall where the bride's mother, attired in navy nylon marquisette with corsage of pink and white carnations, received, assisted by the groom's mother, who wore navy sheer and lace with corsage of pink and white carnations.

The serveurs were Betty Smith, Marlene Carlisle, Marlene Armstrong, Beverly Burleigh, Lorraine Haight, Anita Bailey, Lela and Donna McCall, Barbara Meiklejohn and Ruth Donnan, assisted by Mrs. Joseph Grills.

Immediately following the reception a large family Bible was presented to the bride and groom from the congregation.

gation of Carmel United Church, it being the first marriage ceremony performed in that church.

For travelling through the United States and Western Ontario, the bride chose a suit of blue pink with white and navy accessories and a corsage of deep rose carnations.

Guests were present from Peterborough, Sarnia, Toronto, Guelph, Norwood, Ottawa, Whitby, Markham and surrounding districts.

### Pre-Nuptial Showers

Prior to her marriage, Miss Brown was guest of honour at a red and white kitchen shower on June 22nd at the home of Miss Marlene Armstrong, while Mr. and Mrs. Jack Bush entertained St. Paul's Choir in her honour on June 26th. The bride-elect was presented with several pieces of china.

## Honoured Prior To Departure

Prior to their departure to reside in Stirling, Mrs. Burley Emmons and Miss Marie Emmons, were honoured by friends and neighbours of the Ridge Road Community on Thursday evening, June 25th.

Mr. Volney Richardson acted as chairman for a short programme consisting of community singing led by Mrs. H. Rodgers and duets by Misses Pauline and Bernice McCurdy and Donna and Sharon Hammond. Mrs. Eva McGee read an appropriate address, Mrs. Cecil Nelson and Mrs. Frank Wood made the presentation of an electric tea kettle and a bone china cup and saucer.

Dainty refreshments and a social hour brought a pleasant evening to a close.

## Centennial Services

(Continued from Page 1)

W. G. Connor, organist, supported by a balanced and carefully trained choir sang with beauty and power the Introit "Come Let Us Worship," Palestine; "The Cherubim Song No. 1," by Bortnauky and "Babylon's Wave" by Gounod. Mr. C. M. Irwin, baritone, sang, "O Lord Most Holy." As the offering was presented the congregation stood and sang, "We Give Thee But Thine Own."

Mr. Geo. Carlisle, Clerk of Session, expressed the thanks of St. Paul's to the visiting ministers, office bearers and members of the congregations of Victoria Ave. and Sidney Baptist Churches for their attendance and interest. Among other visitors were Rev. A. E. MacKenzie, Principal of Albert College Belleville, Mr. Alec Gordon, organist of Bridge St. United Church Belleville, Mr. R. U. Kendall, organist of King St. United Church, Trenton, and Mr. A. Storey, Batawa.

### After Service Hour

In a delightful after service fellowship, Rev. K. Daniel sang two Negro Spirituals and Mr. Walter Lindenfield the "Model Church." A happy group of women mostly from River Valley and the Oak Hills served most tasty refreshments. They were supported by Mrs. Walter Elliott who is now also an Oak Hill resident residing at "Happy Hollow."

# IS YOUR MUFFLER ON KEY?

Next time you back your car out of the garage, cock a critical ear at the sound of your exhaust.

Does it still have that tuneful, factory-new note? If not, that may mean your muffler has taken a beating and ought to be replaced — before it cuts down power, raises gas consumption, or leaks exhaust fumes.

Why not drop into our shop and let us bend our trained ears over it, and give it a close look for leaks? We're glad to do this with no charge — and if we can give your muffler a clean bill of health, you'll find it mighty reassuring.

DORIS DAY AND GORDON MacRAE

### Achievement Day For Homemaking Clubs of Hastings County

#### Presentation of Provincial Honour Certificates — 85 Members Complete Project

Some eighty-five members participated in the Achievement Day for the Homemaking Clubs of Hastings County, which was held in the Community Hall, here, on Friday last, July 10th.

Mrs. Marion Montgomery, Women's Institute Branch, Toronto, was the Home Economist in charge of the Achievement Day, assisted by Miss Jean Noble, Home Economist for Northumberland, Durham, Victoria and Peterborough Counties, and Miss Laura Phippen, Home Economist for North Eastern Ontario.

"The Supper Club" was the project carried on by 10 clubs, with each club member exhibiting her record book and four tea biscuits. Under the direction of local leaders the girls have studied how to plan, prepare and serve well balanced and attractive meals. They have worked together to learn techniques in food preparation as well as table setting and service.

#### Leaders Congratulated

The local leaders were congratulated on the excellent leadership they had given. Each leader receives a leaders badge in recognition of her work. The leaders and assistants are as follows:

Eldorado-Bannockburn, Mrs. Douglas Pidgeon and Mrs. Melvin Johnson; Queensboro, Mrs. Arthur Holmes and Mrs. John Moore; Chapman, Mrs. Robert Wheeler and Mrs. Albert Martin; Cooper-Remington, Mrs. Allan McCoy and Mrs. Stanley Moorcroft; Stirling, Mrs. Luella Bronson and Mrs. A. O. Dalrymple; Wallbridge, Mrs. Roy Woods and Mrs. Margaret Tucker; Ivanhoe, Mrs. Howard Cooke; Plainfield, Mrs. Violet Elliott and Mrs. Don Harrison; Rylstone, Mrs. Arthur Brock and Mrs. Lindsay Anderson; Bethel-Zion, Mrs. Percy Ray and Mrs. Clifford Roy.

#### Programme

The morning programme included many activities which gave the club members opportunity to put into practice their knowledge. They judged a class of tea biscuits, and selected the standard tea biscuit with golden brown tender crust, flaky, moist texture and good flavours. The club members also judged a class of four menus and gave reasons for the placements. Then, they planned supper menus suitable for the different seasons.

During the afternoon programme, each club was represented by one member who commented on exhibits set up. Wallbridge Club selected, "Tea Biscuits with Variations" for their exhibit, with Norma Fair explaining the exhibit. "Supper Menus exhibiting the Main Dish" was displayed by the Cooper-Remington Club with Beverly Graham commenting; Stirling, with Grace Heasman commenting; and Bethel-Zion, with Gaila Cranston commenting. "Different Ways of Serving Fruit" was the exhibit set up and explained by Caroline Wright, of Rylstone, Joan Kerr of Plainfield and Eva Martin, of Chapman. "Variety in Supper Menus" was exhibited and commented on by Velma Carman, of Eldorado.

Plainfield presented a demonstration, "Let's Make Tea Biscuits" with Muriel Swan and Frances Kerr. The girls demonstrated very ably how to prepare and bake tea biscuits. Eight members from Wallbridge presented a skit "Table Setting and Service for the Farm Family." With cousins coming to visit the family they had to set the table properly and many points in table manners were also given.

Mrs. John Reid, Trenton, President of the Women's Institutes of West Hastings, spoke briefly, encouraging the girls in their work. The co-operation of the Women's Institutes makes this programme possible.

#### Provincial Certificates Presented

A highlight of the afternoon programme was the presentation of three Provincial Honour Certificates for the completion of 12 Homemaking Club Projects: Shirley Kerr and Mary Reid, Plainfield and Jean Moore, Queensboro, received the certificates, and will be presented with pins later.

### Let's Have The News

Vacation season is here, and it brings a steady stream of visitors to the community, while scores of local residents are holidaying at other points from time to time.

Every one of these visitors is a news item of interest to at least some of our readers and we are very anxious to receive these items. Send them in, or bring them in, phone them in, or if you live in the country, let your district correspondent know. We do not wish to miss these "comings and goings", but if someone doesn't tell us, how are we to know? May we count on your co-operation.

### Local and Personal

Miss Joan Green, of Kingston, spent the week-end with her parents, Mr. and Mrs. Earl Green.

Mr. and Mrs. Geo. Dunham, of Toronto, are guests of Mr. and Mrs. C. R. Bastedo.

Mr. and Mrs. John Mathie, of Picton, were Tuesday night guests of Mr. and Mrs. Claude Tucker.

Mr. Harold West is attending a meeting of the Creamerymen's Association in Toronto today.

Mr. and Mrs. Roy Beeler, of Peterborough, were Sunday guests of Mrs. S. J. Elliott.

Mrs. Arthur Scott spent the week-end with her sister, Mrs. J. Daniels, of Foxboro, who is very ill.

Mr. and Mrs. Everett Cooke were dinner guests on Sunday evening of Mr. and Mrs. Robert Cox, Belleville.

Mr. and Mrs. C. E. Macklin attended the Moore — Steacy wedding in Brampton on Wednesday.

Mr. and Mrs. W. T. Elliott and Mr. Bryce Philp left this (Thursday) morning to visit relatives in the Western Provinces.

Mr. and Mrs. Creighton Johnson and son, of Burwash, Ont., are visiting relatives in Stirling and district this week.

Mr. and Mrs. Henry Burrell and Mr. and Mrs. Clarence McGee and Jean spent the week-end in Brantford and Paris.

Rev. A. E. Baker was in Toronto Tuesday officiating at the funeral service of Dr. C. A. Campbell, of Kirkton, Ontario.

Mr. and Mrs. Ross Des Rosier, of Toronto and Mrs. R. P. Coulter were guests on Saturday of Mrs. Elizabeth Foster.

Messrs. Arthur and Ross Morrow, of Barrie, and Herbert Morrow, of Hamilton, visited friends in Stirling a few days last week.

Mr. and Mrs. Percy Food, Toronto, were week-end guests of Mr. C. M. Sine and Mrs. Rebecca Sine. Callers at the same home were Mr. and Mrs. Hugh Badgley, of Frankford.

Dinner guests on Tuesday night of Mr. and Mrs. Maurice Bell were Mr. and Mrs. Roy Kendall, Mr. and Mrs. A. Twiddy and Mrs. M. Bishop, all of Trenton.

Mr. and Mrs. Earl Cranston, of Harold, and Mr. and Mrs. John Elliott, of Trenton, motored to Ottawa to attend the Orange Celebration.

Mrs. A. E. Baker, A.R.C.T., attended the convention of the Registered Music Teachers Association at the Royal York Hotel, Toronto, last week. (Other Personals on Page Eight)

County Honour Certificates for six projects were presented to ten club members as follows: Eldorado, Betty Chidley, Faye Whyte, Muriel Whyte, Lela Pidgeon; Frankford, Betty Nichols, Carol Reid; Halloway, Helen Jenkins; Stirling, Donna Carlisle, Joanne Heasman and Marlene Carlisle. Certificates of Achievement for completion of two projects were awarded to thirty-six members.

### C. W. FOSTER LIBERAL CANDIDATE

C. W. Foster, was named Liberal candidate in the forthcoming Federal election in the riding of Hastings-Picton at the Liberal Convention held in Marmora on Wednesday last. He defeated Dr. Ward, of Yarker, the only other name proposed. Mr. Foster is a native of Hastings County, and until his recent retirement from business was vice-president of Dominion Stores.

Mr. Foster is now a resident of Toronto, but was born at Moira, Huntingdon Township, and, to use his own words, his roots are deep in the riding. He is of United Empire Loyalist stock, third son of the late John L. and Eleanor Bird Foster. He is known to his friends as "Clute." He attended high school at Stirling and Madoc, left this district in 1919 and in 1924 received his degree in political science at the University of Toronto. During the war he was a dollar-a-year-man at Ottawa, serving as vice-chairman of the National Selective Service Board. On June 30th he resigned as vice-chairman of Dominion Stores Ltd.

### MRS. M. FAULKNER VICTIM OF POLIO

This community was saddened by the death of Mrs. Maurice Faulkner in Kingston Hospital on Wednesday, the result of an attack of polio. Taken suddenly ill on Saturday night, Mrs. Faulkner was taken to Kingston Hospital on Monday.

The late Mrs. Faulkner, who was in her 25th year, was the former Rosemary Preston, of Wellman's, and leaves besides her husband, two sons, David, 5, and Douglas, 1. Miss Mary Preston and Mr. Ned Preston, of Wellman's, an uncle and aunt, also survive.

The funeral took place from the Duffin Funeral Parlor this (Thursday) morning at 10 p.m.

Interment in Eighth-Line Cemetery, Rawdon Township.

### Accepts Position

Henry Burrell, Ridge Road, has accepted a position with the Consolidated Sand and Gravel Co. at Paris, Ont., and he and his family will leave Saturday to reside there.

### Members of Orange Order Attend Special Service At St. Paul's

The Centennial Observance of St. Paul's United Church reached an all-time high in point of attendance when the Loyal Orange Association represented by the Grand Lodge, subordinate, ladies and juvenile lodges paraded in unprecedented numbers to the special Twelfth of July Orange Centennial Service led by the flag bearers with twin Union Jacks and the Stirling Band under Bandmaster Maurice Bell.

The thoughtfulness and initiative of Mr. Robert Hullin in setting up a P.A. system enabled upwards of two hundred unable to gain admission to the church to enjoy the service on the well tended church lawn in the shade of the lovely maples.

#### Grand Officers

The I.P.G.M. Rt. Wor. Bro. Fred C. Bateman was supported by the Grand Chaplain, R.W. Bro. F. Beazer, Church of England incumbent at Carrying Place; the Grand Marshall, R.W. Bro. Archie Miller, of Brockville, who ably directed the parade and seating arrangements and the Grand Secretary R. W. Bro. Morgan Brown, of Peterborough.

The Grand Chaplain carried the open Bible which was placed on the Holy Table. He offered the prayers of the service and shared the Responsive Lesson. The Grand Secretary carried the box for deposit in the church foundation wall. He read the names of the Grand Officers and the articles placed in the box which included the scroll of Grand Officers of the Loyal Orange Association; the United Church Observer; St. Paul's Annual Report; the Stirling News-Argus; the Orange Sentinel; the Ontario Intelligencer and coins of the Elizabethan era. These were handed to the I.P.G.M. who placed them in the opening in the wall.

#### Trowel Presented

The ceremonial engraved silver trowel was presented to I.P.G.M. Fred C. Bateman, who tapping the stone declared it to be duly laid in accordance with the custom of the order in the name of the Father, and of the Son and the Holy Ghost. The Band led in the Dextera and the Benediction was pronounced. The trowel was presented on behalf of the Centennial Committee by Mr. Harold Hagerman, Recording Steward of St. Paul's.

#### I.P.G.M. Speaks

R. W. Bro. F. C. Bateman spoke of the dual anniversary namely the Centennial of the Church and the Battle of the Boyne. The Orange Order he declared was rooted in the Holy Bible and nothing else. It was the champion of civil and religious liberty — the protector of that freedom which was our inheritance from those who won it for us. All Orangemen were called to be good churchmen.

Before the stone laying ceremonial, Mr. Bateman read from the Orange ritual of the origin and purpose of the Order, pointing out that its defence of

loyalty and freedom was not limited to Northern Ireland but to the whole human family.

#### Minister Speaks

The Minister of St. Paul's paid a personal tribute to Mr. Bateman whose example as an Elder of the church and a Grand Officer of the Loyal Orange Association was most creditable to both. He never missed church and took an active interest in every worthy cause.

Speaking from the call to Gideon, the Minister paid a sincere tribute to the fraternal work of the Order and challenged it to be more aggressive in every level of public interest. He particularly cited the Coronation Oath and the definition of the Bible in the Coronation Ceremony as examples of information that merited publicizing in all our public schools. He called for the courage and loyalty requisite to good citizenship. Tolerance could be a sin. We must never tolerate that which would destroy us. First being well assured that our undertakings are in accordance with God's will let us go forth in the strength which He will always supply counselled the Minister.

A full choir sang Elgar's, "Land of Hope and Glory." Mr. Wm. Aylsworth baritone gold award winner, sang Handel's "Arm, Arm, Ye Brave." During the offertory the church organist played a medley of tunes used in the Orange Parade to the delight of everyone. A special Orange Hymn, "O Lord of Hosts" was included in the service.

#### Entertainment

Several hundred visitors were entertained by the lady Orange members to a light lunch in the church hall and on the church lawn after the service. A special thanks was extended to the Stirling Lodges for their co-operation.

#### The Ladies

The lady members of the Loyal Orange Association were particularly attractive in their white dresses decorated with Orange insignia. The men presented a cross section of rural and urban dwellers representative of the backbone of a society that will progress so long as men fear God and respect lawful authority.

The service was a personal tribute to Mr. Bateman who recently completed his term of office as Grand Master for Ontario East.

#### Flowers

A special memorial basket graced the Holy Table the gift of Mrs. Geo. Elmslie, of Windsor, in loving memory of her father, Arthur Gordon Elmslie, and her son, Coolidge. Pedestal flowers and baskets were graciously left by Saturday's bride and scores of orange lilies fittingly graced the occasion.

The names of Mr. and Mrs. Wm. Heasman hand carved in the white oak name plates were dedicated and placed in the St. Paul's Endowment Memorial Directory.

### At Grand Lodge

Messrs. C. E. West, R. K. West, R. E. Fox and Gordon G. Bailey, of Stirling Lodge No. 69, and Rev. Bro. G. H. Thomas, Oak Lake, attended the annual communication of the Grand Lodge of Canada in the Province of Ontario, A.F. & A.M., held in Toronto yesterday.

### Music Exams

At the recent examinations of the Royal Conservatory of Music, Toronto, held in Stirling, the following pupils of Mrs. Harold Elliott, A.R.C.T., R.M.T., were successful in passing the June pianoforte tests:

Grade I — Michael Kelly, 1st class honours.

Grade III — Noreen Brooks, honours.

Grade V — Donald Heath, honours; Carol Sine, honours; Barbara Hadley, honours.

Grade VIII — Thomas R. Bridges.

Everyone who tried examinations was successful.

### Cub Camp

Twenty-two members of the 1st Stirling Cub Pack, together with their leaders, Mr. and Mrs. Joe Irish, will attend camp at Quin-Mo-Lac from July 18th to 24th. Belleville Cubs will also attend the same camp.

### Entertained

On Wednesday afternoon Mrs. James Warren entertained a number of ladies at a rose tea in honour of Mrs. Mowat Denike, of New Toronto, and her daughter, Miss Leo Denike.

The home was a profusion of roses and the tea table was lovely with silver rose bowl, lace cloth and rose serviettes. The afternoon was spent in reminiscing and a very lovely time was had by all.

About 5.30 Mrs. Warren and Miss Denike served a most bountiful lunch to the guests, namely, Mrs. Harper Rollins, Mrs. S. J. Elliott, Mrs. Harry Morrow and Miss Linda Ann Morrow, Mrs. Ed. Warren, Mrs. Leslie Thompson and Mrs. Walter Warren.

### Belleville Rink Won Trophy

#### Eleven Rinks Participate in Annual Mixed Rinks Tournament on Wednesday

The Baker Service Trophy and first prize went to Chiff Argue's rink of Belleville, in the annual mixed rinks tournament held on the Stirling Bowling Greens yesterday. Other members of the winning rink were Mrs. Argue, Mrs. H. Thompson and Alf Symons.

Second prize went to Bob Patterson's Stirling rink, Mrs. Harold West, Mr. and Mrs. Doug Patterson; while third prize was won by Jim Hough, also of Stirling, with Mrs. Hough, Alf Livingston and Mrs. G. Finkle.

#### WON "TRIPLES"

Twelve rinks participated in the "triples" tournament sponsored by the Stirling Ladies' Bowling Club on Friday last. Three rinks from Belleville, two from Kingston, one each from Brighton and Deseronto and five local rinks comprised the draw.

High honours for the day went to Mrs. Scott's rink, from Belleville, with a score of 43 plus 5, followed by Mrs. D. Patterson's local rink who took second honours with three wins and a score of 37. Mrs. Dick Edney's rink, of Kingston, won the two-game honour with a score of 42 plus 9, while Mrs. Geo. Watkins rink of Belleville, was high for one win with a score of 33.

### H. W. Sabine

#### Elected D.D.G.M.

#### Prince Edward Dist.

H. W. Sabine, editor of the Marmora Herald, and a member of Marmora Lodge No. 222, A.F. & A.M., was elected District Deputy Grand Master of Prince Edward District at the annual convocation of the Grand Lodge of Canada in the Province of Ontario A.F. & A.M., held in Toronto yesterday.

### Miss Florence Ruth Rose Weds Mr. William George Greenley

In a double ring ceremony on Saturday at 2.30 p.m. in St. Paul's United Church, Miss Florence Ruth Rose, of Stirling, became the bride of Mr. William George Greenley, of Toronto.

The bride is the daughter of Mrs. Morris Rose and the late Mr. Rose and the bridegroom is the son of Mr. and Mrs. A. V. Greenley, of Stirling.

Rev. A. E. Baker officiated at the ceremony and roses, gladioli, delphiniums, hydrangeas and ferns were used in decoration of the church. Mrs. A. E. Baker played the wedding music and Mrs. Don Rose sang "The Lord's Prayer" before the ceremony and "Love's Coronation" and "O Perfect Love" during the signing of the register.

Given in marriage by her brother, Mr. Jack Rose, the bride was attended by her sister, Mrs. Albert Bastedo, as maid of honour and by Miss Lorna Gow, of Toronto, and Miss Carlotta Bolton, of St. Catharines, as bridesmaids. Mr. Reginald Greenley, of Toronto, was best man and ushers were Mr. Gordon Gray, of Toronto, and Mr. R. J. A. Bastedo, of Stirling. Little Sue Anne Bastedo, niece of the bride, was flower girl.

The bride wore a ballerina length gown of white embroidered organza over satin. Her finger-tip veil was held by a Juliet cap studded with pearls and she carried a nosegay of yellow sweetheart roses with sweet peas and stephanotis.

The matron of honour and bridesmaids wore ballerina length gowns of varying shades of orchid with matching floral head bands and carried nosegays of yellow roses, bronze and yellow mums with mauve sweet peas. The flower girl wore a pink orchid ballerina length gown and carried a small nosegay similar to the bridesmaids.

A reception was held on the lawn at Maple Inn, Bloomfield, after which, Mr. and Mrs. Greenley left on a wedding trip to New York.

The bride's mother received the guests in a gown of navy melisse with red and white accessories and wore a corsage of red sweetheart roses. She was assisted by the groom's mother in a gown of aqua marine nylon with navy accessories and wore a corsage of pink sweetheart roses.

Going away the bride wore a white orion with navy two-piece dress, red and white accessories and a corsage of red feathered carnations. The couple will live in Toronto on their return.

Out-of-town guests were present from Toronto, Walkerton, Ayr, Kingston, Belleville, Coburne, Syracuse, Brampton and Smiths Falls.

## Stirling and District Lodges Attend "Glorious Twelfth" In Tweed

Stirling L.O.L. No. 110 and Stirling L.O.B.A. No. 655, as well as the lodges of Centre Hastings District attended the Orange Celebration in Tweed on Saturday. This was the first Orange Walk in Tweed in 21 years and 33 lodges participated in the parade through the principal streets of the village.

The commemoration was put on by Sulphide L.O.L. No. 1135 as the annual event of Centre Hastings Orange Association. The lodges with their fifes and drum bands in addition to a kiltie band with ladies of L.O.B.A. lodges interspersed carrying colored umbrellas presented a colorful spectacle to the many who lined the streets in maintenance of the old tradition.

Many veterans of the order added another year to the long list of commemorations which they have attended.

Thomas Freeburn, of Flinton, with 67 years membership who joined at the age of 18; William Preston, of Tanner Lodge, who joined the order 62 years ago at the age of 20; and John Moffatt, of Malone Lodge, father of County Master Gordon Moffatt of 62 years membership. The youngest initiated Orangeman on parade was Jimmy Deline, eight-year-old son of Orange parents. He carried the banner of Marmora J.O.L. No. 34 for a considerable distance on the parade and was reluctant to give up his assign-

ment to an older lad for the remainder of the route.

Speeches from the grandstand were under chairmanship of County Master G. Moffatt, who in introductory remarks, congratulated Sulphide on the day's arrangements and told the Protestants assembled to stand by their guide of life, the Bible. Nelson Howard, W.M. of the Sulphide Lodge, extended greetings and thanked all the sisters and brethren who had laboured for the success they were enjoying. He was followed by Reeve Clarence Graham, of Tweed, who said Tweed was happy to have catered to the order that day. It had been demonstrated to the village what the Orange Order is like.

Bro. Archie Sinclair, also of Tweed, remarked that Sulphide Lodge had risen to the occasion that day. He felt that every Protestant should be in the ranks of the Order and commemorate the 12th. He knew the Orange Association to be founded on the Word of God and that it was going to go forward.

No two great organizations were closer together than the Orange Order and the church. He closed with a plea for loyal support of the mother country and our beloved Queen.

Wor. Bro. Harry Coulter touched upon the Coronation of Elizabeth II and the obligation taken by her and

SUMMER DOCUMENTARIES

The radio documentary, informing people about their neighbours and the affairs of their country, will enter many new fields during the summer months with a series prepared and presented by top CBC actually reporters, Bill Herbert (left), Norman McBain (centre) and Thom Benson. Through their eyes, Canadians from coast to coast will be able to examine some of the industries, institutions and peoples of Canada. Bill Herbert spent several months covering the

Korean war for the CBC before returning to documentary broadcasts. Norman McBain didn't miss the opportunity to fly in a jet while preparing a broadcast on Canada's aircraft industry for the present series. The three reporters will cover a variety of subjects, including shipping on the Great Lakes, music festivals and trans-continental train travel on the series, which is heard regularly on CBC Trans-Canada network.

congratulated Sulphide Lodge on its achievement that day.

The Rev. W. K. Pace, of Tweed, said he felt the Orange blood stirring in his veins though as yet he was not a member of the Order. His subject was, "Building a Bridge." From the story of the Good Samaritan he drew the inference that the bridge should be an expensive one — that of reconciliation, a wide bridge with no one way condition and an enduring bridge not only for present usage but also for children yet unborn. "God hath made of one blood all the nations of the earth" and in our religion we should have the international outlook.

Harold Vardy, of Sulphide, said it had been proven that day what a small lodge like Sulphide could do when it undertook a celebration. He expressed appreciation of Nelson Howard's leadership. He also suggested that Centre Hastings County seek to provide a scholarship annually to assist a student for the Christian ministry and also felt the county should appoint the Saturday before the 12th for its annual commemoration.

Past Grand Master W. E. Tummon congratulated Lady Orange Lodges on their smart appearance.

Roscoe Robson, MPP, touched upon the recent report which was passed to President Eisenhower that 8,000 of the Protestant clergy were serving the Communist apparatus and also said that the Orangemen of today were just as loyal to Protestantism as they have ever been.

Right Wor. Bro. Fred Bateman, of Stirling, immediate Past Grand Master of Ontario East, brought Grand Lodge greetings and also introduced Bro. Rev. J. McMurray, of Foxboro, who substituted for Grand Chaplain Rev. F. C. Beazer, of Carrying Place, advertised as chief speaker. Bro. McMurray spoke on Marantha from 1 Cor. 16:32, supposedly a greeting of the early Christians pertaining to the second coming of Christ. He contrasted the greetings of today which convey no Christian sense as they did in those early days.

### Lower Prices Increased Sales of Cheese Seen

Ottawa — The Ontario Cheese Producers' Association has agreed for the present to refrain from bidding on the cheese exchange, it was learned Monday.

This in effect removed an unofficial support price for cheddar cheese midway between two prices set by the federal government — a 24-cent floor price and a 30-cent "end" price.

The agreement followed a meeting last week of association and federal agricultural officials and representatives of the cheese-processing companies. It is expected to result in lower cheese prices and quicker sale of the 180,000 pounds of cheddar now coming onto the market every week.

Under the Agricultural Products Co-operative Marketing Act, the federal government provided that the floor price for cheddar must not fall below 80 per cent of the average price over the preceding three years. This worked out at 24 cents.

Under the Farm Products Marketing Act, the federal government undertook to pay a 30-cent price for all cheddar produced between April 1st and September 30th of this year, and remaining in the hands of producers as of next October 31st.

The Cheese Board Producers Association had undertaken to maintain an unofficial support price by keeping bids of about 28 cents on the exchange. These bids were calculated to equal the 30-cent end price, minus handling and shrinkage charges.

### Bailey -- Stapley Nuptials In Belleville

Blue delphiniums, pink roses and Sweet Williams interspersed with ferns lined the chancel rail and adorned the altar of Christ Church, Belleville, on Saturday, June 27th for the marriage of Marian Helen, of Belleville, daughter of Mr. and Mrs. Albert Stapley, to James Franklin Bailey, of Belleville, son of Mr. and Mrs. Charles F. Bailey, of Stirling. The rector, Canon J. B. Creagan, officiated.

Mr. John Croyden Withers, church organist, provided the wedding music, and accompanied the choir of six members, who rendered appropriate selections.

Given in marriage by her father, the bride was lovely in her bridal, floor-length strapless gown of white nylon net over satin, featuring a redingote of Chantilly lace with long sleeves ending in lily-points over the hands, a standup collar, with small buttons extending to the waistline. The fingertip veil of tulle illusion was held in place by a Juliet cap of matching lace over satin. She carried a white Prayer Book crested with red Sweetheart roses and white satin streamers knotted with tiny rosebuds. Her only adornment was a three-strand necklace of pearls, the gift of her bridegroom.

Sisters of the bride, Miss Lillian Stapley, as maid of honor, and the Misses Dorothy and Marjorie Stapley as bridesmaids, were the attendants. The maid of honor was attired in pink, and the bridesmaids in blue. All wore nylon net over taffeta with lace bodices and matching boleros, picture hats and gloves. Their shoes were of matching shades interwoven with silver and they carried nosegays of pink and white 'mums, bachelor buttons and pink Sweetheart roses with streamers of pink and blue satin ribbons.

Mr. Gerald Bailey, of Stirling, twin brother of the bridegroom, was groomsmen, and Mr. Ray Hubel and Mr. Glen Hubel acted as ushers.

Following the ceremony the reception was held in the Parish Hall of the church where a buffet luncheon was served to approximately sixty guests. The bride's mother, wearing pink sheer with white trim and white accessories, received the guests, assisted by the bridegroom's mother, who was attired in blue crepe with white accessories.

For the wedding trip by motor to Niagara Falls and the Muskoka district, the bride chose a navy bengaline suit with white and navy accessories. Mr. and Mrs. Bailey will make their home in Belleville.

Guests attended from Tweed, Stirling, Barrie, Trenton and Harold.

### New High Record In Motor Accidents

Death slashed through Ontario in a motor vehicle, during May, killing 84. This was 14 more than in the same month last year and an all-time high for May. Of the dead, 29 were passengers, 26 drivers, 23 pedestrians and six cyclists, according to preliminary figures.

"Speed too fast" continues to contribute most to the causes of death and injury.

There were 32 deaths in "vehicle out of control" accidents, in which the vehicle either struck a fixed object or went off the roadway. This compares with 21 in May, 1952.

Railway crossing collisions took 8 lives, compared with five in May 1952. Fatalities resulting from collisions between motor vehicles totalled 15, one less than in May of last year.

Of the 23 pedestrian deaths, all victims but two were either under 11

years of age or over 65.

To the end of May, 314 persons have been killed on Ontario streets and highways, 12 more than for the first five months of 1952.

Highway and traffic officials warn that the season of the greatest traffic hazard has begun recalling that during the four months, June, July, August

and September of last year, 20,000 motor vehicle accidents occurred throughout the province, killing no fewer than 379 persons and injuring 9,200. Only the continuous exercise of care and attention to the rules of the road by everyone when driving or walking will prevent a similar or worse record of tragedy this summer.

## St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

### Welcome Home

We are glad that Mr. and Mrs. R. A. Patterson and Mr. Thomas Patterson have been able to enjoy a deserved holiday. We have missed them at St. Paul's and rejoice that they are happily home again.

### The Toronto Star

The literary critic in July 4th issue of the Toronto Daily Star writing of St. Paul's Centennial Year Book says: "A lavishly illustrated church history which collects a wealth of material about the district surrounding the village of Stirling, apex of the Trenton-Belleville triangle. A commendable effort which might well inspire others to gather up local historic material before it is lost forever."

### S.A. Envoy

The pulpit of St. Paul's will be occupied by Envoy Bram Humphries of the Salvation Army, Belleville, next Sunday morning as arranged by Col. Effler the District Officer Commanding. All residents should hear this Christian business man.

### Once Upon A Time

It used to be the practice for some folk when in disagreement with their fellow church members or minister to stay away from church and to cut off their financial support. Happily for all concerned this practice has almost disappeared since a Christian attends church to worship God without any ulterior motive. It is no compulsion to any office-bearer or member of a church to be an absentee because he does not like the hymns sung, the method of ushering or any other practice. Where any members desires to advocate an improvement affecting the better ordering of public worship

representations regarding things spiritual should be made in writing to the Clerk of Session and regarding things temporal to the Secretary of the Stewards.

"What kind of a church — would my church be — if every member was just like me?"

### The Dependables

Many congregations include worshippers who are casuals. They are always welcome and yet every minister prays that casuals may become dependables. The instability of casuals also save where age or infirmity or some special problem prevents regular attendance is not conducive to a healthy church. There are always those fine souls who are faithful in all seasons and under all conditions. They support and encourage every under Shepherd and every member of the flock. They are friendly to strangers and are constantly seeking to enrich their service in the vineyard of the Lord. Thank God for "dependables" in every congregation.

### The New Church Year

July 1st marked the beginning of a new church year. We invite your prayers for all pastors, especially those going to a charge for the first time — our young ordained men and those entering upon new pastorates. It is not an easy month for them — they need our prayers.

### Vacation Time

We are pleased that so many of our families can enjoy a period of change at some lakeside or with members of their families residing out-of-town. We wish them all a splendid vacation and pray that they will return renewed and keen for a new season of living and work especially in the Vineyard of the Lord.

Let us never be unmindful of those who rarely if ever have the opportunity to enjoy a vacation or change.

### The Centennial

St. John is credited with saying, "The bow cannot be always drawn." We no longer the less exacting part of the first quarter of our Centennial Year. Except for Civic Sunday, August 2nd, our services will be planned carefully but only held at 11 a.m. during July. The Carmel congregation will worship with St. Paul's each Sunday morning during July.

### Warden of Hastings

On Civic Sunday, August 2nd, Warden J. Kincaid, of Hastings County as well as the Councils of Rawdon, Sidney and Stirling have accepted the invitation of the Centennial Committee to be present. It is also anticipated that members of the Public School Boards with their secretaries will also be present. It should be a wonderful service. The guest speaker will be his Worship Mayor W. J. Naylor, of the city of Oshawa.

### Carmel Night

The evening of July 12th marked Carmel Night in the Centennial. Mrs. Arthur Pyear ably presided at the church organ and Mrs. Baker played the piano in a joint accompaniment of the hymns of the song and regular services. The choir, a very creditable group sang the anthem, "God's House." Misses Lella and Donna McColl, "The Prayer of Thanksgiving" in a lovely duet arrangement and Mrs. Ross Hart a solo arrangement of "Jesus Lover of My Soul."

### "Q" Teams

This interesting medium of Christian education engaged the interest of a ladies' team from Wooler composed of Mesdames Terrill, Teal, Nelson and McColl who defeated the Carmel ladies' team by one point. The members of this team were Mesdames Bailey, Grills, Hart and Miss Carlisle. The Carmel men's team, Messrs. Brown, Carlisle, Bailey and Hubel defeated the Stirling men's team, Messrs. Carlisle, Richardson, Philip and Hagerman by two points. Time did not permit the ladies of Carmel and Stirling to take part.

### Fine Team Work

The Minister spoke of the long and mutually helpful association of St. Paul's and Carmel basing his message on Amos 3:3. He said that even where congregations and individuals had disagreements they could be agreeable about them. We must learn to disagree where judgment required it without being disagreeable. In short if you must disagree don't be hasty about it. That is not the Christian way.

### Social Hour

The after church social hour was enjoyed with St. Paul's ladies as hostesses. Mr. H. E. Brown, Carmel Clerk of Session, expressed thanks on behalf of the visitors. The Carmel congregation as well as all visitors were welcomed in a brief yet neat address by the Recording Steward of St. Paul's Mr. Harold Hagerman.

### S.S. Birthday

The St. Paul's Sunday School sang "Happy Birthday" for Roger Davidson Sunday morning.

### Offering Boxes

Mrs. Arthur Morrison varnished the new boxes recently given to the church by Mr. Floyd Armstrong.

THE COMMODORES

Add old-time fiddling to the feats of the Commodores, known to listeners throughout Canada for their four-part rendition on CBC networks of sea chanteys, western ballads, Negro spirituals and "the old songs." The nautical giants haven't actually taken up violins yet, but they'll be backing Canada's 1953 champion old-time fiddlers on the CBC Trans-Canada network broadcast from the All-Canadian Open Old-Time Fiddlers' Contest in Shelburne, Ontario, Saturday, August 8th. The Commodores are (from top to bottom) John Ringham, of Vancouver, baritone; Donald Parrish, of Wallaceburg, Ontario, bass; Carl Tapscott, of Toronto, second tenor and arranger; and Harvard Reddick, of Bloomfield, Ontario, first tenor.

## Presentation Made Bride and Groom

A large number of friends and neighbours gathered at the home of Mr. and Mrs. Nelson Stapley, Madoc Junction, on Friday night, to honour their son and his bride, Mr. and Mrs. Samuel Stapley (nee Erma Vardy) who were recently married.

A short programme, under the chairmanship of Mr. A. Wannamaker, included community singing, led by Miss Gladys Clarke and Mrs. Maurice Clancy; piano solo by Miss Donna Stapley; selection on the accordion, by Miss Gladys Clarke; piano solo, by Mrs. Maurice Clancy.

Carl Reid read an address expressing congratulations and best wishes to Sam and Erma and also extending to Erma a warm welcome to the neighbourhood.

Mr. Vernon Clarke and Mr. Robert Chambers on behalf of the community and charivari boys presented the newlyweds with a lovely trillight floor lamp with illuminated base and two end tables.

Both Sam and Erma graciously thanked their friends for the good wishes and lovely gifts and extended an invitation to come and visit them.

All joined in singing, "Best Be the Tie That Binds."

Refreshments were then served and a social hour enjoyed.

## Past Grands' Club

A most delightful afternoon was enjoyed by members of the Past Grands Club at the home of Mrs. Carl Clancy, Harold. Sisters Evelyn Bailey and Debbie Brown, of Peterborough, were among the visitors.

The meeting opened with the singing of "O Canada" and all repeated the Lord's Prayer. Sister Mildred Morrow took charge of the business part of the meeting. Eleven members answered the roll call.

Sister Edna Fox thanked the club for box of chocolates and cards received while a patient in Kingston Hospital. The July meeting will be held in the lodge room when Sister Edna Fox will be installed as District Deputy President with each Past Grand helping on the lunch.

The Grandmothers put on the programme which was enjoyed by all. The hostess and her assistants served a most delicious pot luck lunch to which everyone did justice.

Sister Gladys Elliott moved a hearty vote of thanks to Sister Erma for opening her home for the meeting and for her fine hospitality and to all who helped on the programme.

## Mount Pleasant

### 25th Wedding Anniversary

Mr. and Mrs. Philip McAvoy were  
at home to their friends on Sunday,  
July 5th, it being the occasion of their  
25th wedding anniversary.

Mr. and Mrs. McAvoy have resided  
on the Frank McAvoy homestead all  
their married life and have eight at-  
tractive daughters, Agnes and Ileen  
on the staff of the Bell Telephone Co.,  
Reta a school teacher, Mrs. Roy (Han-  
ora) LaChappelle, Stella, Helen, Jean,  
Roseann and one son, Danny, are at  
home. They also have one grand  
daughter, Lanna Marie LaChappelle.

The tea table was prettily decorated  
with flowers and candles and centred  
with a beautiful decorated wedding  
cake. The honoured couple were the  
recipients of many lovely gifts of  
silver and were presented with a  
studio couch and chair from their  
family. They also received many con-  
gratulatory cards and messages.

Friends and relatives were present  
from Madoc, Belleville, Stirling,  
Frankford, Crookston and Foxboro.

Friends here join in wishing Mr. and  
Mrs. McAvoy many more years of  
health and happiness.

Hello Homemakers! Shimmering, clear jelly and tender, flavorful jam can be the delight of every homemaker who preserves fruit if she knows what kinds jelly readily and what conditions control the results. Here are a few reminders:

1. Fruits which do not make good jelly but can be made into jam readily are: apricots, peaches, plums and strawberries.
2. Fruits which make good jelly are red and black currants, gooseberries, quinces and mild-flavored apples.
3. When 1 cup ripe fruit and 2 cups

under-ripe are prepared for jelly there is better colour, flavour and pectin content.

4. Fruit that is low in acid or over-ripe should be mashed and measured then a small amount of lemon juice is added. We use 6 or 8 tbsps. of lemon juice per quart depending on ripeness of fruit.
5. In place of lemon juice, combine sweet and tart fruits such as, raspberry with red currant, blueberry with rhubarb, strawberry with gooseberry.
6. It is important to wash fruit to cleanse it thoroughly but using a

straw or colander will prevent water soaking of the fruit. For this reason we prefer to wash fruit before trimming of stems or pits.

7. To decide on the amount of water to add for extraction of juice mash the fruit or cut into pieces then pack in a measure or quart jar. Now, for each quart of blueberries, grapes or raspberries add 1 cup water. For each quart of currants, gooseberries or plums add 2 cups. For each quart of apples or crab-apples add 4 cups water. Do not add more water for the first extraction of juice since the prolonged heating will destroy pectin and flavor.
8. Never boil the pulp. Heat slowly to simmering and cook until very soft — about 20 to 25 mins.
9. Be sure to wring the jelly bag out of clear water then securely fasten in colander and over a deep kettle. Pour the hot, cooked fruit into bag and let drip. If you press the bag using 2 wooden spoons, there will be more jelly although jelly will not be clear.

10. When the juice has been extracted you can decide whether to use bottled or crystal pectin — or by testing a sample with denatured alcohol. (Follow directions for the addition of commercial pectin carefully. Do not vary the amounts.) To decide on the quantity of sugar to add to juice pour 1 tsp. of fruit juice and 1 tsp. of denatured alcohol onto a saucer and let stand 2 or 3 mins. If there is little or no liquid add 1 cup sugar for each cup of fruit juice. If there are 2 or 3 lumps with a little liquid measure ½ cup sugar for each cup of juice and if stringy mass, use only ¼ cup sugar per cup of juice. In fact it is wise to use commercial pectin if there is much liquid from your test. The testing jelly must never be tasted, and should be washed down the sink.
11. The measured juice and sugar should be boiled rapidly. Use a deep saucepan that fits the electric element as it will boil up twice its volume.
12. Keep testing the mixture as it may jell in 10 to 15 mins. Lift a spoonful and allow it to drip slowly from edge of spoon. The jelling stage is when two drops tend to pull together. Remove from heat at once, let stand 1 min. Skim and pour into sterilized jelly glasses.
13. Cover with a thin layer of melted paraffin after the jelly is set. Label and store in a cool place.

#### THE QUESTION BOX

Mrs. B. D. asks: Why does my neighbour make good jam from the sugared berries left over from supper but I cannot?

Answer: Perhaps she uses a measured quantity of sugar or is lucky since syrup may ooze out after good-looking jam has been stored. Too much sugar gives a weak jam and too little sugar a tough one.

Mrs. C. K. asks: Why does jelly ferment even though we take precautions of scrubbing and sterilizing jars?

Answer: If jelly is too soft the syrup will ferment and liquid forming around edge of wax may cause fer-

ANDREW COWAN

Andrew Cowan, the CBC's European representative has a background of experience that reads like a modern fiction novel. Before graduating with first class honors from the University of Glasgow, he worked in a Calgary steel plant. While in Scotland he spent summers on the River Clyde as a pursuer of a small steamer, and later became part of a government commission making a survey of the Highlands. Following a brief stay in London, he won a Commonwealth Fellowship to study in the United States. He joined the CBC in 1940 and after three years in Canada, was on his way overseas again as a war correspondent. His present job requires him to organize and co-ordinate CBC broadcasts originating in Europe.

mentation below wax.

Mrs. T. N. asks: Why do hard pieces form in grape jelly?

Answer: This problem only takes place in grapes due to the acid of this fruit. Let grape juice stand over night in a cool place before straining and adding sugar.

Anne Allan invites you to write to her c/o News-Argus. Send in your suggestions on homemaking problems and watch this column for replies.

#### HE THAT BRIDLETH NOT HIS TONGUE THAT MAN'S RELIGION IS VAIN

Some years ago a pastor was accused of making love to a married woman of his church. The story spread far and wide. That same pastor visited a prison and one of the keepers said to him, "there are better men than you are here." Those words made no end of trouble and unnecessary expense for general persons which could all have been avoided if that keeper had bridled his tongue.

Why is it that scandal, true or false, is like a burr blown in the wind. It picks up all manner of things, thread and fluff and twine until it is a large ball. So be it with little harmless sounding stories.

#### CONSERVATION NEWS!

Don't Relax Fire Precautions

No new fires were reported in the Tweed District during the past week as frequent showers contributed to generally low and medium hazard conditions.

What a few moments' carelessness can cause, however, was demonstrated by a large blaze which broke out south of the fire boundary in Ernestown Township, July 3rd. A rubbish fire, not properly attended, broke out of control and spread over an area of 75 acres.

"Don't disregard precautions at any time" say members of the Department's Protection Staff, and they should know. Already fires in Ontario this year have burned over three times the area destroyed all last season and most of the fires resulted from carelessness.

Campers, tourists and berry pickers who frequent the district in large numbers during July and August, are especially warned to extinguish campfires and smoking materials.

#### Blueberries Are Ripe

The week of July 1st opened this year's blueberry season. By the weekend, pickers were becoming more numerous in the Kaladar area. This is one of the favourite spots, and if sufficient rain falls a good crop will develop.

Many local families throughout the Townships of Madoc, Elzevir, Kaladar, Kennebec, Olden, and Oso, are able to add some extra cash to their income from the blueberry crop. Outsiders also come into the area to camp during the season, generally, whole families, as everybody can help. Soon the highway will be lined with signs of all shapes and sizes reading "Blueberries for Sale."

Some of the land is owned by the Crown, but many other areas are private land. Regular pickers are care-

ful not to trespass on private land, but occasionally outsiders will find themselves ordered off private property. Although the burned over rocky hills, where the blueberries thrive, are often spoken of as a wasteland, the cash value of the blueberry crop should be considered.

#### Junior Rangers Start On Summer Work

Two groups of Junior Rangers reported to the Tweed District on June 29th all set for summer work on Department of Lands and Forests Improvement projects. Essentially the Junior Ranger programme is designed to acquaint young men 17 and 18 years of age with the work of the Department in a practical way. In addition to such jobs as brushing out telephone lines, improving roads and trails, clearing campsites, and sometimes, if need be, fighting fires, the boys are given special instruction and training in a number of Department activities.

One of the first tasks of the rangers in charge was to teach their proteges how to handle an axe and other tools properly, and familiarize them with safety rules. By the end of August when the project terminates, the young rangers will have learned something about the principles of fish and wildlife management, how timber is estimated, the importance of reforestation, and how fires are detected and controlled.

The combination of hard work, fresh air and good meals rarely fails to send the boys home with toughened muscles and pounds heavier. Swimming and other recreation after hours is arranged and under the supervision of the ranger in charge.

This year Junior Ranger Camps, with 14 boys in each are based at Mazinaw Lake, north of Bon Echo, and on Highway 62 at the Gilmour Deputy Headquarters.

#### Anglers Checked At 1000 Islands Bridge

Very good fishing is reported from most localities in the Tweed District, with visiting anglers numerous. Excellent catches of pickerel and black bass were taken in Hay Bay and eastern end of Lake Ontario.

Departing anglers were checked at the 1000 Island Bridge over the July 4th week-end by Conservation Officers of the Rideau and Tweed Districts. Approximately 3,000 fishermen were interviewed 75% of whom reported good fishing.

A number were found exceeding exportation limits and lost most of the

joy of the holiday. Questioning revealed that few licensees take the time to acquaint themselves with the regulations printed for their convenience on the back of the license and regrettably also it appears that too few Canadians try to encourage visitors in this connection.

Among those questioned was a pair of newlyweds who were so appreciative of the good fishing they decided to do a little restocking of their own. Officers learned that the couple captured a number of rock bass and keeping them in a container of cold water moved to another lake where they had some good fishing, and then released the rock bass as a conservation measure. It was only when they arrived at the bridge did they learn that the Department had just finished netting out most of the rock bass in this particular lake to give better species a chance.

From observations made during the border check it was evident most anglers still attach great importance to getting their limit and seeing how many they can take home. It is revealing to see the large quantities of fish being transported during a single day at most border points, and while it seems to indicate a vast source of supply, one can't help wondering how long it can survive. Conservation can be practiced if anglers learn to concentrate more on the sport of fishing and forget about shooting for their limit.

#### Trapping Meetings Held

Conservation Officers held Trapping Meetings recently at Bancroft and White, attended by local trappers. New licenses were issued for the 1953-54 season and changes in the regulations discussed.

Trappers supplied information on prevalence of various wildlife species, and reported "cut-out" of food near beaver colonies in some cases. It is apparent that in spite of the heavy harvest of beaver last season the population still remains very high.

#### CAMPBELLFORD HOSPITAL NEARING COMPLETION

Workmen are busy at the Campbellford Memorial Hospital, adding the finishing touches to the building before it is opened.

Equipment and furnishings are being moved into part of the building, where they will be stored.

All of the equipment is of the latest design.

## "JUNIOR JUMBLE"

News of Interest to 4-H and Junior Farmers in Hastings County

(by A. O. Dalrymple)

Recently, a very comprehensive pamphlet outlining the 4-H Club movement in Canada has been prepared, and is now available to 4-H Club Members in Hastings County, as well as throughout Canada, and I quote in part as follows, from the pamphlet:

The 4-H Club movement in Canada is a nation-wide programme designed for rural boys and girls between the ages of 10 and 21 years. The individual 4-H Club is composed of young people participating in farming, home-making, and community activities. Guidance is given by extension workers from the Department of Agriculture with assistance from sponsoring organizations and voluntary leaders.

### Objectives of the 4-H Clubs

Basically the purposes and objectives of 4-H Club Work are the same as those of extension work for adults. Both are concerned with making rural life more attractive and influencing farm people to adopt improved practices.

- 4-H Club Work helps rural youth:
  - (1) To develop pride in ownership.
  - (2) To accept and discharge responsibility.
  - (3) To develop a scientific attitude towards the farm and home.
  - (4) To develop talents for greater usefulness.
  - (5) To reach their fullest development as Christian citizens.

(6) To create better homes for better living and to unite parents and young people in a common interest.

The principle of 4-H Club Work is to "Learn To Do By Doing." As a member of a 4-H Club each boy or girl is personally responsible for a project. This is located on the home farm. Also, each group elects its own officers and plans and conducts programs based on the needs and interests of the members. Regular meetings with training in parliamentary procedure and support of community activities are important features of their programmes. Like Boy Scouts and Girl Guides, 4-H Club Work is a large international movement and now embraces rural youth in some 18 countries.

The official emblem in Canada, as in a number of other countries, is the green 4 leaf clover with the letter "H" on each leaf to symbolize equal training of the 4-H's which stand for Head, Heart, Hands and Health. The 4-H Pledge is:

I pledge —  
My Head to clearer thinking,  
My Heart to greater loyalty,  
My Hands to larger service,  
My Health to better living, for my club, my community and my country.

### The National 4-H Council

The Canadian Council on 4-H Clubs, incorporated in 1933, is the national organization through which the entire 4-H Club program in Canada is co-ordinated. The Council's membership includes the various Departments of Agriculture and a large number of prominent business and agricultural organizations.

In addition to leadership and assistance rendered in developing the 4-H movement across Canada, the Council provides annually a National 4-H Club Week. During this event, which is the climax of each year's programme, proficiency winners representing each province in Canada compete in national competition.

The trip to National 4-H Club Week is the highest award a club member can achieve. It provides an "adventure in citizenship" for carefully selected club members and as a result is building a closer relationship and better understanding among Canadian farm youth."

### How To Keep Your Farm Help

One of the problems most frequently encountered by Ontario farmers is the keeping of good hired help. An investigation of this problem as it applied to 16 Ontario townships has been completed by Professors S. H. Lane and D. R. Campbell of the Department of Agricultural Economics, O.A.C. A total of 330 farmers and 137 farm hands in these townships were each asked what things a farmer should keep in mind if he wanted to hire and hold good help. Such factors as working hours, living quarters, mechanization, and harsh criticism were set forth to be listed in order of importance.

Both farmers and farm hands placed reasonable and regular hours first, good food and living quarters second, and good wages third; but following these the farmers often differed from their help in estimating what the help considered more important. For instance, farm labourers rated mechan-

ization, successful farming, and a definite agreement on wages and employment much more highly than did their employers.

Farmers can get complete information on what factors contribute most to a satisfactory relationship between themselves and their help by obtaining Circular 177, "How To Keep Your Farm Help." It is available at the office of the agricultural representative or from the Department of Agricultural Economics, O.A.C., Guelph.

### Control of Potato Insects

Flea beetles, potato leaf hopper and potato beetles have been active in many areas in Ontario, reveals Prof. H. W. Goble, provincial entomologist, Ontario Agricultural College, Guelph. Some fields have already been noticed in which the tips of the potato leaves are brown from "hopper burn," says Prof. Goble, and many of the "slugs" of potato beetles have hatched, and eggs are plentiful on the leaves.

The flea beetle is a small black beetle that jumps readily when disturbed, and causes shot-like holes in the lower leaves. The potato beetle has the familiar stripes in the adult stage, and leaves yellow eggs on the under side of the leaves.

All these potato pests are controlled by DDT spray dust. Since early blight may be present, the DDT should be applied in combination with a fungicide before the insects have caused damage. Experimental work indicates that increased yield results from DDT application.

Specific recommendations for potato growers are supplied in the 1953 Vegetable Protection Calendar, available now at the office of the agricultural representative.

### WEED OF THE WEEK

#### DODDER VICIOUS ENEMY OF CLOVER CROPS

A parasite in every sense and not a true weed, Dodder is number one enemy as far as clover crops are concerned. Living on the host plant Dodder becomes a ruthless destroyer by strangling the growth to which it attaches itself.

It is for this reason that Dodder is sometimes known as Strangle Weed, or more inelegantly, Devil's Gut. It is a dangerous weed as it can affect legume crops wherever it gets a foothold.

As Dodder is difficult to separate from clover seed, every attention should be given to see that it does not spread, if we wish to produce and market clover seeds. Every precaution must be taken to prevent its introduction to farms that are at present free from this menace.

Dodder is easily recognized, as it has no leaves. The numerous fine yellow stems, twine themselves around clovers, buckwheat, flax and most weed plants. By sending short teeth or suckers into the host plant, Dodder absorbs its food, depriving this plant of nourishment and in time killing the host. As soon as Dodder seed germinates and forms contact with a plant, it releases its hold on the ground and spreads from plant to plant. Thick clusters of white flowers in turn produce seed pods, with many hard, grey or yellowish-brown seeds.

Prevention is the best means of control. Use only seed that has been officially graded by the Canadian Seed Laboratory. Under the Seeds Act, Dodder is classed as a prohibited noxious weed seed and seed containing Dodder cannot legally be offered for sale in Canada.

At the first sign of Dodder, all crops must be cut before seed is produced. If mature seed is present, the crop should be destroyed by burning to be sure that Dodder does not spread. Dodder must never be allowed to produce seed. Infested land should be summer fallowed, followed by a good hoe crop. Seed may lie dormant in the soil for years but when sufficient moisture is present, seeds are more likely to germinate. Although cereals will not support Dodder, it will grow on broad leaved weeds and clovers, therefore be certain that fields are as weed free as possible and seed down only with grasses.

### Liberals Drop Out Prince Edward

Liberals of Prince Edward-Lennox federal riding, will not enter a candidate in the approaching election. This action was taken at a meeting of the representatives of the various polls held last week. Officers of the association reported that a number of men had been approached as possible candidates, without success.

### Weed Control Circular Valuable Guide To Growers

Invaluable to the farmer and others interested in weed control, the Advisory Committee on Herbicides for Ontario, has issued its 1953 Guide to Chemical Weed and Brush Control. Known as Extension Circular No. 75A it may be obtained through the Statistics and Publications Branch of the Ontario Department of Agriculture, Toronto, the Crops, Seeds and Weeds Branch of the Department, of the local Agricultural Representative. At the same time the committee has published, in revised form, its handbook on Chemical Weed Control, issued as Circular No. 75, copies may be obtained from the same sources.

The 1953 guide details all types of weed killers suitable for various crops and conditions. A chart of recommendations indicates proper procedures for weed control in field and horticultural crops and weed and brush control on roadsides and waste places. While of primary interest to the farmer, the urban dweller will find in the circular the proper treatment and method of application for the control of growth on tennis courts, driveways, walks and parking areas.

The publication on Chemical Weed Control is an exhaustive study containing information with respect to various herbicides, methods of application and suitable spraying equipment.

### Lifetime Milk Producer

For most of her almost twenty years of life, Mina Fayne Korndyke has been pouring forth the milk until today she has a lifetime production of 201,553 lbs. milk containing 7591 lbs. fat, average test 3.76 percent butterfat, making her top living lifetime producer in Canada. Mina made this production in fourteen lactations, all on twice-a-day milking on official Record of Performance test. Only one other Holstein cow in Canada has ever completed fourteen lactations on R.O.P. test and Mina is only the second cow to qualify on twice-a-day milking for a Gold Ribbon Certificate of Longtime Production presented by the Holstein-Friesian Association of Canada for a lifetime records exceeding 200,000 lbs. of 3.4 percent milk. "Mina has spent her lifetime in the herd of her breeder and owner, J. H. Jose & Sons, of Newcastle, Ont. She calved recently and has started on her fifteenth R.O.P. record, milking easily at 40 lbs. daily.

Mina has made no exceptionally large records but her production has been consistently good throughout her lifetime. Her highest individual production was made as a six year old when she produced in 365 days 657 lbs. fat from 17,164 lbs. milk. During her lifetime she has given birth to fifteen calves, never having had twins. Mina has an inheritance for long-

time production, four of her sisters having respectively of 161,004 lbs. milk, 122,957 lbs. milk, 119,894 lbs. milk and 113,239 lbs. milk. On both sides of her pedigree she carries some of the same blood as Susie Korndyke Fayne Lass, the Canadian Champion lifetime milk producer, regardless of times milked daily with her nine lactation lifetime total of 230,179 lbs. milk containing 7,557 lbs. fat, made on three times-a-day milking, made in the herd of Eaton Hall Farm, King, Ontario.

### CPR To Modernize Passenger Equip.

"Transcontinental travel in Canada will be radically improved when the Canadian Pacific Railway takes delivery, commencing early in 1954, of a \$38,000,000 order for 155 new lightweight all-steel streamlined passenger cars on order with the Budd Company," N. R. Crump, vice-president said recently.

"While we have not been unmindful of the pressing need for modernization of our passenger equipment, we were not able to build or order new passenger cars during the war years," Mr. Crump stated, "and following the war it was our first and most urgent duty to provide new freight train equipment to meet the demands of the country's fast-expanding economy."

The order includes 36 observation cars of the "Vista Dome" type which have proven such an effective means of improving passenger train patronage in the United States. The acquisition of these units will enable the Canadian traveller and the American tourist to enjoy to the fullest extent the magnificent scenery throughout the entire Canadian Pacific route between Montreal or Toronto and Vancouver.

These 36 "dome" cars have a 24-seat upper level, completely enclosed with heat resisting, glare-proof glass, which provides full vision in all directions. Half of these cars are sleeper-lounge observation and the balance are coach-buffet observation.

There are 30 day coaches, as well as the "dome" coaches, equipped with reclining seats having full length leg rests which have proven so popular with coach passengers on overnight and transcontinental journeys.

There are 71 sleeping cars which embody a variety of space ranging from the standard section through duplex roomettes, roomettes, bedrooms, compartments to drawing rooms. These rooms are so designed as to provide easy-chair comfort during the daytime and have "Murphy-type" beds for night use. One of the outstanding features of the bedrooms, compartments and drawing rooms is that completely enclosed private toilet facilities are provided, as well as separate washing facilities.

The 18 modern dining cars included in the order are completely equipped with electrical refrigeration and propane gas cooking units to cater to passengers who desire regular dining car service. In addition, each "dome" coach is equipped with a buffet section to provide restaurant service at lower prices. This arrangement is

an innovation in Canada, since it will allow the traveller flexibility in the choice of meal prices.

"The completion of the railway from the east to the Pacific Coast forged the link which welded Canada into a nation," remarked Mr. Crump, "and the Canadian Pacific has since endeavored to provide the Canadian people with a complete transportation service. This equipment, the equivalent of fifteen complete trains, is being built after long and exhaustive studies by the company to determine the equipment best suited to the needs of the public and to keep pace with the rapid growth of the country."

story found there taught its own lesson. Rev. W. H. V. Walker led the meeting in prayer. Mrs. W. L. Munro had charge of the roll call. The word "prayer" was the keyword. In September the keyword is to be "Love." Let each member keep the word "love" in her heart. The September meeting is to be held at the home of Mrs. A. O. Dalrymple.

Mrs. E. Hoard had charge of the second part of the meeting. She opened this part by reading a poem which was most suitable to the meeting. Mrs. R. A. Hermiston gave the account of the Summer Rally in Picton. A new project, a Presbyterian Training Course is to begin in the fall with a committee of fifteen members and the Press Secretary is to be one of the members. A team of four members is to visit Kingston Presbytery from November 9th to 13th, with five meetings in the Presbytery. One of these meetings is to be in Stirling, two in Belleville and two in Kingston.

Mrs. Smart's opening and closing words were, "Hold high the torch, you did not light its glow, 'twas given by other hands you know." With these words entrusted in our hearts let us put first thing first and strive to carry out Christ's command. "Go ye." Mrs. Vernon Matthews delighted the meeting by playing a piano solo.

Mrs. A. O. Dalrymple gave a very sincere and timely topic on "Prayer." Today people are becoming more conscious than ever of the hopelessness of thinking and acting without God. Fear is abroad that world destruction faces us if we continue in our determined effort to ignore God. What future is there for the rising generation without a vital faith in the Living God?

The meeting closed by all repeating together the Lord's Prayer. Mrs. Walker, Mrs. E. Hoard and Mrs. Vernon Matthews served a very enjoyable afternoon tea. After a social half hour, Mrs. R. Eggleton on behalf of the society, expressed their hearty appreciation to Mrs. Walker and her helpers for the fine missionary programme and tea.

### Mr. and Mrs. Chas. Wells Celebrate Golden Wedding

On Wednesday, July 8th, Mr. and Mrs. Chas. Wells, of Marmora, celebrated their 50th wedding anniversary. They were at home to their many friends from 3 to 5 in the afternoon and in the evening from 8 until late. Especially in the evening the house was filled with friends and neighbours who came to pay tribute to two of Marmora Township's most highly esteemed citizens and to offer congratulations and best wishes.

Mr. and Mrs. Wells have lived on the same farm in Marmora Township all their married life. They had a family of seven sons and three daughters, seven of whom were home for the celebration. Two sons, Vaughn and Irwin and one daughter Gertrude, passed away some years ago.

They have all made a success in their chosen vocation and have served their communities well in various capacities.

During the evening a programme of songs, brief addresses by friends and neighbours, the reading of an address of appreciation, etc., was enjoyed by those present, after which a delicious lunch was served. —Marmora Herald.

Messrs. Harold J. Wells, local garage operator, and C. A. Wells, Village Councillor, and a members of the staff of the local High School, are sons, and they and their families attended the family gathering.

### Hastings Junior Farmers' Field Day Championship Won By Sidney

Miss Kathleen Homan of Thurlow Junior Institute Is Chosen "Miss Hastings"

On Wednesday July 15th, the Hastings County Junior Farmers' Association held their annual County Field Day. The Sidney Junior Farmer and Junior Institutes were the winners of the Field Day with a total of 65 points. The Madoc Juniors were the runners up with a total of 28 points.

In the Boys' Softball, the Sidney club defeated the Tyendinaga club and went into the finals with Madoc. Madoc had defeated the Thurlow Club. The Madoc-Sidney game was a close hard fought game, although the Sidney Club did win by a wide score. The Sidney Junior Institute won the Girls' Softball event by defeating the Madoc Club, and winning the final game with Thurlow.

The tug-of-war winner was Thurlow Junior Farmer Team. In the eliminations, the Thurlow Team pulled the Sidney entry in two out of three falls. The teams were very evenly matched. The Thurlow team pulled the Madoc team in two straight in the finals.

The Sidney Relay Team were the winners of the boys half mile relay. Thurlow was second and the Tyendinaga entry third.

The result of the girls relay was Sidney first; Madoc second; Thurlow third.

Frank Harry, Sidney Club, was the winner of the boys 100 yard dash. Ted Aikens, also of Sidney, was second, with Lynn Cole, Tyendinaga, third.

Sidney had the first two winners in the girls 75 yard dash, with Helen Burklitt being first and Jean Frost, second. Muriel Swan of Thurlow Junior Institute was third.

The Madoc Junior Institute walked away with the Girls' Softball Throw when Bernadette Thompson, Donna Rollins and Molly Franks won first, second and third respectively.

Frank Harry, Sidney Juniors, was the winner of the boys' softball throw with Glen Franks, Madoc, second and Lynn Leavens, Thurlow, third.

In the Girls' High Jump, Jean Frost, Sidney Junior Institute was the winner, with Bernadette Thompson, of Madoc, second, and Donna Rollins, of Madoc, third.

Lynn Cole, Tyendinaga Club, won the Boys' High Jump, with Frank Harry, Sidney Club, second, and Jack McMurray, from Madoc Club, third.

A new feature of the Field Day this year was a Girls' Shoe Kick. Rosalyn McAllister, Thurlow, was the winner; Marion Bush, Sidney, was second, and Muriel Swan, Thurlow, third.

The Field Day concluded with a dance and presentation night. The Lee Grills Trophy, for the outstanding girl athlete was awarded jointly to Jean Frost, Sidney, and Bernadette Thompson, Madoc. The presentation was made by Mr. Lee Grills. Warden J. Kincaid, presented Frank Harry, of Sidney, with the trophy for the outstanding boy athlete.

Chosen "Miss Hastings"

Miss Kathleen Homan, President of Thurlow Junior Institute, was chosen as "Miss Hastings," and presented with the Madoc Junior Farmer Trophy by President of Madoc Club, Don McKinnon. The "Miss Hastings" award is made for the outstanding girl in Junior Work, in Hastings County.

### Entertains Executive O.C.C.E., Sidney

On Wednesday evening the executive of the O.C.C.E. Sidney Township, were entertained at the home of the President, Mrs. Warren Harlow.

A short meeting was held with the Scripture being read by Sid Martin, followed by prayer by Floyd McInnes. S. Martin suggested that the teachers as a group try to attend the Templeton Mission in Belleville the end of September. A letter of get well wishes was authorized to be sent to Walter Morrow.

David Hollinger, on behalf of the executive, voiced their regret at the resignation of the Secretary, Gene Lohnes, who had been so capable and conscientious in his work, and Harleigh Hamilton made the presentation of an appropriate gift. The benediction was pronounced by David Hollinger.

Refreshments were served by the hostess assisted by Mrs. Hamilton. Coloured pictures were shown by Messrs. S. Martin and G. Lohnes to complete the evening's entertainment.

### Local Musician At Fred Waring School

Mrs. Muriel S. Baker, of Stirling, Music Supervisor and Vocal Teacher is among a select group of 110 professional musicians attending the Fred Waring Choral Workshop at Delaware Water Gap, Pa. this week. The six-day, highly concentrated course in choral techniques is taught by the same instructors who train the famous Waring Pennsylvaniaans and is headed by Fred Waring himself.

A special feature in this year's instruction in the class in television orientation by Bob Banner, director of the Waring television show for General Electric. A TV camera and equipment are in action in the Music Hall, and the course is designed to give a working knowledge of television techniques to music directors.

Demonstrations of choral conducting, microphone and tape recording sessions, lectures on choral arranging, enunciation, programme building, and other practical information of help to the choral conductor are also being given by this professionally experienced staff of Waring singers, conductors and arrangers.

This is the Waring Workshop's seventh season and its first in its new permanent home at Delaware Water Gap, Pa. Students are living in the newly remodeled Edgar Davis Inn, in the east wing of the Hotel Enterprise Building.

### Rawdon Lawn Social Successful

Good Programme of Sports Presented — Kiltie Band From Havelock Is Present

On Friday evening, July 17th, the Parsonage Board of Rawdon Circuit held their third annual Lawn Social on the school grounds at Wellman's. The evening was ideal and almost 400 people were in attendance. This included folks from the Circuit and visitors from Toronto, Springbrook, English Line, Trenton, Havelock, Burnbrae, Carmel, Stirling and other points.

There were about 270 paid admissions and the entertainers of softball, tug of war, public school children and band received complimentary tickets.

Fifteen members of Havelock Pipe Band dressed in kilts, delighted the audience with Scotch music and the shrill of the pipes as the group marched about the spacious lawn was pleasing to the ear.

There were two ball games, senior Mount Pleasant boys against Wellman's, with the latter winning and Mount Pleasant Juniors played and won over a mixed team of juniors from Wellman's and Bethel.

In the tug-of-war contests, Rawdon Circuit won 2 out of 3 with Carmel, while Mount Pleasant won 2 out of 3 in competition with a mixed group from Wellman's and Bethel.

The various booths were nicely decorated with flowers and Mount Pleasant ladies provided and convened the "Grab Box Sale" of articles.

Bethel ladies provided and convened the Homemade Candy Booth and they sold the confectionery in bags and boxes.

Wellman's ladies provided and convened the "Fish Pond" to the delight of the children.

There was also a booth selling soft-drinks, ice cream and confectionery. Benches and chairs were provided for the social parties.

The Parsonage Board members and their assistants arranged the plates and all enjoyed a plate lunch consisting of sandwiches, pickles, cheese, pie and coffee.

Something over \$110.00 was cleared from this venture and the money will go to the Parsonage Fund.

This Lawn Social is an annual affair. It promotes friendliness on the Circuit and provides extra funds for repairs to the Parsonage. Rev. and Mrs. R. R. Bonsteel are away on holidays so various church officials assumed special duties. The gathering broke up about midnight and the Parsonage Board are pleased with their profit.

### Bowling Notes

Three rinks of Stirling bowlers attended the Cavalier Men's Triples Tournament held on the Belleville Greens on Saturday last, with one rink F. Jeffrey, E. Fox and H. R. ### Mt. Pleasant Aux. Entertains Two Bands

The Missionary Auxiliary at Mount Pleasant convened at the church hall on Wednesday afternoon and entertained the leaders and members of the Mission Band and Baby Band and their mothers. There were 18 W.M.S. members, 15 adult visitors and 35 children in attendance. The President, Mrs. Burton Sharpe, welcomed the

group and read a poem, "The Story of Jesus Love." Mrs. Ross Hoard presided at the piano and all sang, "Blest Are The Pure In Heart." A Psalm was read in unison followed by prayer. The minutes were read and roll call taken. The August meeting will be held at the church. Misses Raye David and Gail Jeffs gathered the offering and Mrs. James Sharp dedicated it. The loose collection was divided between the Mission Band and the Baby Band and each had \$2.65.

Mrs. Percy MacMullen presented

Miss Ruth Linn with a gift of ten dollars from the Cemetery Fund for the splendid work of herself and the assistants in serving refreshments at the Hubble Hill Memorial Service.

Ruth graciously thanked all those who had assisted with the serving and was pleased with the gift which would help along their allocation.

Miss Ina Scott presided for the Mission Band and Miss Marie Simpson read the minutes and roll call. Misses Gail Jeffs and Raye David sang, "That's Why I Love Him So," with Mrs. Will Jeffs as accompanist. Miss Carol Sharpe sang, "Father We Thank Thee," with her mother as accompanist. David Potts and Raeburn Scott sang, "It Is No Secret," with Mrs. C. Potts as accompanist.

Miss Ruth Linn introduced Miss Doris Donnan, who is a student of the Brockville Bible College. Doris led in the singing of two missionary choruses with special words. The speaker gave a flannelgraph story of an Indian boy entitled, "A Handful of Wheat." She pictured hope for the hopeless starving people of that land and told a true story of a native Evangelist. Doris pointed out to the children that dusky faces in India look to us in Canada for joy and peace. She closed with a vocal selection, "Send The Gospel Tiding Over Land And Sea."

Mrs. Herbert Smith, assistant leader, voiced thanks to Doris for her message and Jean Sharpe presented the speaker with a lovely bouquet of roses.

The Mission Band had a grab box sale and realized six dollars, after which the Auxiliary members served sandwiches, cookies and lemonade.

Mrs. Melville Donnan was also a guest at the meeting.

Our broad land: It is 4,543 miles from St. John's Newfoundland, to British Columbia's Prince Rupert.

### Mrs. D. M. Sine Hostess To Salem W.A.

The July meeting of Salem W.A. was held on Thursday afternoon, July 9th at the home of Mrs. D. M. Sine, with 27 ladies and several children present.

Mrs. Mayo opened the meeting with a poem, "Across The Road," followed by the theme song and prayer. Hymn "What A Friend We Have In Jesus" was sung.

Mrs. George Sine had charge of the programme and opened with hymn 488. Mrs. Brown led in prayer. Readings were given by Mrs. H. Holden, Barbara Twiddy and Mrs. L. Hagerman. Miss Linda Sine accompanied by Mrs. Geo. Sine, favoured with an accordion solo.

Mrs. T. Clements read an article, "Around Muskoka Lakes," written by Miss Matthews. Marion and Shirley Broadworth sang a duet, with Miss E. Bush at the piano.

Mrs. Delbert Sine introduced Miss Heasman, who gave a very interesting and informative talk of her work while teaching on exchange in England. She told also of the different places she had visited in England and on the Continent.

Miss Heasman was thanked by Mrs. F. McGee. Mrs. McGee expressed thanks also to the hostess, the children and others, who took part in the programme.

The meeting closed with hymn 376 and benediction.

Marion Broadworth conducted a contest after which the hostess and her assistants served a delicious lunch.

### St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

#### Many Visitors

Centennial Year and the holiday season have brought many visitors to St. Paul's. The first worshippers to arrive last Sunday week were Mr. and Mrs. Jos. Ash and Miss Helen Sharp, all of Niagara Falls, N.Y. They were accompanied by Mrs. Hiram Dafee.

#### Albert Scholarship

In 1927 the Belleville Presbytery made a grant toward a Scholarship at Albert College. It would seem a desirable thing that the Presbytery should study the feasibility of a special Centennial Year Scholarship, if not an annual one. Albert is planning a great Centennial Year in 1956-57.

#### Kingston Envoy

Mrs. F. J. Ubell, of the Salvation Army, Kingston, will be our special speaker next Sunday morning.

#### Kiwanis Club

A splendid directory of the churches of Trenton has been prepared by the Kiwanis Club of Trenton displaying a good photograph of each church and indicating the hours of Sunday services. These have been framed and hung in public meeting places including restaurants. This is a fine public ministry for which the Kiwanis Club is to be commended.

#### Stirling Playground

Victoria Park, Stirling, is the mecca for a large number of village boys and girls these days. Mr. and Mrs. J. Irish are in charge. Their interest in young Canada is most praiseworthy. The municipality is commended for the opening of this summer ministry in Stirling.

The money spent upon the summer care of our children is not wasted. It is an investment.

#### Thanks

St. Paul's congregation is grateful to Mr. Floyd Armstrong for the loan of the platform lumber used for its Centennial ceremonies held on the church lawn; to Mm. Wm. Aylsworth, of Madoc, who did all the masonry and supplied all the materials, driving to and from Madoc several times specially for the purpose of making ready the wall and later sealing it and to Mr. A. C. Campbell who did the stone carving and provided two of the stones.

#### Press Reports

We are grateful to Mrs. Percy MacMullen, of Sunrise Lodge, correspondent of the Ontario Intelligencer and Centennial Press representative for the many excellent detailed reports of Centennial Year events.

#### Annual Report

The report of St. Paul's and Carmel Churches for the year 1952 has now been distributed to all subscribers of record. If there is any error or omission in the publication of gifts it is regretted. The first column in the report lists Anniversary Thank-Offering gifts; the second gifts through the black printed pocket of the weekly en-

velope; the third gifts through the red printed pocket of the weekly envelope; fourth gifts to the Woman's Missionary Auxiliary; the fifth col-

uma records all special gifts made to the choir, Sunday School, Woman's Association, Endowment Fund, Church Renovation, Lenten Self Denial, etc.

Each member and adherent is invited to use our weekly envelopes and to give regularly in both pockets of the envelope. Specially designated gifts may be indicated on the red pocket side of the envelope. Unless marked otherwise all gifts in this pocket will be credited to the Missionary and Maintenance Fund.

It is hoped that everyone will strive to make Centennial Year an outstanding one financially even if there is no

major appeal for support.

#### Treasurers

The courtesy and promptness of Mr. Albert Wells, Treasurer of St. Paul's and Mr. Arthur Pyear, Treasurer of Carmel, are most praiseworthy. These two executive officers anticipate the minister's need and co-operate with him most helpfully. Salary payments are made promptly and where desired, offered in advance with a charming grace. We can only hope that every Pastor enjoys such excellent co-operation. It is most humiliating and often embarrassing for a minister to experience any delay in receiving his

monthly cheque.

#### W.A. Hospitality

As the first period of evening services of the Centennial Year is completed we record our deep appreciation of the work of the Woman's Association of St. Paul's in extending after service hospitality to our many visitors. We have not heard a "grumbler" among them. W.A. Ladies your "stock" is up.

#### Library Roof

The painting of the Carnegie Public Library roof on Main Street Stirling has enhanced the appearance of this building.

#### Welcome Signs

For some months the "Welcome To Stirling" signs on the Ridge Road and Highway No. 14 approaches to our village have been a reproach to us. These should be restored or removed. With the many civic improvements attractive village welcome signs would add an atmosphere to lovely Stirling.

#### SOURCE OF REVENUE

Provincial and federal governments obtain, directly and indirectly, revenues out of all proportion to the sums they expend on the forests of the Crown.

### TRAVELLING MONEY

Today's traveller, before setting out, usually visits his bank. He will be buying travellers cheques or arranging a letter of credit. He may want letters of introduction, or information about foreign exchange. When you travel for business or pleasure, your local bank can help smooth the way.

### THE BANKS SERVING YOUR COMMUNITY

The Liberals say  
they can't cut your taxes!

**WE CAN...  
WE WILL!**

the *Main Issue*  
in this election is  
**YOUR MONEY!**

**We will budget for Government's legitimate needs... we will stop budgeting for bloated surpluses which—in three years—look from the people's pockets the staggering sum of \$1,618,000,000 more than the Government needed.**

**We will end the shocking conditions in our Defence Department which the Government's own investigator, (Col. G. S. Currie) described as: "A general breakdown in the system of administration, supervision and accounting... Accounting records in a chaotic condition and of little use in determining the nature and extent of irregularities... Waste and inefficiency far more costly in loss than that covered by actual dishonesty".**

**We will, without impairing the efficiency of our Armed Forces, correct the appalling inefficiencies in the administration of the Department of National Defence.**

**We will provide the nation with an administration whose attitude towards the spending of public monies will be one of prudence and common sense. A new Government in itself will mean substantial savings to the taxpayer—it will replace a Government whose arrogant indifference to economy was best expressed by Mr. Howe's scornful remark, "What's a Million?". Or, "If they need a gold-plated piano it is our duty to buy it".**

**We will reduce or eliminate countless hidden, indirect taxes which grossly inflate the cost of consumer goods, add to the grievous cost of living, increase the price of homes beyond the capacity of most of our people to pay, discourage saving and initiative.**

**VOTE**

**VOTE X**

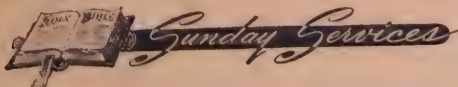

**We will reduce federal taxes by at least \$500,000,000 a year... without reducing any pensions, family allowances, or other social security payments.**

**\$500,000,000  
TAX CUT  
NOW!**

#### West Huntingdon

The Sunday Services in the United  
Church during the month of July are  
proving very inspiring and helpful.  
Various Sunday School Classes are  
conducting the services. The July 12th  
service was taken by Mrs. John  
Jeffrey and Mrs. Ted Pollock's Jun-  
ior Classes. Sharon Hammond was  
chairlady.

Bernice McCurdy and Bonnie  
Browning conducted the Psalm and  
Scripture Reading and Mrs. John Je-  
ffrey offered prayer. Mrs. Ted Pollock  
told the children's story. The Misses

on the subject "And Never The Twain  
Shall Meet."

The Junior Boy's Class had charge  
of the service on July 19th. Kenneth  
Post, former member of the group was  
chairman. Ronnie Kellar and Bryce  
Lockhart gave a duet. Grant Thomp-  
son as a guest of the class, gave as a  
piano selection, "Can A Little Child  
Like Me." Bobbie Browning conducted  
the Scripture Reading. Peter Grant  
offered prayer. Jas. and Brent Gray  
gathered the offering. Helpful poems  
were read by James Gray and Bryce  
Lockhart.

The sermon on the subject, "The  
Crime of Being Young" was given in  
three parts by Peter Grant, Bernard  
Ashley and Ronnie Kellar.

The attendance thus far has been  
good. The young ladies' and young  
men's classes will have charge of the  
service on July 26th.

### Quick Can. Quiz

1. In 1901, of every ten Canadians better than 6 lived on the farm and less than 4 in the cities and towns. What is the proportion today?
2. Which is the smallest of the Great Lakes?
3. In 1949 Canadians paid \$789 million to Ottawa in direct taxes. What was the 1952 figure?
4. In the 1949 national election what percentage of voters on the lists cast a vote?
5. What basic Canadian industry has almost tripled its production since pre-war years?

ANSWERS: 5. Primary steel industry.

3. Nearly double, estimated at \$1,318.
1. The opposite to 1901; better than six of ten Canadians live in the cities and towns.
4. Almost three quarters.
2. Lake St. Clair.

### Changed Climate

Canadian business this year seems to have entered a much more competitive and perhaps a healthier period. As in similar economic situations in the past, economists are again pointing out that wage rates have moved ahead faster than the productivity of labour and that rising wages may well push costs above a competitive level.

At such times it has, in the past, been the fashion to pin the complete responsibility for bettering the situation on labour. It is, however, interesting to note that Canada's greatest producer — and also her largest exporter — takes a wider view. Recently, R. M. Fowler, president, Canadian Pulp and Paper Association, pointed out that in recent years important business skills have been neglected. "Management has not been compelled," he said, "to press for efficiency; salesmen have not had much practice in the arts of selling; and production men have not had to worry greatly about quality when the whole emphasis has been on quantity. Labor leaders have had little need to recognize that the price of a world commodity cannot rise year after year without loss of markets."

The new and more competitive business climate in which we are living in 1953 poses problems for capital, management, labour and government. We are fortunate that these problems must be faced today in an economic atmosphere remote from anything approaching a recession or depression and the urgencies that they create. And we are fortunate, too, in that the present moderate re-adjustment will permit labour and business leaders alike to re-develop the skills essential to the continuing, but more normal development of the nation.

St. Paul's W.A.  
Met At Home of  
Mrs. W. T. Elliott

St. Paul's W.A. held their regular meeting at the summer home of Mrs. W. T. Elliott on the afternoon of July 7th.

President Mrs. C. A. Wells, opened the meeting with all singing the theme song, followed by prayer. The minutes of the last meeting were read by Mrs. Jeffery in the absence of the Secretary, Mrs. Utman. Mrs. Davidson, Good Will Secretary, read several letters. Correspondence and Blue Cross were dealt with.

The W.A. regret the loss of their Blue Cross Secretary, Mrs. A. Armstrong, who has gone west to live with her sister. She was presented with a purse of money containing \$50.00 from St. Paul's Church before her departure from Stirling.

Calling committee for May and June reported 27 calls. Mrs. Wells and Mrs. Jeffery are the committee for July.

Mrs. J. L. Good, convener of the afternoon's programme, opened the devotional part with reading of first verse of hymn, "Take Up Thy Cross and Follow Thee" and Scripture Lesson taken from John 14, was read by Mrs. Gordon Bailey. Mrs. Ketcheson gave a reading on "Obedience" and Mrs. Thompson led in prayer. The musical part of the programme consisted of two lovely solos by Joanne Heasman, "Angels Ever Bright and Fair" and Mrs. Wilkins, who sang, "Consider the Lilies." Mrs. Baker played, "Terzitto," as an organ solo. These numbers were enjoyed by all and added much to the programme.

Mrs. Duffin introduced the guest speaker, Mrs. G. Dobbs, Past President of Belleville Presbytery, who gave a splendid talk on "Let's Stop Our Complaining." She went back in the Bible to the time of the Deciples and Jesus and showed that time hasn't changed but that there are still people

that we must look for the good in, instead of the bad and try ourselves to do our best at all times. Mrs. Davidson, President of the Presbytery, also spoke a few words ending with a verse, "The Beauty of Jesus."

All repeated the benediction and the committee and hostess served a lovely lunch, followed by a social half hour.

Mrs. Warren voiced the thanks of the W.A. to Mrs. Dobbs, Mrs. Davidson and those taking part in the programme and to the hostess and committee for the enjoyable afternoon.

## Entered Into Rest

MRS. ANNIE MITCHELL

One of Belleville's oldest and most highly esteemed residents, Mrs. Annie Mitchell, died at her home, 55 Cedar Street, Belleville, on Monday morning, after a few days' illness. Although she was in her 93rd year, the late Mrs. Mitchell has been active around her home until just recently.

Deceased, whose maiden name was Annie Gallagher, was born in Rawdon, a daughter of the late Patrick and Mary Bates Gallagher. In 1899, after her marriage to Henry F. Mitchell, she went to Saskatchewan, where she and her husband were pioneers at Indian Head. Later they resided in Calgary for eight years, before they came back east to Belleville in 1912. Her husband predeceased her twenty-five years ago.

The late Mrs. Mitchell leaves to mourn her loss one son, Percy D. Mitchell, of Belleville, a grandson, Donald A. Mitchell, of Brockville, and a sister, Mrs. John Lafferty, Pinnacle Street, Belleville.

Deceased was a member of St. Andrew's Presbyterian Church, Belleville.

MISS JULIA ASHLEY

Funeral services were held at the Grant Funeral Home, Belleville, on Sunday for Miss Julia Ashley, of Evans Street, Belleville. The Rev. R. A. Rowley of Tabernacle United Church officiated at the service and

Constable Killed  
By Lightning  
At Trenton

Police Constable Allan Ormshaw, of Trenton, was killed by a flash of lightning during a fierce electrical storm that broke over Trenton late Monday afternoon.

The Constable was off duty and had been working on a house he was building on the Wooler Road about 3 miles north of Trenton.

After the storm broke he set out to seek shelter at the neighbouring residence of his father-in-law. When he didn't turn up after the storm was over members of his family became alarmed and went to find him.

They discovered his body in a field. His head had been badly burned and his clothes were torn off by the force of the bolt.

He leaves his wife and a son.

October Cheese  
Festival Planned

One of Canada's famous foods will be on everyone's tongue again this fall when the October Cheese Festival gets under way. Spearheaded by Dairy Farmers of Canada and the National Dairy Council of Canada, this promotion effort is expected to put the Canadian per capita consumption of cheese up over the six pound mark. In 1952 the per capita consumption of cheese reached 5.8 pounds after a slow but steady upward climb from 4.8 pounds in 1948.

Dairy Farmers of Canada officials point out that Canadians should be proud of this excellent high protein food which is held in high esteem by people of other countries. Americans, with a 7.8 per capita consumption, are loud in their praise of Canadian cheddar and, when visiting Canada, usually take some home with them.

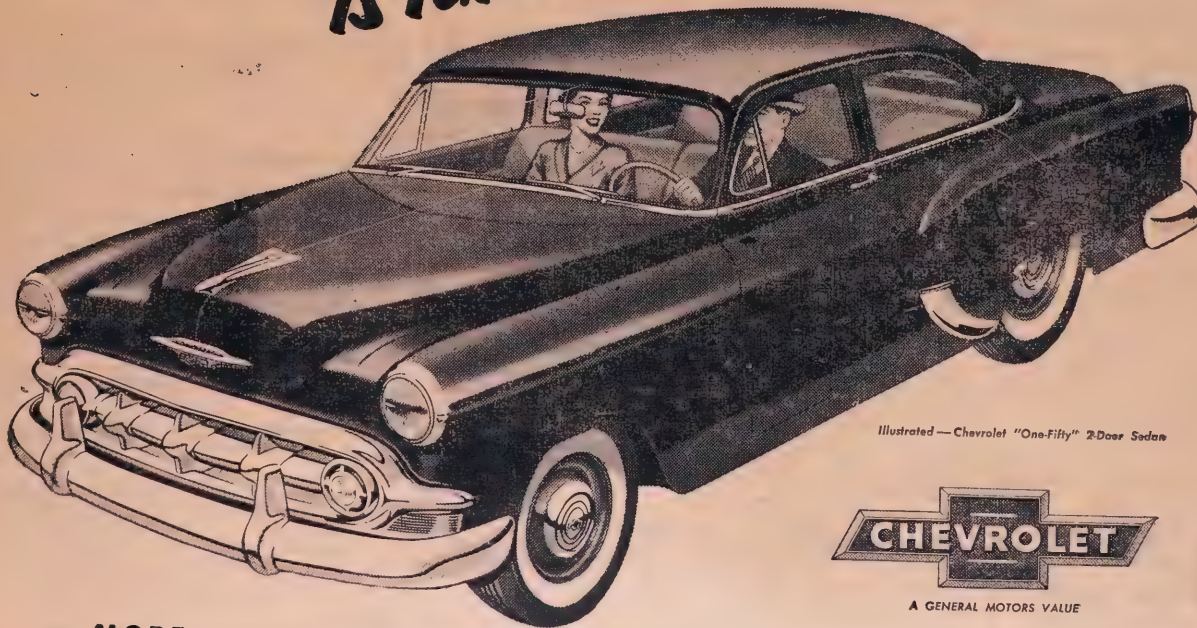

The October Cheese Festival will be widely supported this year not only by manufacturers of cheese, wholesalers and retailers, but by numerous advertisers of related foods, hotel and restaurant chains and the transportation systems. Cheese displays at local fall fairs across the country will also serve to draw the attention of the public to the benefits of cheese in the diet. Featured this year in the October Cheese Festival, will be the high nutrition value of cheese at relatively low cost to the consumer.

# Forward In HASTINGS - FRONTENAC With CLUTE FOSTER

A new riding takes a new lease on life with a sweeping swing to St. Laurent carrying to victory at the polls on August 10 a native son  
Liberal candidate, CLUTE FOSTER, as the

## FIRST MEMBER OF PARLIAMENT

For  
HASTINGS - FRONTENAC

CLUTE FOSTER

RT. HON. LOUIS ST. LAURENT

### The Man . .

It was something else than willy-nilly political ambition that prompted Clute Foster to contest the new riding of Hastings-Frontenac as a Liberal Party candidate.

While there is obviously no sitting member in a newly created constituency, the redistribution combined two territories that boast long-standing Tory traditions. It is hardly the spot that would be singled out by a political opportunist, and least of all by a man making his first bid for public office.

But there are reasons which Clute Foster feels are both sound and sufficient to justify his appeal to the electors of Hastings-Frontenac.

Clute Foster is a native of the riding. He was born at Moira on the pioneer homestead of United Empire Loyalist ancestors. He attended school at Stirling and Madoc before studying at the University of Toronto.

In Toronto he entered the real estate field, and in 1934, became associated with Dominion Stores. A man of undoubted success in business at 54, he retired earlier this year as vice-president of the chain-store firm in charge of real estate, personnel and public relations.

Recognition of Clute Foster's executive ability was made by the Federal Government during the war when he was asked to serve as an Ottawa "dollar-a-year man" in the capacity of vice-chairman of the National Selective Service Board.

It has not been just the leisure hours of retirement which have brought Clute Foster back to his native countryside in Hastings-Frontenac. Long convinced that the future held much in store for this wide area of diversified resources and progressive settlers, his interest has been more than the casual one of a former local boy.

As long ago as 1935 he had purchased 200 acres of vacant land in Elzevir Township for reforestation development. Today, he and his son, Bruce, have 660 acres of reforested land in the Township where 135,000 trees have been planted since 1936.

For years the Foster family has

spent the summers at Arden. Mrs. Foster, the former Jean Heath, is a native of Tweed. Bruce has followed his father's footsteps in the real estate business in Toronto but is currently on the Hastings in the riding canvassing for his father. A daughter, Joan, is in Nurses' Training School at the Toronto General Hospital. The Foster family is quite at home in Hastings-Frontenac these warm summer days.

A member of the United Church, Mr. Foster taught Sunday School classes continuously over a 24-year period. For two years he was head of Boys' Work for the Kiwanis Club in Toronto, directing the activities of 2,600 boys and girls in five clubs. During the year 1939 he conducted a Sunday School class and organized a Boys' Club in Madoc while residing there and commuting to business each week in Montreal. Mr. Foster is vice-president of the Association of Boys' Clubs of Canada.

Five years ago, in honor of his father, the late John Lewis Foster, Moira, he established a University of Toronto annual scholarship in forestry available to qualifying students in Hastings County upon attainment of Senior Matriculation. Clute Foster feels that he owes something to this section of the country where he grew up. But he feels, too, that this newly designated political riding owes something to itself; that it deserves more than it has yet gained from existing and potential wealth of natural resources which abound within its borders.

Before the prospect of entering politics had confronted him, Clute Foster had determined to devote his time in retirement to the improvement and extension of his reforestation projects here. It was only when he became more fully aware of the widespread and diversified developments which are taking place in industry, in mining, in lumbering and tourists' attractions, that he decided to seek a seat in the House of Commons as the first Member of Parliament for Hastings-Frontenac.

Clute Foster is convinced that this area has only just begun the beginning of an era of development of its resources which, within a few years, will overshadow the astonishing progress made in the post war period.

And he knows that these outstanding potentialities will be more fully and more quickly realized when Hast-

ings-Frontenac has the fullest co-operation and assistance of both federal and provincial development agencies. Clute Foster does not discount by one whit the active interest taken by the Ontario government in this wide area, but he is fully aware that in order to bring the much wider interest of federal authorities directly upon Hastings-Frontenac with joint efforts, a Government member representing the riding in the House of Commons is essential.

Confident, beyond doubt, that the Liberal Party will be returned to power, and a Liberal Government behind the Rt. Honorable Louis Stephen St. Laurent returned to office, it is, to him, wholly logical and reasonable that he should carry the Liberal standard in this election.

Clute Foster is undaunted by the traditional voting records of bygone years. The past decade has provided abundant evidence in Ontario that hard and fast party lines have slackened and sometimes fallen completely away.

The electors of this province have demonstrated time and again in late years that they are primarily concerned with good government — good government in Ottawa, and good government in Queen's Park. And they have voted that way — ignoring party affiliations which in many cases had been jealously held through generations.

Clute Foster is convinced that the Liberal Party offers the best assurance of continued good government in Ottawa; continued prosperity and security for the people of Canada. He feels, without immodesty, that in Ottawa as a member of that government he will be able to render good and worthwhile service in the interests of the people of Hastings-Frontenac.

This, then, is a picture of the man, and as outline of the appeal that he is carrying to the electors of this new riding. It is a forthright campaign. It is one that in two short weeks has brought him a wide and spontaneous response, and genuine support of a kind that was wholly unexpected when the campaign began.

Make no mistake about it — there is a surprising swing to Clute Foster in Hastings-Frontenac! And right now it looks like a swing to victory at the polls on August 10th.

### The Riding . .

Under the Redistribution Act of 1951 the new federal electoral district of Hastings-Frontenac became the largest riding in Southern Ontario. It reaches across four old Eastern Counties of proud political traditions — Hastings, Peterborough, Frontenac and Addington.

It embraces 5,000 square miles, an area more than twice the size of Prince Edward Island.

It extends 85 miles north and south, 80 miles east and west.

Its borders verge on suburban Kingston in the east and suburban Peterborough in the west.

Hastings-Frontenac has 25,000 electors in a population of more than 43,000.

It boasts no urban centre of more than 1,500 population but its solid and diversified economy is served by such thriving towns as Bancroft, Havelock, Madoc, Norwood, Stirling, Tamworth, Verona, Yarker, Newburgh, Denbigh and a score of smaller communities.

It includes the following 48 townships:

Abinger, Anglessea, Anstruther, Ashby, Ashpodel, Bangor, Barrie, Bedford, Belmont, Burleigh, Camden, Canoto N.

Canoto S., Carlow, Cashel, Chandos, Clarendon, Denbigh, Dummer, Dungannon, Effingham, Elzevir, Faraday, Grimsthorpe.

Herschel, Hinchinbrooke, Huntingdon, Kaladar, Kennebec, Lake, Limerick, Loughborough, Madoc, Marmora, Mayo, McClure.

Methuen, Miller, Monteagle, Olden, Oso, Palmerston, Portland, Rawdon, Sheffield, Tudor, Wicklow, Wollaston.

Hastings-Frontenac is not only a new political riding, it is becoming an important and rapidly expanding industrial region in a section of Ontario which, for more than a century had known its basic economy and prosperity to be founded on agriculture, lumbering and small-scale mining.

In the last two years the mining industry has forged to the fore with the vast iron ore development at Marmora which has been undertaken by the Bethlehem Steel. It is a mammoth project involving the investment of millions of dollars.

Work began here with drilling in 1951. This will be an open pit mining operation and by December last year work was begun in removing the waste limestone overburden at a rate of 700,000 tons a month. The project involves the removal of thirty-six millions of overburden before reaching the ore. The reserves of low grade magnetite ore is estimated to be 20 million tons.

With a schedule to begin turning out a finished product of iron ore pellets by the fall of 1954 the Marmora development becomes a vital factor in western defence alliance commitments and will be a major contribution from this area to the industrial economy of Canada.

Only a few days ago hopeful news of another wealth of natural resources to be uncovered in the area came from the western section of the riding when oil drilling operations were undertaken in Lennox and Addington. American interests have leased 4,000 acres in the area.

New developments such as these indicate the need for extensive geological surveys of this whole riding to discover the full mineral potentialities. Since before the turn of the century this had been a recognized mining area. The talc mine at Madoc is one of the best known and most important in the world. At Deloro the cobalt refining project is one of the oldest and most modern on the continent. But it is becoming evident that incalculable resources have yet to be tapped.

Lumbering too is a wealthy and thriving industry and has been for many years. Reforestation is an essential need in this riding if the valuable forest resources are not to be depleted.

These are matters of the first importance to which Clute Foster will devote himself as the Hastings-Frontenac representative in Ottawa.

### Lee Grills Picnic At Oak Lake Draws Large Crowd Hastings South Tories

#### Programme of Races, Ball Games and Treats — Prominent Speakers Were Heard

Sunshine and politics drew more than 1,600 people to Seales Beach on Oak Lake, Saturday, for the South Hastings Progressive Conservative picnic. Local candidate Lee Grills and other PC stalwarts joined in predicting the Conservatives would win the big political race August 10th.

Speakers for the afternoon included Mr. Lee Grills, as PC candidate for Hastings South, George S. White, Progressive Conservative standard bearer for Hastings-Frontenac; Hon. William A. Goodfellow, Minister of Welfare for Ontario; W. E. Tummon, ex-M.P.; Warden Jack Kincaid, of Madoc and Roscoe Robson, M.L.A. for Hastings East.

#### Warden Speaks

Warden Kincaid personally and officially welcomed the picnicers. "It is a privilege as warden of Hastings county to welcome you here," he said, "and to say in support of my old friend and colleague and your next member, Lee Grills. I always found him a loyal worker and associate on county council and I urge you to support him," the warden asserted. "Yes and George White, too," he added, referring to the Hastings-Peterborough member, who was on the platform.

George S. White said that in Lee Grills, Conservatives in Hastings South had a very able candidate and one who was fully qualified to speak on agricultural as well as industrial matters.

Mr. White attacked what he termed a "whispering campaign" against Progressive Conservative leader George Drew. He said it had been instigated by the Liberals because Drew is the one man they fear. He denied the Liberal charge that Mr. Drew was dictatorial in his attitude. "If George Drew is a dictator then I never knew what the word meant," he said.

He urged those present to read the 16 point Progressive Conservative election manifesto "which is the blueprint for a greater and a better Canada."

"Our leader has pledged himself, if elected, to a reduction of \$500,000,000 in the tax bill of this country," Mr. White declared. "The Liberals say it can't be done."

"Well," he added amid applause, "I'm here to tell you that it can be done and it will be done if our party is entrusted with the reins of office at the polls."

In a brief reference to dominion-provincial relations he charged that "the municipalities are being badly squeezed by the hogging attitude of Ottawa," adding that "the Progressive Conservatives will take care of that after next month's voting."

Mr. White also excoriated the federal government for "thefts and looting in the armed forces." The department of national defence, he alleged, "is most ineffectively managed" and to support this charge he cited the Currie report.

In conclusion, Mr. White stated that the promises of Conservative leader George Drew to reduce taxes would be carried out without any cuts whatsoever in social benefits now being received by the taxpayers.

W. E. Tummon attacked what he termed was the reckless expenditures of the government and the hidden sales tax which increased the price of articles purchased.

#### Candidate Lee Grills

Candidate Lee Grills said the Liberal government had gotten far from the people. This was indicated by the fact that an August election would disenfranchise thousands of people.

"In choosing the election date, the Liberals were not considering the Canadian people, but a small group of government officials at Ottawa, who

### In Hospital

Friends of Miss Joan Whiteman, of this village, will regret to learn she is a patient in Belleville General Hospital where she underwent an appendectomy on Monday. The latest report is that she is progressing as well as can be expected.

### With The Bowlers

The championship competition for rinks, doubles, singles and junior doubles of District 15 of the Provincial Lawn Bowling Association were held on Friday on the greens of the Trenton Lawn Bowling Club.

Campbellford was the winner in the rinks competition, while Edney and Duncan, of Kingston, repeated their win of last year in the doubles competition. Ernie Jones, of Belleville, won the singles competition, while Doug and Bill Duncan, of Kingston, won the Junior Doubles.

Messrs. Francis Jeffrey, R. E. Fox and H. R. Tompkins attended the men's "Triples" Tournament sponsored by the Kingston Lawn Bowling Club on Saturday.

### Miss E. Irvine Home Economist At Kenora, Ont.

Miss Elsie Irvine has been appointed a home economist with the Women's Institute Branch of the Ontario Department of Agriculture at Kenora, Rainy River and Thunder Bay. She studied home economics at the Macdonald Institute at Guelph and at Cornell University, New York.

Miss Irvine is well-known in Stirling, where she was in charge of the girl's work in the County for some time.

say that as long as we are here Canada will have a good government."

#### Refers to Record

Mr. Grills referred to his record in township and county council and said he had been conducting a strenuous campaign.

"I feel sure that we can win on August 10th, not on my ability, but on the Progressive Conservative party program and on the willingness of party members to get out and work."

Mr. Goodfellow as Minister of Health for Ontario said he would not refer to federal politics other than to praise George Drew as leader of the Conservative party. He said Mr. Drew was the greatest statesman in Canadian life today and said he had put democracy into action as premier of Ontario.

He said Mr. Drew had recommended abolition of the means test for pensions. "Don't believe the Liberal claim that Mr. Drew is not social service conscious," he urged.

Mr. Goodfellow criticized the Liberal election advertising intimating that only by voting Liberal could taxpayers make sure that mothers' allowances would be continued.

"These advertisements are entirely dishonest and false," he said. "The federal government at Ottawa doesn't contribute a cent to mothers' allowances in the province of Ontario. The legislation is administered by the government of Ontario."

#### Pays Tribute to Candidate

In closing Mr. Goodfellow paid tribute to Mr. Grills as a candidate, noting that he had been successful in his own business and had done a splendid job of administration while in county council and as warden.

"Mr. Grills is the type of man we need. With George Drew, he will do a good job for Canada," he assured.

### LOSES LEFT ARM IN MACHINE

John Holcroft, 18, suffered painful injuries at the plant of Bayview Cleaners, Front St., on Monday afternoon, when his arm became caught in a spinning fluid extractor and was taken off above the elbow.

Dr. W. Cornett was summoned and the injured man was rushed by Duffins Ambulance to Belleville General Hospital, where doctors amputated the arm between the shoulder and elbow. He also suffered a deep gash in his forehead, as a result of being thrown against some object by the whirling machine.

Holcroft, son of one of the owners of the dry cleaning plant, was operating the extractor and apparently had reached in while the machine was turning.

Before going to press today, his condition is reported as good.

The wicket at the Post Office will be open from 8 to 9 a.m. only, but the main lobby will be open as usual for the convenience of box holders. There will be no rural delivery.

### Freak Hill Of Potatoes

Mrs. Wm. Vardy, Front St., reports digging one hill of Warba potatoes which contained no less than 72 little spuds, all from one piece of seed. None of the potatoes was attached to the stalks and none was large enough to eat. The 72 potatoes scarcely half fill a quart berry box.

### Clute Foster and G. White Officially Nominated In Hastings-Frontenac

Official nomination deadline Monday saw Liberal and Conservative candidates in a two-way fight for the new federal electoral riding of Hastings-Frontenac when papers were filed at the Armouries in Madoc before N. L. B. Coburn, of Enterprise, returning officer.

Two native sons of this area will contest the seat: George Stanley White, Progressive Conservative, who has been sitting member of the old riding of Hastings-Peterborough since 1940; Cleworth Ward Foster, Liberal.

In contrast to other years, nomination day was an unexciting one. Both candidates had filed their papers well ahead of the deadline and they had previously agreed to dispense with speeches.

There is every indication, however, that the election contest will be one of the most keenly fought in many years. The new riding of Hastings-Frontenac embraces all the former riding of Hastings-Peterborough and a large section on the east of what was formerly part of Frontenac-Addington.

Spread east and west between Kingston and Peterborough it extends 85 miles north and south. With a population of over 43,000 in a predominately rural area it is the biggest constituency in southern Ontario.

Mr. White, a barrister, has been a life-long resident of Madoc. Mr. Foster, a former Toronto business executive, was born at Moira, near here, and attended school at Stirling and Madoc before entering the University of Toronto. Since 1936, he has been interested in an extensive reforestation development in Elzevir township.

Both the electoral districts comprising the new riding have been traditionally Conservative over the years. Mr. Foster entered the contest against Mr. White less than three weeks ago but the tempo of the campaign for the new constituency indicates that in spite of a mid-summer election voting interest will be unusually high.

In a riding that reaches across the four counties of Hastings, Peterborough, Frontenac and Addington both candidates face a rugged campaign of both organization and travelling.

### Don Johnson and His Serenaders Provide Music — Large Crowd In Attendance

Success crowned the efforts of President A. O. Dalrymple and his fellow Rotarians at the Rotary Street Fair and Dance held on Mill Street last night. The net proceeds amounted to several hundred dollars, which will be used in the Club's Crippled Children's Work and other benevolent activities.

Games of all kinds were in operation and were well patronized by the large crowd. Music for dancing was provided by Don Johnson and His Serenaders, of Kingston. Refreshment booths were also operated.

#### Won Draw

A draw was made on a chair, with Mrs. K. P. Mayhew, of town, holding the lucky ticket.

The draw for door prizes resulted in Miss Shirley Howard, of town, winning first prize, \$15.00; Miss R. Bulten, of Harold, second prize, \$10.00; and W. J. Dettlor, Stirling, R.R. 4, third prize, \$5.00.

The officers and members of the Rotary Club are deeply grateful for the generous patronage of the citizens of Stirling and surrounding community.

### Three Candidates In Hastings South

Lee Grills, Conservative; Frank S. Follwell, Liberal, and George A. Elliott, C.C.F., are the three official candidates who will contest the riding of Hastings South in the forthcoming Dominion Election on August 10th.

All three candidates have filed their proper nomination papers and the conventional deposit, stated Mr. Felix Rashotte, Tweed, Chief Returning Officer, at the official nomination meeting held in the city hall, Belleville, on Monday afternoon.

There were no addresses given at the meeting. Nor did Messrs. Grills and Follwell put in an appearance during the official two hours allowed for nominations or withdrawals. Mr. Elliott appeared briefly but remained only a few minutes.

### Local and Personal

Mr. and Mrs. Milton Sills and their two girls, Helen and Marilyn, of Ironquais Falls, in New Ontario, spent last week with Mr. and Mrs. Lindsay Sills and Mr. and Mrs. Russell Sills.

Recent guests at the home of Mrs. Flora Brown, Harold, were Mrs. Andrew Heagle and Miss Mildred Heagle of Harolds; Mr. and Mrs. Clifford Heagle and Mrs. Mason, of Campbellford. The occasion marked the anniversary of Mrs. Brown's birthday.

Week end visitors with Mr. and Mrs. Frank Seales were Mr. and Mrs. Lorne Stapley and Joan, of Stirling, Mr. and Mrs. Nelson Welsh, Carol and Donnie, and Mrs. Martha Welsh, of Moira, Mr. Murney Stapley, Holloway and Mr. Robert Stapley, Betty and Bobbie, of Frankford.

## Mrs. J. R. Donohoe Hostess To River Valley W.I.

The July meeting of River Valley W.I. was held at the school house with Mrs. J. R. Donohoe as hostess and the 1st vice president, Mrs. Ross Bush, presided.

About 30 women from Seymour East W.I. were guests, paying River Valley a return visit. There were about 30 members of River Valley W.I. in attendance and the illness of the president, Mrs. Edward Heasman, was regretted.

Mrs. Chester Sills, West Hantsdon, the guest speaker, gave a most informative talk on "Childhood Allergies." She outlined various things that cause allergy and said allergic people may be sensitive to one or more allergies. Every baby cannot stand to be out of doors and mothers have to use their best judgment. Some are allergic to too much heat, or too much cold or too much sunlight.

Only the yolk of an egg should be

given to young children. The speaker stated that asthma is more prevalent in the Bay of Quinte district than in any other part of the world.

Standard allergies are often inherited such as hay fever and asthma.

Then there is the acquired kind of allergies that one swallows or eats; house dust is the worst offender. Diet, too, plays a big part. Some allergies cannot be avoided, such as dust, cosmetics and dyes.

### Allergy Treatments

The speaker told of various forms of treatment that will give relief to sufferers of bronchial asthma. Wind and weather carry ragweed pollen all over the country and some people suffer with acute respiratory attacks.

Mrs. Sills aptly described skin allergies and warned mothers not to use ointment prescribed for some other child as this could prove dangerous. She admonished her audience to talk over the situation with their doctor; to not visit a baby under three months; do not let a school child hold your baby, and don't spend more than 30 minutes visiting a maternity patient.

Mrs. Sills said there were splendid booklets available and always remember that the earlier that an allergy is treated, the better it is for the patient.

Mrs. P. MacMullen voiced thanks on behalf of the audience to Mrs. Sills for her informative message on such a worthwhile subject.

### Coronation Issue

The sister Institute, Abbot's Leige, Bristol, England, forwarded 48 copies of the "Home and Country." These were passed out to the members. The magazine contained a family portrait of the royal family suitable for framing; a photograph of Queen Elizabeth II. and a royal story as the Queen Mother is president of Sandringham Women's Institute, and exclusive pictures were taken with royal permission for this special issue.

Five dollars was voted to the Stirling Agricultural Society for prizes. There are two tickets for "Canada Day" available.

The August meeting will be held on Thursday, August 6th and it will be "Children's Day" with the school teachers in charge. Each member is asked for a 15 cent prize for a boy or girl.

Mrs. George Heasman presided over the assembly singing which included "A Smile Is Quite A Funny Thing."

Mrs. George Ingram, Seymour East, read a poem by Edgar Guest, "The Making of Friends" and Miss Patsy Wallace contributed a vocal solo with Miss Marilyn Haig as accompanist.

Mrs. Will Ashby, River Valley, gave the story of the "Watermelon." Misses Joanne and Grace Heasman sang "The Land of Glad Tomorrows."

Mrs. Will Wallace, president of Seymour East, W.I., brought greetings. The hostess institute served bountiful refreshments and were tendered a vote of thanks for hospitality.

Irish Moss is one of the industries peculiar to Prince Rupert Island.

## Campbellford Hospital To Open

Campbellford's Memorial Hospital, an institution which cost \$38,000 will open officially on August 30th, according to announcement made by W. F. Scott, president of the Board of Directors.

The new institution will be the most modern in the province. Although the first sod was turned more than six years ago, the board has kept up with new developments in the field of hospital equipment, and when the doors officially open to receive the first patient, the equipment in the building will be the most modern and up-to-date that can be obtained.

Superintendent of the new hospital is Mrs. M. Daniels, R.N., who hails from Wellington. She was the former superintendent of the Prince Edward County Hospital in Picton, and came to Campbellford Memorial well recommended.

The staff of the hospital has been engaged, and all members are well qualified to look after the 61 bed patients the hospital is capable of accommodating.

Cost of the new hospital has been kept to a minimum, largely through the efforts of the building committee, who adopted a "pay-as-you-go" policy from the start. The cost per bed will come to only about \$6340, which is reported to be considerably lower than for most other similar hospitals built in the province during the past few years. The 61 beds will accommodate 38 maternity and active treatment cases as well as 23 chronic patients.

With the exception of an elevator and a dumb-waiter, all equipment will be in operating when the building opens on August 30th.

The hospital will serve about 15,000 persons, contained in an area of about 15 miles surrounding the town. —Campbellford Herald.

### LET'S KEEP IT CLEAN

There was a time, not so long ago, when the business section of Stirling was an example for all in cleanliness and neat appearance. However, in the past couple of years, there has been a gradual let-up on the part of business men and citizens in this regard and too often sections of our business section are littered with waste paper, cigarette boxes, kleenex, paper wrappers etc.

With a view to improving this condition the Chamber of Commerce with the co-operation of the Village Council, has had several waste paper receptacles placed at points along the main business section and invites the co-operation of citizens in general in their use.

There is nothing that detracts from the appearance of a village or town any more in the eyes of visitors or passing tourists than an untidy business section. So let us all—business men, boys and girls, and citizens in general—pull together and make our business section a credit to the community. Instead of dropping that empty cigarette box, wrapper or paper anywhere on the street, let us drop it into one of these handy receptacles. Through our example we will influence others to do the same and once again our business section will be an example to surrounding towns and villages.

## Owners of Speed Boats On Oak Lake Warned

Complaints regarding water skiers and motor boat enthusiasts speeding about Oak Lake endangering the lives of swimmers and other boat users, have been received by provincial police, it was stated by Inspector A. McDougall.

The Inspector asked the co-operation of such boat owners in reducing speed or engaging in their sport away from areas frequented by swimmers and other boats.

"The practice of recklessly driving motor boats on small water areas is extremely dangerous and one which could have fatal results to innocent parties if an accident should occur," he said.

The Inspector pointed out that reckless operation of motor boats on inland waters is contrary to the Marine Act and noted that provincial police officers would patrol the Oak Lake area often in the future. Prosecutions will follow if reckless operation of boats is observed, he said. —Ontario Intelligencer.

## Bethel W.A.

Bethel W.A. held their regular meeting at the home of Mrs. Roy Welbourne, Belleville.

The President, Mrs. J. Mulheron, opened the devotional part of the programme with hymn 394 and spoke a few words on "Friendship," followed by hymn 582, "What A Friend We Have In Jesus."

It was decided to dispense with the August meeting due to the vacation school being held at Mount Pleasant and the September meeting is to be held at the Church Hall. The roll call was taken and the correspondence dealt with.

Mrs. Don Heath took charge of the programme. Hymn 483 was sung. Readings were given by Mrs. J. Morrison and Mrs. Earl McMullen. Mrs. Roy Welbourne introduced the guest speaker, Mrs. French, from the Children's Aid Society.

A very interesting talk was given by Mrs. French, explaining the work of the Society. A vote of thanks was given Mrs. French with the ladies planning to take some sewing for the society later on.

A reading was given by Mrs. Jim Barron and current events was conducted by Mrs. E. McKeown. Hymn 376 was sung and Mrs. Stewart Hoover conducted an interesting musical contest.

A very delicious lunch was served by the hostess and all enjoyed a social hour together.

During the afternoon an address was read by Mrs. Mulheron and Mrs. S. Kirkey was presented with a gift.

Mrs. E. McKeown voiced the thanks of the W.A. to the hostess for the enjoyable afternoon.

### LONG TERM INVESTMENT

The pulp and paper mills have spent tens of millions of dollars to protect and improve their forests. Much of the return on this investment will not be realized for 50 to 100 years hence.

Geo. S. White  
P.C. Candidate  
Hastings-Frontenac

George Stanley White was born at the Village of Madoc on the 17th of November, 1897, son of the late James White and Emma White, both Canadians and received his education in Madoc Public and High Schools and at Osgoode Hall Law School, Toronto.

He was married on July 3rd, 1922 to Margaret Irene McBride, of Belleville, and they have four children, Margaret, Donald, Bruce and Lois.

George went overseas in World War I as a Private and served in France with the 44th Infantry Battalion. He was wounded three times and awarded the Military Medal on April 10th, 1917 in connection with the Battle of Vimy Ridge. He was invalided to Canada in 1919 after several months in hospital in France and England and discharged from Christie Street Military Hospital, Toronto in April, 1919.

On return from overseas he joined the Hastings & Prince Edward Regiment in 1926 and maintained an active interest in the Regiment until 1940, serving as Adjutant with the rank of Captain — served for one year in World War II as Adjutant of 2nd Battalion Hastings & Prince Edward Regiment and is now on the reserve list of officers.

George studied law in the offices of the late E. Gus Porter, Q.C., M.P., in the City of Belleville and also with the firm of Mowat, MacLennan and Hunter, Toronto — graduated as Barrister-at-Law and a Solicitor from Osgoode Hall in 1921 after which he practised with the firm of Mowat, MacLennan, Hunter and White for three years. He returned to his home town of Madoc in 1924 and opened a law office where he has since practised.

Mr. White was first elected to the House of Commons as Conservative member for Hastings-Peterborough in 1940 and was re-elected in the general elections of 1945 and 1949 — during which time he has taken an active part in all matters pertaining to Veterans, Agriculture, Taxation and the development of the natural resources of Canada. He has taken a leading part in the House in all matters relating to the cheese industry and all other matters relating to the farmer and his welfare.

He is a Past Master of Madoc Lodge No. 48, A.F. & A.M., a member of Madoc Lodge No. 179, I.O.O.F., Kiwanis Club and Madoc Trinity United Church. He also served for several years on the Madoc Village Council and as Trustee for Madoc High School.

## Spry Settlement S.S. Rally

Sunday, July 12th, was a special day in the Spry Settlement Sunday School on the lawn at the home of Mrs. Percy McCann. The superintendent, Mrs. Hinds, called the service to order and welcomed everyone.

The special speaker was Rev. Murray, Presbyterian Minister at Foxboro. Rev. and Mrs. Walsh sang several songs. Mrs. Nathan Bronson called her primary class to the front and they sang the hymn, "Jesus Loves Me," with Helen McCann and Linda Bronson taking the solo parts and the rest of the class joining in the chorus. The two McCann sisters also sang.

The secretary's report by Mrs. McCann showed 75 present with a collection of \$10.60.

## New Industry

Following three months of negotiations, Kenneth J. Couch, member of the Trenton Industrial Commission, announced that Erie Resistor of Canada would erect a new plant at Trenton and eventually employ an expected 200 workers.

The firm manufactures parts for the electronics industry and now operates factories in Toronto, London, England, and at Erie, Pennsylvania. The Trenton factory will replace and expand the present Toronto plant, it was stated. The new Trenton plant will have a floor area of 20,700 square feet.

## St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

Civic Sunday will be observed in Centennial Year by the presence and message of His Worship Mayor W. J. Naylor, of Oshawa. Mr. Naylor will be accompanied to Stirling by Mrs. Naylor and their two daughters. Civic representatives from Stirling Village, the Townships of Rawdon and Sidney as well as the County of Hastings are expected; also school trustees and officials from these municipalities.

### Centennial Year

The service marks a mid-summer interest of St. Paul's Centennial Year. Mayor Naylor is an inspiration to all who know him.

The first quarter of Centennial Year ends on August 23rd. The services for each Sunday morning are planned. A folder of the order of services for the second quarter of the year, Aug. 23rd to November 22nd will be available before the end of Aug.

### Visitors in Pulpit

We are grateful for the presence and messages of envoys Bram Humphries, of Belleville, and Frank Ubell, of Kingston, the last two Sundays in July. These fine christian laymen are active in the work of the Salvation Army.

### Carmel

The regular Sunday afternoon Sunday School and service will be held next Sunday afternoon, August 2nd, at Carmel.

### Lions Club

The Leaside Lions Club advises that it will sponsor a life size reproduction of Leonardo da Vinci's "The Adoration of the Magi" at the Canadian National Exhibition. Admission will be free though gifts will be accepted for the welfare work of the "Lions." Last year this enterprising group presented "The Lord's Supper."

### W.M.S.

A school for leaders of the Bay of Quinte Conference W.M.S. will open at the Ontario Ladies' College, at Whitby, August 24th to 28th.

### Notes

Rev. David Gray writes: "The service July 5th went right round my heart. With such a congregation and such fine singing it was easy to preach. I thank you and the Session for the honour they conferred on me and this I pray that the Heavenly Father may bless you and all who are doing for the work of the Church."

Dr. Harry W. Mack, of Detroit, writes: "was there in spirit July 5th. In fact I heard the church bell toll at exactly 3 and 7.30 (on hearing it I looked at my watch) calling me to worship."

### The U.C.

In Africa  
Previous to the entering of the copper belt in Africa the United Church in co-operation with the Congregational American Board of Missions served in Angola a very large province under Portuguese control. The area is 300 miles by 115 miles. The majority of the people follow the Roman Church, although the Evangelical Mission is very strong. Of 300,000 Evangelical Christians in Angola, some 70,000 are in our area.

There are 45 ordained ministers, 200 deacons, 300 deaconesses, and nearly 2,000 active village leaders or evangelists. The workers are scattered over 1,000 villages with a communicant church membership of 10,000.

### New Church

In 1951 Dr. D. H. Gallagher turned the sod for a new church at a gathering of 4,000.

### U.C. Staff

In 1951 our General Board had ten workers on the staff and two studying the language at Lisbon. The W.M.S. has 18 workers. We have sixty schools largely regional and co-operative. There are also bush and village schools. At Dondi there is a school with 125 girls and another the Currie Institute for boys with 250 boys. There is a Normal School for training teachers and a Seminary, training candidates for the ministry.

### Medical Ministry

The United Church has three hospitals, several leprosaria and twelve rural dispensaries. In the Chissamba Hospital there were 10,000 out patients in a single year. There are about 800 surgical cases a year.

### Co-Operative

In Africa we co-operate with the Congregationalists. In Trinidad our educational work is in co-operation with the government. In India our work is in co-operation with the United Church of Northern India. In Korea we work with the Presbyterian Church of Korea. In Japan we are one of the eight communions serving under the "Church of Christ in Japan".

### Budget Grant

From our Missionary and Maintenance Fund gifts totalling about 700,000 per year have been voted for Overseas Missions.

### Early Schools

#### In Ontario

The first school in Upper Canada is credited to the Rev. John Stuart, Kingston, 1785.

A Mr. Smith opened a school at Ernestown, probably near Mill Haven (near Bath), in 1789.

Common Schools did not receive authorization until 1816.

In 1834 the Bath School Society took over the Ernestown Academy.

It is a strange commentary that often early schools were closed a notice being posted, "no wood — no school." Sometimes "wood not chopped."

### Brown Registers

In 1938 special registers were sent to each school principal with pages for recording the school history of each school or School Section. Trustees should see that this record is carefully kept. Every school should have one.

### Centennial Verse

The following came to use from a local resident.

— St. Paul's Well —

In days of yore from the countryside  
The people drove to worship God.  
Oppressed by Summer's heat,  
At Stirling Church they did decide  
a well to dig.

Water at St. Paul's was found and in  
the ground deep and round, a hole  
was made —

Thence came water — and in the near-  
by shed — "shade."

NOTE — This is not historically correct as the well was on the property when the land was acquired. It is a matter of written record that the Trustees of the Church would not buy the property without the well and the owner agreed to their demand on the payment of an additional twenty-five dollars. The name St. Paul's was not in use until after 1925. See the Centennial Year Book.

### Presbytery W.A.

We are advised that the Presbytery Woman's Association of Hastings and Prince Edward Counties was organized June 22nd, 1933 in the Tabernacle Church, Belleville by the Rev. S. A. Dixon, then Minister of the Rawdon Charge. The first President was Mrs. J. A. Lott, of Frankford; 1st vice President, Mrs. J. W. Kinnear, of Belleville; 2nd vice president, Mrs. C. F. Linn, of Stirling. In 1938 Mrs. Lott became Hon. President and in 1939

District Organizer. In 1937 Mrs. C. E. Macklin, Stirling, became President. Presidents following Mrs. Lott and Mrs. Macklin were: Mrs. F. Lent, of Belleville; Mrs. Florence Bateman (McKeown), Springbrook; Mrs. E. Ward, Picton; Miss Audra Brickman, Albany; Mrs. Harold Elliott, Stirling; Mrs. J. M. Wood, Belleville; Mrs. G. Dobbs, Belleville; Mrs. Morley Davidson, Massasaqua.

### Notes

Jan. 19th, 1854 — The County Council appointed Grammar School Trustees in Stirling Rev. Groves, Wm. Baker and B. Johns.

Sept. 21st, 1854 — A tax levy was made on lots 10-11-12-13 Township of Rawdon for a fire engine.

### 100 Years Ago

February 19th, 1853 — A meeting of Stirling (Rawdon) citizens was held in Parker's Hotel to promote a telegraph service between Stirling and Trenton to begin in the spring of 1853.

June 23rd, 1853 — Rev. Geo. F. Playter was appointed to the Wesleyan Church, Stirling.

December 5th, 1856 — Capt. Wm. Sager was appointed fire captain.

March 8th, 1847 — Orange Lodge No. 748 was dedicated in Stirling.

September 24th, 1853 — William Weese sold to the Trustees of S.S. No. 2, two acres. S.S. No. 1 was on the Ridge Road, the Weese School, Stirling.

ling which later disappeared when the Stirling School absorbed three local sections.

### Harvest Home

With Harvest upon us and excellent gardens it is not too early to plan for Harvest Home Sunday. Thanks to the foresight of Mr. Geo. Carlisle we have had sheaves of wheat during the past two years. Perhaps someone will gather a sheaf of oats or barley or both for 1953. Let us make our Centennial Harvest Home Sunday one in which every family will be represented by a gift from the field, the garden, the orchard, the vineyard, the kitchen or the fold.

## Three Generations Of Two Families In Same Lodge

When L.O.L. No. 509, Rawdon, met at the lodge hall on July 11th, before leaving for the celebration at Tweed, Bro. Walter Jeffrey, a Past Master of L.O.L. No. 509, took the Master's chair and initiated his grandson, Bob Jeffrey, into the Orange Order.

It was an unusual circumstance, as it was on July 12th, 1903 that Bro. Walter Jeffrey was made an Orangeman himself in the same Orange Hall.

Immediately after the initiation, Bro. W. J. Johnston presented Bro. Walter Jeffrey with his honorary certificate for being a member in good standing for 50 years in the same lodge. Bro. Johnston in his remarks to Bro. Jeffrey stated that fifty years ago the late William Jeffrey and his three sons were all members of the same lodge, namely (the late) W. J. Jeffrey, Charles Jeffrey and Walter Jeffrey, and now the lodge has the honour of having three generations of the Jeffrey family as members of the lodge, namely, Walter Jeffrey, his son, Francis and his grandson, Bob.

The Deputy Grand Lecturer, Bro. Lorne Hagerman is a member of the same lodge; also one of three generations of the Hagerman family, all in good standing in the same lodge, namely Bro. Lorne Hagerman, his father, Bro. John B. Hagerman and his grandson, Bro. William Hagerman, who is now in his 97th year.

## Farmers Urged To Advertise More

Ontario dairy farmers were told by W. R. Reek that they should do more advertising of their products and convince the public that cow's milk is still the most wholesome food drink in the world. He approved of the July check off of two cents per 100 pounds to meet the costs of advertising but suggested it should go farther. Mr. Reek, former deputy minister of agri-

culture and retired president of the O.A.C. Guelph, spoke to Holstein breeders at St. Thomas. Mr. Reek said farmers must consider their industry in the terms of pounds of milk per acre.

"A thing of  
Beauty...a  
joy to Possess"

Illustrated—Oldsmobile Classic "98" 4 Door Sedan.

Oldsmobile's new instrument panel is ultra-modern in its symmetry and beauty.

The word luxury comes to life in Oldsmobile's seating appointments.

Gracious design is everywhere you look even to the convenient, seat-back ash tray.

Modern simplicity and dignity set the motif for gleaming chrome trim appointments.

Famous "Rocket" figure-head... symbol of Rocket Oldsmobile's swooping power.

There's a bold, sweeping "eager-to-go" look about every Oldsmobile Super "88" and Classic "98". Interiors, too, are styled for beauty and luxury, with completely new instrument panels, squared-off seat backs, ultra-fashionable new fabrics and patterns. Each single detail sets Oldsmobile apart from every other car on the road. And, of course, all this beauty is matched by the sparkling power of the 165 horsepower high-compression "Rocket" engine. Remember, too, that Oldsmobile offers you a host of wonderful "Power" features as options at extra cost—features like Hydra-Matic Super Drive, new Power Steering and Pedal-Ease Power Brakes. Find out for yourself the sheer joy of possessing an Oldsmobile. See your Oldsmobile dealer!

### Ivanhoe

A large number of friends and neighbours gathered at Ivanhoe Town Hall on Friday evening, July 24th, to honour Mr. and Mrs. Carl Rollins, the former Mrs. Carrie Gregg.

Mr. Harry Lovibond was chairman for the following short programme: Round of Community singing with Miss Bessie Fleming at the piano; songs, "Side by Side", "Tis Sweet to be Remembered", by Roseann McAvoy; reading, "A Quaint Marriage Cake", Jean Benson. The chairman then called Carl and Carrie to occupy seats of honour and the following address was read by Gordon Reid: Dear Carl and Carrie:

We, your friends and neighbours, have gathered here together tonight to spend an evening with you both, on the most important occasion of your lives.

Carl has always been one of the boys of our community who has extended a helping hand to all, man, woman and child alike, to those in good circumstances and to those in poor circumstances alike. And he has literally pounded the gravel off Slab Street in making collections for others.

Tonight, Carl we are happy we can show our appreciation of your efforts in the past and we would like you to know we consider you a fine neighbour and friend.

And Carrie, we know you too, and are more than happy to welcome you into our midst, as one of the Ivanhoe neighbours, to share our joys and griefs. In other words, you are one of us now and we want you always to feel our kindly and sympathetic interest in your welfare and happiness.

A word to the children, who will grow up in our midst, to go out from Ivanhoe in days to come, and take on the responsibilities of life. We wish them a happy home here.

With all best wishes, we would like you to accept this gift, a token of the esteem in which we hold you.

Signed on behalf: Wallace McTaggart, Robert Reid, Earl Benson, Frank Reid, Wesley Reid, Elymer Rollins, Harry Lovibond, Gordon Reid.

Mr. Albert Seeley, of Rochester, Mr. and Mrs. Keith Borland, Peterborough, spent the week end with Mrs. Wm. Seeley.

Miss Joyce Reid is visiting Mr. and Mrs. Pat Lough, of Fort Erie.

Miss Frances Harris, Tweed, spent the week end with Annie and Bessie Fleming.

Mr. and Mrs. Roy Thrasher, Mount Pleasant were Sunday supper guests of Mr. and Mrs. Milton Shaw.

Mr. and Mrs. Wm. Shaw were recent guests of Mr. and Mrs. Blake Ketcheson, Moira.

## West Huntingdon

The Stook threshing is in full swing here in this great agricultural district. Messrs. Goldie McInroy, Melville Donan and Elmer Wilson are kept busy. The fall wheat is yielding over 40 bushels per acre. Some of the farmers have swung to the combines due to the shortage of help.

Although the farmers are extra busy the religious services are being fairly well attended. Cottage prayer meetings last week were conducted by the standard church at home of Mr. and Mrs. Foster Wilson and by the United Church at the Jeffrey home. Mrs. J. Sharpe gave the special address at this meeting. Mr. Arthur Wilson gave the devotional story at the daily vacation Bible school in Trinity United Church on Friday morning when there were over 100 boys and girls in attendance. The service on Sunday morning in the United Church was conducted by the Young People's class taught by Mrs. Frank Hammond and Mr. H. R. Burke. Miss Pauline McCurdy was chairlady and Mr. Gerald Cooke conducted the Scripture reading. Miss Marilyn Fitchett contributed a duet and Mr. H. R. Burke gave an outstanding address. Next Sunday the elders of the church will have charge.

Mr. Fred Haight, of Toronto, was a week end guest of Mr. and Mrs. Geo. Ashley.

Friends of Mrs. Mac Saries will be sorry to learn that she is again a patient in Belleville General Hospital for a second operation.

Mr. and Mrs. Goldie McInroy spent Sunday evening with Mr. Harry Cam-

plion of Marmora.

Donna and Sharon Hammond spent the past week with friends at Port Hope and Cobourg.

Mrs. Raymond Baker and son, of Kingston spent a few days with Mr. and Mrs. Geo. Cooke and other friends here.

Mr. and Mrs. Frank Vice, Oshawa, were recent guests of Mr. and Mrs. Foster Wilson.

## More Products Widens Markets

Both the capacity and the output of the Canadian newsprint mills have increased substantially in recent years. But they have not grown as fast as the other segments of the pulp and paper industry of this country.

Before the war, newsprint took more than 70 per cent of total Canadian pulp produced; it now takes about 63 per cent. Newsprint output is about 65 per cent greater than pre-war, but the production of pulps for uses other than newsprint is three and a half to four times as great.

Canadian newsprint has, however, by no means lost ground in world markets; Canada's share of world newsprint production in twelve years has risen from some 40 per cent to about 54 per cent; and newsprint exports from Canada increased from 75 per cent to 81 per cent of all newsprint moving in international trade. But Canadian pulps have set an even faster pace.

Before the war, Canada usually shipped between ten and fifteen per cent of all pulp moving in international trade, but now Canada accounts for a third of this trade and has become the leading pulp exporter in the world. In 1939 Canadian pulp went to some thirteen countries. Today, it moves to twenty-six countries. In short, this greater diversification of output and markets by the leading industry in Canada helps to provide increasing stability to the economy.

## Stirling Rural Routes One, Two and Three 1953 Mail Box Award

Rural mail boxes continue to improve though many are still sub-standard. Wear and water have hollowed some approaches, wind and frost have affected the height and position of others. Several boxes are neglected, hung some without or with only partially hinged doors.

Paint has been applied to some boxes and names are yet to be painted on them. There are a number of boxes that lack both paint and names. A good letter box atmosphere a farm with a mark of quality. Its appearance is interpreted by some as an indication of the general ordering of the affairs of its owner.

R.R. No. 1  
The "oscar" or silver dollar on R.R. No. 1 has been awarded to Mr. H. A. Elliott. The beauty and general qualifications of this box are enhanced by a ring of seasonable flowers attractively arranged in gorgeous bloom about fifteen inches above the ground around the post of the box.

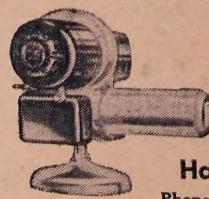

R.R. No. 2  
The box chosen on this route has been most praiseworthy in appearance ever since awards began. This year it has an attractive deep red ground colour with the name of Arthur Wilson clearly lettered. It is perhaps further off the road than most boxes but the care bestowed upon it is a shining example to all who drive by.

R.R. No. 3  
The award on this large route was difficult to make. Number of boxes are worthy of honourable mention. The box selected for the award this

year is that of George Weaver. It has neither a flower ring or a distinctive paint design but it is ideally located for both approach and servicing. It has a clear metal name plate across the top and is in keeping with the fine front it represents.  
R.R. No. 4  
No award has yet been made on this route. It will be visited again shortly to determine whether an award can be made this year.  
All winners are congratulated and complimented on their fine examples and the personal pride taken in the care of their boxes as well as the consideration shown thereby to our splendid rural mail carriers.

FRANKFORD

Hello Homemakers! With the weather warm as it is, we look for cool refreshments that can be done up ahead of time, covered and placed in the refrigerator until the table is set — and what is easier than jellied salads. Cool and inviting piquant in flavor, even the simplest mixture has appetite appeal.

For slices of cold roast pork or tenderloin prepare a mold of gelatin made with apple juice and the addition of a grated carrot and minced cucumber with one pinch of cinnamon. It is something to remember. Also serve potato salad with sliced radishes and top the meal with orange sherbet and cookies.

Both the lemon and pineapple flavored gelatins may be combined with tomato juice or water with seasonings to achieve intriguing flavors. When the mixture begins to jell add chopped crisp greens to make a hearty yet pleasant salad.

Although lettuce frames most salads, there's no need to disregard additions to it or forget chopped spinach, chard, romaine or a few nasturtium leaves and parsley twigs. Almost anything that you grow in the kitchen garden can be cleaned, chilled and clipped for a tossed salad bowl — mint, thyme, chives, parsley, sliced raw cauliflower, green beans, grated raw beet, carrot, turnip, radishes, tomatoes and such. When a slightly beaten egg white is dribbled over the prepared bowl it prevents the salad dressing from soaking into the greens.

during lunch.

As for main course salads you rely on diced cooked meat or chicken, flaked fish or hard cooked eggs, combined with raw or cooked vegetables, for that satisfying quality we expect of a meal.

#### TAKE A TIP

1. When making molded salads that require grated onion and vinegar use the vinegar from a bottle of pickled onions.
2. Small molds set more speedily than large ones — so use custard cups or wax paper cups.
3. Bug the molds with a very little melted shortening or oil or French dressing before filling.
4. To ease the unmolding of any mixture dip the containers in and out of a bowl of hot water, shake sideways and turn quickly on the plate inverted over them.
5. Shake washed greens in a clean towel or let drain in a sieve or colander.
6. Be sure to wash all sprigs of greens even though it's one nasturtium leaf. Garden sprays and insect bites may permeate through salad.

#### Salad Stuffed Rolls

- 1 cupful of cubed cooked chicken (or flaked salmon)
- 1 cupful of chopped celery
- 1 cupful of chopped sweet pickle
- 1 hard-cooked egg, chopped
- 1 cupful of salad dressing
- 6 weiner rolls

Combine the ingredients and fill the split rolls with mixture. Six servings.

#### Molded Salmon Salad

- 2 cupfuls of cooked, flaked salmon
- 2 tbsps. of chopped green pepper
- 1 tsp. of salt
- 1/2 tsp. of paprika
- 2 tbsps. of lemon juice
- 1/2 cupful of thinly sliced celery
- 1 to 2 tbsps. of chopped capers, if desired
- 3 cupful of mayonnaise
- 1 tsp. of plain unflavored gelatin
- 1/2 cupful of cold water

Combine the flaked salmon with the chopped green pepper, salt, paprika, lemon juice, celery, capers and mayonnaise. Soften the gelatin in the cold water for 5 minutes, then dissolve over hot water. Combine with the salmon mixture and turn into individual molds, or a loaf pan, previously rinsed with cold water. Chill until firm and serve, unmolded, on crisp lettuce, with a garnish of lemon sections and sprigs of watercress. Six to eight servings.

#### Cheese and Fruit Salad

- 2 tbsps. gelatin
- 1 cup canned pineapple juice
- 3 cups cottage cheese
- 1/2 cup dried apples
- 1/2 cup drained pineapple
- 1 cup mayonnaise
- 1 tsp. salt
- 1/2 tsp. dry mustard
- 3 tbsps. lemon juice

Soften gelatin in pineapple juice and heat; simmer until dissolved; cool. Blend cheese, chopped apple, pineapple, mayonnaise, salt, mustard and lemon juice. Blend gelatin into cheese mixture and turn into mold. Chill until firm in electric refrigerator.

#### Frozen Peanut Butter Salad

- 1 (3-ounce) package cream cheese
  - 1/2 cup chopped green pepper
  - 1-3 cup peanut butter
  - 1 cup chopped celery
  - 1/2 tsp. salt
  - Juice of 1 lime
  - 1 cup mayonnaise
  - 1 cup heavy cream whipped
- Blend all ingredients and fold in whipped cream. Pour mixture into refrigerator tray and chill until firm.
- Peppy French Dressing**
- 1 can condensed tomato soup
  - 1/2 cup vinegar
  - 1 1/2 cups salad oil
  - 1 cup sugar
  - 1 tsp. salt
  - 1 tbsp. Worcestershire Sauce
  - 3 tsp. paprika
  - Dash of cayenne
  - 1 garlic bud

Place all of the ingredients, with the exception of the garlic bud, in a bowl and mix with the electric mixer or rotary beater until well blended. Pour dressing into a jar or bottle and add the garlic bud. It will contribute an extra hint of flavor. Cover jar and store in your electric refrigerator. (Approximately 1 quart).

Anne Allan invites you to write to her c/o News-Argus. Send in your suggestions on homemaking problems and watch this column for replies.

#### Duck Survey

The annual Waterfowl Breeding Ground Survey in the Tweed District was completed July 13th by District Biologist H. G. Lumsden. The same marshes, lakes and rivers investigated annually since 1950 were again covered by aircraft and supplemented by spot checks on foot and by automobile.

## WEED OF THE WEEK

### DEEP ROOTED CHICORY A ROBBER OF FERTILITY

Chicory (*Cichorium Intybus* L.) known as Wild Succory, is a very persistent perennial from which no part of Ontario is entirely free.

Grain, hay and pasture fields are suffering a great deal of damage from Chicory which has a long tap root that draws on the moisture and fertility of the soil, thus competing with field crops for food, and also making the plant hard to eradicate.

Chicory is easily identified. The leaves, which are for the most part spread out on the ground, resemble to some extent the crown leaves of the dandelion plant, but are longer and more irregular in shape. The almost leafless stems have many branches covered with showy, bright blue flowers. These flowers, open only during the morning hours, produce approximately 3,000 seeds per plant.

Repeated deep cultivation and the use of row crops help in the control of the weed. Cutting hay early, before the Chicory seeds have set, also assists in its control but new flowers appear where the stem has been cut.

2-4,D used in amounts up to 8 ozs. per acre will lessen the danger of seed setting and will stunt the growth of the plant. In hay and pasture fields where clovers are not a problem, the use of 16 ounces per acre will control the weed, but it may take several applications to completely eradicate it. Chicory must be actively growing at the time 2-4,D is applied.

Since Chicory seed is found in grass and clover seed, care should be taken to purchase only clean seed that is free from this menace.

PEGGI LODER

One of the cutest little actresses in Canadian radio is Peggi Loder, of Toronto, heard in such CBC series as *The Tylers*, *Summer Fallow*, *Cuckoo Clock House*, *Cross Section*, and *Aunt Lucy*, as well as in a good many other programmes from time to time. She was one of few child radio performers who had steady work right through their teens, and now, married to a musician and the mother of two, she is heard on the air nearly every day.

## CONSERVATION NEWS!

No New Fires Reported

Fire hazard conditions continued medium throughout the Tweed District during the week and no fires were reported. Work on improvement projects and timber examinations are among chief activities of the ranging staff while the hazard remains normal.

#### Farmer Rescues Fawn in Hay Field

A Renfrew district farmer, Harvey Pilgrim, of Haley's, had an unusual experience when mowing his hay last week. Out of the woods came a wolf chasing a small fawn directly toward the mower. Sighting the farmer the wolf scurried off and Mr. Pilgrim picked up the fawn which he took home for a few hours until the danger was passed. He released the animal near the point of rescue and finding no signs of molestation after a later check, assumed it returned to the mother.

As pointed out by Conservation Officer T. A. Stafford at Renfrew, this is the proper procedure. It is contrary to the regulations to take any game during the closed season even under unusual circumstances and the kindest action in any case is to release fawns or young of other animals in their natural habitat and to the care of the mother.

#### NEW WHEEL TRUING MACHINE

First of its kind in Canada is this new wheel truing machine now in operation at the new \$1,000,000 diesel plant being completed by the Canadian Pacific Railway at Nelson, B.C. The machine, shown in operation here, permits diesel locomotive wheels to be machined without removing either the wheels or trucks from under the locomotive, and will be used in the servicing of diesel locomotives operating on the Kootenay-Kettle Valley divisions of the C.P.R. in southern British Columbia. Its purpose is to restore

by means of specially designed milling cutters the normal contour of the tread and flange of wheels worn by operation of locomotives over frequent tight curves on the right-of-way through mountainous territory.

## "JUNIOR JUMBLE"

News of Interest to 4-H and Junior Farmers in Hastings County  
(by J. A. Francis)

### South Hastings

#### 4-H Swine Club Meeting

On Monday evening, July 20th, the South Hastings 4-H Swine Club held a meeting at the Office of the Ontario Department of Agriculture.

President, Harold Harris, of Madoc, was in charge of the meeting. The programme consisted of a talk by club leader, Ray Mallory, on preparation of gilts for show, and a discussion on showmanship and manual study.

The Swine Club this year has a membership of fifteen. As a project the club members raise a pair of Yorkshire Gilts, keep records on cost of production, and exhibit at the Achievement Day.

The Achievement Day for the Swine Club will be Thursday, August 20th, at the Belleville Fair.

### Belleville 4-H

#### Calf Club Meeting

The Belleville 4-H Calf Club held a meeting at the farm of Mr. Allen McComb, Belleville, on Friday, July 24th. The club president, Muriel Swan, opened the meeting. All club members were present.

The programme consisted of judging two classes of Holsteins, and club members gave reasons on one class. Club leader Douglas Harry, gave talk on fitting a calf for show. The club members took part in a discussion on the club manual.

Jean Frost and Lyall Leavens extended the appreciation of the club to the McCombs for their hospitality.

The Belleville Calf Club will be holding the Achievement Day, on Wednesday, August 19th, at the Belleville Fair.

#### Plowing Match Preparations

Juniors and Seniors in the County turned out on Thursday, July 23rd, at the farm of Mr. George Burkitt & son, Frankford, for a Coaching Day in Plowing.

Mr. W. Clarke, Unionville, coached those present on plowing in competition. Mr. Clarke gave detailed instructions on plough adjustments, striking out, and finishing the land.

This was the first Coaching Day for this year. A two-day Coaching Class will be held in late August or early September. Those interested in attending the next class should contact the Ontario Department of Agriculture, Stirling.

#### Club Leaders Hold Picnic

The Hastings Club Leaders' Assoc. held an Annual Outing on Sunday, July 26th at Presque Point. The picnic was for Hastings County Club Leaders, their families and friends.

#### Quinte District Field Day

At the Quinte District Junior Farmer Field Day, held on July 22nd, Hastings County took third place in the day's events. Durham County took top honours with Peterborough County second.

In Girls' Softball, the Hastings Team defeated Durham in the finals. Peterborough boys were the winners in their final game with Durham.

the barn through the fresh air intakes. In mechanical or fan ventilation, warm, moist, foul air is removed from a barn with fans powered by an electric motor, while fresh air enters the building through intake vents similar to those used for a natural draft system. This system, properly installed in an adequately constructed barn is superior to flue ventilation in many respects but its use is restricted to farms that have electric power. It is particularly advantageous under moderate weather conditions when the outside temperature is within about 15 degrees of barn temperature, a condition which limits the operation of a natural draft system.

Methods of construction of the outlets and intakes for both natural draft and fan ventilation systems; number and sizes of openings, insulation requirements, and barn temperatures required by the various classes of livestock are given in detail in the publication.

Write for "Principles of Barn Ventilation," Publication 859, to Information Service, Department of Agriculture, Ottawa, Ont.

## Seeding Winter Wheat In Ontario

Plans for seeding winter wheat should be made early, especially if it is to follow sod in the rotation. Where this is the case ploughing should be done four to six weeks before seeding and the field cultivated several times in order to eliminate competition from grasses. Wheat may follow inter-tilled crops or spring cereals. Poorly drained fields should be avoided as winter-killing may occur where ice or surface water may lie for any length of time during winter or early spring.

Many soil types are seeded to winter wheat and a soil analysis should indicate the best fertilizers to use. Winter wheat responds to good fertility practices and usually winters better under high fertility conditions. On land which has been manured or which has grown legumes superphosphate (20 per cent) at 150 to 200 lbs. per acre applied with the wheat may be beneficial. Otherwise a complete fertilizer such as 4-24-12 at 150 lbs. per acre or its equivalent is usually recommended.

Winter wheat is seeded at 6 to 8 pecks per acre usually around the first week of September, says A. G. O. Whiteside, Cereal Division, Central Experimental Farm, Ottawa. This date may be advanced to the second week or later in southern Ontario where the longer open fall weather enables the plants to develop adequately before winter freeze-up. It is important that the plants be well established in the fall for the best yields the following year. Winter wheat may be seeded down with grasses and legumes but it is preferable to delay seeding the mixture until early spring when it may be broadcast on the field just as the snow is leaving the ground.

The seed should be thoroughly cleaned to remove weed seeds and broken and diseased kernels. To control bunt or stinking smut, seedling blights and seed rots the recommended seed treatments should be used. Cornell 595, Dawbul and Dawson's Golden Chaff are giving the best results in most of the main winter wheat area and Rideau, which is even more winter hardy is usually favoured in eastern Ontario.

## Spraying Field Corn For Corn Borer

Outstanding increases in grain yields of field corn are possible in many years by spraying for corn borer control. This conclusion has been drawn from tests conducted at the Experimental Station, Harrow, Ontario, for the past three years.

In 1950 sprayed corn outyielded the unsprayed by as much as 8.9 bushels of shelled corn per acre. In 1951, a year of heavier corn borer infestation, the increase was 17.1 bushels. On the other hand no increases were obtained through spraying in 1952. This was due to the lack of corn borers. The weather in Essex County was exceptionally hot and dry during the period when the first corn borer moths emerged and laid their eggs. Weather of this sort is not conducive to either moth emergence or egg-laying, as well as causing many of the egg masses which are laid to fall off the leaves. The result was a very low infestation of corn borers in this area in 1952.

Results of the tests also indicate that one properly-timed spray will increase the yield of corn equally as well as two sprays. Since only one spray is necessary to protect field corn against serious reductions in yield this method of fighting the corn borer will undoubtedly gain in popularity, states C. G. Mortimore.

Information obtained to date suggests the following recommendations for spraying field corn for corn borer control:

It is usually profitable to spray when a count of egg masses totals at least 50 per 100 plants. It is definitely profitable when the count is 100 or more egg masses per 100 plants. In any case apply the spray 7 to 10 days after the count has reached 50 masses per 100 plants. Regardless of egg mass count it is not necessary to spray when corn is less than 24 inches tall as measured from the ground to the tip of the longest leaf pulled upright. D.D.T., parathion and ryania are all satisfactory spray materials. At the present time DDT is the most outstanding because it is both highly effective and relatively inexpensive. Apply at the rate of 1½ pounds of actual DDT per acre. Use three nozzles per row to apply the spray. The centre nozzle should be directly over the row and the outside nozzles arranged to direct the spray downward and inward. Adjust all three nozzles so that most spray is put on the whorl and leaf axils.

## Forest Problem

Canada's forest problem is to find the means whereby the woodlands may grow the maximum volume of wood fibre per acre per year and protect the forests from fire, insects and disease.

## NEWS FOR THE BUSY FARMER

### HOW TO VENTILATE THE BARN

Barn ventilation is a winter problem but re-modelling the barn to provide for it is most easily done in the summer.

In "Principles of Barn Ventilation" Wm. Kalbfleisch and J. W. White, Experimental Farms Service, Ottawa, describe why ventilation of barns is necessary and two methods of doing it effectively—one where electric power is available, the other where it must be done by natural movement of air.

A thousand-pound dairy cow breathes approximately 2 cubic feet of air per minute. In this action oxygen is absorbed and warm moist air containing carbon dioxide is given off. This moisture may range from 10 to 15 pounds per day, or from a gallon to a gallon and a half. Other livestock in groups of 1,000 pounds each, give off about the same amount of moisture as the dairy cow. For the health of livestock stabled in the barn it is

necessary to remove this foul moist air and admit a continuous supply of fresh air.

The amount of fresh air required to remove moisture from a barn varies considerably depending on the temperature and humidity of the air outside and inside the building. A large amount is required when the outside temperature is about the same as the temperature in the barn. A relatively small volume is sufficient if the outside temperature is low because cold air will absorb more moisture when heated to barn temperature.

With the natural draft method of ventilation, a vertical stack or flue is used to remove foul air from the barn while fresh air is admitted through vents located along the outside walls of the building. A movement of air is obtained in this system of ventilation because warm air is lighter in weight than cooler air. Thus the relatively warm air from the barn tends to rise through the stack as it is displaced by cooler air that enters

### Entered Into Rest

MRS. FREDERICK KING

Following an illness of six months duration, Mrs. Frederick King, died at her residence, Wellman's on Tuesday night. She was in her 73rd year.

The late Mrs. King was the former Annie Melissa Green, daughter of the late Samuel Green and Elizabeth McKenzie, of Seymour Township, and had resided in the Wellman's district

for the past thirty-six years. She was a member of Wellman's United Church and was held in high regard by a wide circle of friends.

She leaves to mourn, besides her husband, two sons, Roland E. King, of Campbellford, R.R. 5, and Lloyd A. King, of Wellman's; her stepmother, Mrs. Mary Green, of Campbellford, and one granddaughter. Four sisters, Mrs. Albert (Lulu) Sca, of Carry-Place; Mrs. Nettie Merrills, Campbellford; Mrs. Wm. (Gladys) Stein-

burg, of Omeme; Mrs. Victor (Hazel) Cochrane, of Campbellford; and two brothers, Messrs. Alex and Wellington Green, of Campbellford, also survive.

The funeral will take place from her late residence at 2 p.m. on Friday to Wellman's United Church for service at 2.30 p.m. Interment in Wellman's Cemetery.

### WILLIAM BURLEY REID

William Burley Reid, 51, of 373 Rogers Street, Peterborough, died Wednesday of last week in hospital following a prolonged illness.

Mr. Reid was born and raised in Springbrook, son of the late William Miles Reid and the former Mary Ann McGee. He moved to Peterborough in 1910 and for several years ran a garage in Peterborough. He was a member of Mark Street United Church.

He is survived by his wife, the former Etta May Smith and two daughters, Mrs. Barbara Ann Moorthy of Peterborough, and Mrs. Edna Jean Howden, of Omeme.

The funeral service was held Friday at the Comstock funeral home at 2 p.m. The Rev. Dr. N. D. Patterson, of Mark Street United Church officiated. Burial was in Little Lake Cemetery.

The late Mr. Reid was a nephew of Mrs. Ethel Hoard of this village.

### Napanee Legion To Build Hall

The contract has been let for a new Canadian Legion building at Napanee to J. C. Tustin, Napanee contractor and builder. Work is expected to start immediately on what the legion's building committee chairman C. D. Sillis, says will be a structure costing between \$35,000 and \$50,000.

### Principal of Campbellford School

William Rothwell, principal of the Madoc Public School for a number of years, has been appointed principal of Campbellford Public School. He is being replaced by Don Runnalls, of West Huntingdon, who has been a member of the Tweed Public School Staff.

### Local and Personal

(Continued from Page 1)

Weeks with near relatives in Oxford County. While in the vicinity of Stratford, she attended the Shakespearean Festival and saw the play "King Richard II". The play was shown in an attractive tent which seats 1500 people.

Mr. and Mrs. Stewart Bronson and daughter, Sharon, have returned home to Detroit after spending their holidays with the latter's mother, Mrs. John E. McGee and Mr. and Mrs. Laird McGee and other relatives. Mrs. J. L. McGee accompanied them home to spend a month visiting her other daughter, Mr. and Mrs. Conley and Mr. and Mrs. Maurice McGee and grandchildren.

Mr. and Mrs. John B. Hagerman and Mrs. L. Rodgers and Mrs. Frank McGee attended the funeral of Burley Reid in Peterborough last Friday and also called on Mr. and Mrs. Clarence McGee and spent the tea hour with Mr. and Mrs. James Jeffrey.

Mr. and Mrs. Chas. Drewry and Mr. and Mrs. Carman Drewry and son, Charles, of Stoney Creek, also Mrs. Geo. Drewry, of Belleville, spent Sunday with Mr. and Mrs. Will Drewry.

### Hubble Clan Reunion Picnic

The fourth annual family reunion of the Hubble Clan was held at the Tourist Park, Frankford, on Sunday, July 26th, with 97 in attendance.

Relatives were present from Montreal, Belleville, Oshawa, Peterboro, Read, Foxboro, Stockdale, Springbrook, Tweed, Hastings, Menie, Stirling, Sidney, Mount Pleasant, River Valley, Frankford, Wooler and other points.

The Tourist Park made an ideal place with natural shade and good bathing facilities for the children who enjoyed the water during the afternoon. Several groups remained for supper and spent the evening at the camp.

The dinner this year consisted of sandwiches, cookies and tarts and the Association furnished ice cream and freshie. This menu was much easier for the ladies to prepare.

Following the dinner a brief programme and business session was held with the President, Mr. Everett Hubble as Master of Ceremonies. A period of silence was observed for the deceased members.

Mrs. Wallace Orr, secretary-treasurer, read the minutes of the previous gathering and reported a good bank balance.

Mrs. Percy MacMullen, of Mount Pleasant, who is a direct descendant of the first Hubble Settler at Hubble Hill, traced her ancestry from the departure of the Pilgrim Fathers who migrated from Plymouth, England, to Boston, Mass., and then the United Empire Loyalist Pilgrimage to Canada. She gave a descriptive account of all the present day Hubbles in her area.

Mrs. Don Terry, formerly Thora Hubel and a direct descendant of the Hubels who migrated to the Carmel district, spoke briefly on that particular clan. She also presented a concise article re plans for gathering further history.

Mrs. Russell Hubel suggested ways to improve the reunion. Mrs. Clarence Hay also spoke briefly.

Everyone registered in the new book. It was decided that each person wear a name card next year and a fine will be imposed for forgetfulness.

Mr. and Mrs. Russell Pyear were given an ovation as it was their 3rd wedding anniversary and both spoke briefly.

The birthday prize went to Mrs. Lorne Hubble who will be 66 years of age on Tuesday, July 28th and "Happy Birthday" was sung in her honour. Mrs. Burton Bateman was a close second with a birthday on July 30th.

The 1954 picnic will be held the last Sunday in July at Frankford Community Hall where tables and chairs are available for a large crowd. The dinner menu will be the same as this year with the noon meal at 12.30 p.m. A short programme will be held following the dinner, after which the group will repair to Frankford Tourist Park to compete the afternoon. Any who wish to remain for supper can do so at the Park.

Mrs. Jack McCall, Wooler, distributed the prizes as follows: Youngest married couple present — Burton and Bessie Hubble, married 2 years this October. Youngest baby — Carol Dianne Schwass, of Stockdale, 3½ months. Oldest Person — Mrs. Elgin Jackman, Stirling, 83 years old.
